REEVE Ultimate Collection: 11 Thriller Novels & 49 Detective Stories**

Arthur B. Reeve,2023-11-17 Arthur B Reeve's Ultimate Collection 11 Thriller Novels 49 Detective Stories stands as a

monumental anthology that encapsulates the author's incisive exploration of the mysteries of human behavior through the lens of early 20th century crime fiction. Renowned for his vivid storytelling and innovative integration of scientific principles into narrative, Reeve's work is characterized by his creation of the iconic detective Craig Kennedy whose adventures intertwine criminology, psychology, and cutting edge technology of the time. This collection not only serves as a testament to the Golden Age of detective fiction but also illuminates societal anxieties surrounding crime and morality in post-Victorian America. Arthur B. Reeve, an American author born in 1880, was deeply influenced by the rapidly evolving technological landscape of his era. His background in journalism combined with a keen interest in science equipped him with a unique perspective that he masterfully wove into his thrilling narratives. Reeve's passion for unearthing the intricacies of criminal psychology and forensic science finds its most vibrant expression in this extensive collection, reflecting the zeitgeist of an age where the boundaries of science and mystery began to blur. This anthology is highly recommended for readers who appreciate intricately plotted thrillers laden with intellectual depth and social commentary. Reeve's work not only entertains but also invites critical reflection on the nature of truth, justice, and the human psyche, making it an indispensable resource for both enthusiasts of the genre and scholars interested in the evolution of crime fiction.

**Propaganda and American Democracy** Shirley Ann Grau, 2003-07-01      Guest of a Sinner James Wilcox, 2004-01-29 It is 22 cats that drive the dazzlingly handsome Eric Thorsen to distraction and into the apartment if not immediately the arms of Wanda Skopinski, the rather mousy woman he meets at church when she thrusts a lesbian romance novel upon him. The stench from downstairs drives him from both his rent-controlled apartment and his complacency as a not quite successful piano teacher. In his sixth novel, James Wilcox moves beyond the modern South he has etched so vividly and amusingly in the past to take on Manhattan. But somehow he manages to bring the city down to size. The book is filled with as eccentric an array of characters and as much gentle kinkiness as any small town chronicle. A winning and consistently entertaining story. **Vogue**      **Buffalo** Sydney Blair, 2005-05-01 Ray McCreary is a Vietnam vet just forty with inclinations startling to himself to settle down, marry the woman he thinks he loves and have a child. He sets out on a journey to seek a kind of closure with a past lover and with Bullet, the buddy who got him through the war but who can't shake a lingering agitation. Not sure where he's going or what he'll find when he returns to the old Virginia schoolhouse he shares with Vivian, Ray is nonetheless driven into one last round of adventure, a quest for what he might be missing or what he might want to give up. With an eye for natural and human hazards, copperheads and buffalo, the violence of men who never find their place, the shadow of the war, Sydney Blair captures perfectly the eternal despair of some vets, the slow healing of others in this moving novel.      *International Who's Who of Authors and Writers 2008* Europa Publications, 2007-08-23 An invaluable source of information on the personalities and organizations of the literary world.
