Natural Resources Management Strategy Eastern Europe And Central Asia

Zvi Lerman, Karen McConnell Brooks

Natural Resources Management Strategy Eastern Europe And Central Asia:

Natural Resource Management Strategy ,2000-01-01 Arable land deserts mountains forests rivers and coastal zones characterize the diverse regions in Eastern Europe and Central Asia ECA As varied as the geography is so are the policy directions taken by the region s governments concerning natural resource management A lack of conservation measures misuse and poor management have impaired many of the natural resources now available in these countries Although the pressure on natural resources in ECA is less than in other regions and the area has more abundant resources the accessibility and utility of those resources belie the figures Where there is arable land the growing season is short Where there are immense forests the climate is harsh To assist the Bank s client countries in ECA with sustainable use of natural resources this volume identifies the various challenges provides a history of the Bank s regional natural resource strategy outlines a strategic framework and proposes new strategies and policy instruments to implement them Natural resources in this publication refer to non mineral resources such as forests rivers and land

Rural, Environment, and Social Development Strategies for the Europe and Central Asia Region ,2000-01-01 This report proposes a World Bank strategy for assisting the rural environmental and social development of Eastern Europe and Central Asia It has been produced for a general audience partly for consultation purposes and is therefore a work in progress Each of the three areas of development is examined in separate chapters and each summarises the World Bank assistance strategy in that area The conclusion is that the challenge posed by the objectives of this report are far beyond the World Bank s abilities to achieve on its own

Managing Europe's Water Resources Chad Staddon,2016-05-13 Illustrated with case studies which explain key concepts and provide practical examples this book provides a detailed and comprehensive introduction to water management issues from a European perspective The book begins with a brief history of water management followed by a consideration of the major frameworks used for managing water in its qualitative and quantitative aspects Several chapters treat key water management issues including dams privatization hydropolitics climate change and finally provides a synoptic treatment of major water management issues across Europe s geographical regions

Environmental Management in Eastern Europe, Caucasus and Central Asia OECD,2005-04-20 This book brings together the findings of key sector and media specific analyses of the environment in the Eastern Europe Caucasus and Central Asia area and puts forth a set of indicators to provide a one stop concise and up to date assessment accessible also to a non specialist audience

Sustaining Forests World Bank,2004-05-01 The World Bank s Forests Strategy adopted in October 2002 charts a path for the Bank s proactive engagement in the sector to help attain the goal of poverty reduction without jeopardizing the environmental values intrinsic to sustainability This strategy replaces the Bank s 1991 Forestry Strategy and was developed on the basis of the findings of an independent review of the 1991 strategy and a two year consultative process with development partners and stakeholders around the world The revised strategy Sustaining Forests is built on three guiding pillars harnessing the potential of forests

to reduce poverty integrating forests into sustainable economic development and protecting global forest values Recognizing the key role forests play in contributing to the livelihoods of people living in extreme poverty government and local ownership of forest policies and interventions are emphasized along with the development of appropriate institutions to ensure good governance and the mainstreaming of forests into national development planning The strategy also aims to support ecologically socially and economically sound management of production forests by ensuring good management practices through application of safeguard procedures and independent monitoring and certification Implementation of the strategy will center on building and strengthening partnerships with the private sector non governmental organizations and other donor agencies to promote better forest conservation and management at country and global levels Making Sustainable Commitments ,2001-01-01 CD ROM includes full text of the Strategy as well as other relevant information

The State of Law in the South Caucasus C. Waters,2005-10-26 This book evaluates the strength of the rule of law in the South Caucasus a volatile and strategically important region of the former Soviet Union Contributors all of whom who have lived and worked in Armenia Azerbaijan or Georgia tackle this question from the perspectives of both law and politics A wide range of specific issues are addressed including corruption in the justice system forced migration telecommunications and environmental protection **Agricultural Finance and Credit Infrastructure in Transition Economies Focus on South Eastern Europe - Proceedings of OECD Expert Meeting, Portoroz, Slovenia, May 2001** OECD,2001-09-24 What has been achieved in rural finance and institutional reform during more than a decade of transition and what challenges remain What are the special needs of South Eastern European countries to attract agricultural credit and finance to

Rural Governance Lynda Cheshire,Vaughan Higgins,Geoffrey Lawrence,2006-12-05 This book critically explores the social causes and consequences of emerging governance arrangements In particular the book moves beyond questions of empowerment in governance debates to consider how new kinds of power relations arise between the various actors involved

Turkmenistan Zvi Lerman,Karen McConnell Brooks,2001-01-01 This study on Turkmenistan is the latest addition to a long and growing series of World Bank publications on land reform and farm restructuring in the former socialist countries of Europe and Central Asia The present report combines an analysis of the 1998 farm survey overview of general agricultural policies and sectoral performance Survey results are preceded by a sectoral review and a description of emerging legal framework for land reform and farm restructuring *Human Geography* Erin H. Fouberg,Alexander B. Murphy,Harm J. de Blij,2009-01-27 Taking us from our hominid ancestors to the megacities of today Human Geography brings a new emphasis to the political and economic issues of human geography *Historical Dictionary of the World Bank* Sarah Tenney,Anne C. Salda,2013-10-30 When it was founded back in 1944 no one could possibly have foreseen how the World Bank known more formally as the International Bank for Reconstruction and Development IBRD would flourish Today with 188 members it is by far the largest lender for projects in agriculture health infrastructure and many other fields in developing countries around

the world with a budget of billions of dollars and a staff of more than 9 000 and its advice is usually heeded by both the developing countries which borrow from it and the advanced ones which contribute This second edition of the Historical Dictionary of the World Bank shows the substantial progress the Bank has made this mainly through the dictionary section with concise entries on its component institutions related organizations its achievements in various fields some of the major projects and member countries and its various presidents The introduction explains how the Bank works while the chronology traces the major events over nearly 70 years Meanwhile the list of acronyms reminds us just who the main players are And the bibliography directs readers to useful internal documentation and outside studies

Private

Agriculture in Armenia Zvi Lerman,Astghik Mirzakhanian,2001-01-01 This book details and analyzes an extensive farm survey of Armenian land reform Zvi Lerman and Astghik Mirzakhanian two principal contributors to the design of the study present their invaluable insight into the rapid land reform strategy implemented in Armenia Unique among the former Soviet Republics the entire agricultural sector of this country shifted from collective large scale farm enterprises to individual production in 1992 The authors pay special attention to the commercialization of private farms and their access to supply and marketing channels outside the old state controlled system Family incomes from farming and off farm sources are discussed as well as problems of rural social services and social infrastructure The authors demonstrate how official statistical measures and record keeping practices in Armenia do not adequately account for this dramatic transition

Regional

analysis of the nationally determined contributions in the Near East and North Africa Food and Agriculture Organization of the United Nations,2022-03-07 This report provides a unique sector specific synthesis of the agriculture water and land use sectors in the nationally determined contributions from Near East and North Africa It summarizes the substantial contributions already put forward by countries opportunities for further action and the gaps barriers and needs that will need to be addressed if the region is to raise mitigation and adaptation ambitions The findings of this report will help member countries to reflect on their progress in advancing toward nationally determined contributions priorities for agriculture water and land use and associated national climate goals including related targets under the Sustainable Development Goals The analysis also helps to make clear the links between the nationally determined contributions from the region and the ongoing work of the United Nations Framework Convention on Climate Change in support of the Koronivia Joint Work on Agriculture KJWA Finally the report serves as a guide to the Food and Agriculture Organization of the United Nations as well as other international actors of the support that will be required to help countries in the region move forward to implement agriculture water and land use priorities in their NDCs and ensure that future commitments from the sector are quantifiable verifiable and sufficiently ambitious

Agriculture in Transition Zvi Lerman,Csaba Csáki,Gershon

Feder,2004-01-01 In Agriculture in Transition Land Policies and Evolving Farm Structures in Post Soviet Countries authors Zvi Lerman Csaba Csaki and Gershon Feder study the land policies and farming structures of these newly emerging nations

as components of institutional change in the rural sector change from a centralized rural economy to a market oriented economy

Regional analysis of the nationally determined contributions in sub-Saharan Africa Crumpler, K., Gagliardi, G., Otieno, Z., Dino Radin, M., Berrahmouni, N., Federici, S., Dasgupta, S., Buto, O., Toepper, J., Bloise, M., Salvatore, M., Meybeck, A., Wolf, J., Bernoux, M., 2022-06-30 This report provides a unique sector specific synthesis of the nationally determined contributions NDCs submitted by countries in sub Saharan Africa It summarizes the substantial contributions already put forward by countries opportunities for further action and the gaps barriers and needs that will need to be addressed if the agriculture and land use sectors in sub Saharan Africa are to raise mitigation and adaptation ambitions The findings of this report will help FAO Members to reflect on their progress in advancing toward NDC implementation of their agriculture and land use priorities as well as illustrate potential areas for enhancing mitigation and adaptation ambition in future NDCs The analysis also helps to clarify the links between the NDCs from the region and the 2030 Agenda and the Sendai Framework for Disaster Risk Reduction SFDRR Finally the report serves as a guide to FAO and other organizations in the region to design targeted evidenced based support programmes that support Member Countries to fill current implementation gaps and scale up climate action in the agriculture and land use sectors

Human Geography Erin Hogan Fouberg, Alexander B. Murphy, Harm J. De Blij, 2015

Regional analysis of the nationally determined contributions in Asia Food and Agriculture Organization of the United Nations , 2020-04-01 The regional analysis provided in this report reflects the dynamism and diversity existing within Asia Asia is experiencing dramatic demographic changes high population growth urbanization and growing economic inequities The food system in the region varies significantly between and within its many sub regions in terms of climate landscapes ecosystems and farming systems All of these factors provide the context for climate action at the national level and have shaped to some extent how agriculture is reflected in countries respective National Determined Contributions This report provides a unique sector specific synthesis of the NDCs from Asia It summarizes the substantial contributions already put forward by countries opportunities for further action and the gaps barriers and needs that will need to be addressed if the agriculture sector in Asia is to raise mitigation and adaptation ambitions The findings of this report will help member countries to reflect on their progress in advancing toward NDC priorities for agriculture and associated national climate goals including related targets under the Sustainable Development Goals SDGs The analysis also helps to make clear the links between the NDCs from the region and the ongoing work of the United Nations Framework Convention on Climate Change in support of the Koronivia Joint Work on Agriculture KJWA

A Guide to the World Bank , 2003 The World Bank Group works in more than 100 developing economies and is one of the world s largest sources of development assistance In 2002 the institution provided US 19 5 billion in loans to its client countries This guide reviews the organisation s history objectives and operations and looks at the five institutions that make up the World Bank Group the International Bank for Reconstruction and Development IBRD the International Development
