The Servant-driven Church Ray Fulenwider, 1997 Ray Fulenwider has distilled forty years of ministry into this appeal to church members to assume the posture of servants driven by love for Jesus to seek

opportunities for serving fellow Christians and others through the ministry of their local churches *The Church Stimulus Package* Rev. Dr. John Edward Washington, 2010-09-23 Whether you are a pastor seminary student minister Christian education specialist or lay person this book is a complete source for assisting and guiding you through the steps of creating The Church Stimulus Package that Will Jump Start your Ministry and Revitalize Your Church numerable physically and financially This book gives you all the tools you need to revitalize a stagnant declining ministry Offering proven methods the author shows you how to create conduct and implement a Congregational Assessment tailored to your church particular problem or problems Covering everything from analyzing your congregation s resources to overcoming obstacles and problems this realistic hands on guide will definitely Jump Start Your declining Ministry and Revitalize Your Church The economy of the United States was in shamble then on January 13 2008 President Barack Obama unveiled a plan to revitalize the United States economy in the short term with a stimulus package that he said will immediately inject billions into the economy This book is a practical step by step resource based upon 38 years of experience sound biblical foundation and academic research This book contains the prescription is a must read and will be useful for pastors sincerely interested in strengthening and revitalizing a church in decline numerable financially and or physically **Missional Leadership** Nelus Niemandt, 2019-12-12 The purpose and aim of this book is to develop an appropriate leadership model for missional churches This implies a positioning of this book within the broader theology of mission and a consensus on the theology of the *Missio Dei* originating at the 1952 conference of the International Missionary Council in Willingen Germany In this approach to the theology of mission mission is understood as the work of the Trinitarian God and the church is privileged to participate in God s mission It is against this background that the growing consensus on missional ecclesiology challenges leadership models developed for a different time and a different kind of church with less or no emphasis on the missional character of the church The aim is to reflect theologically on the role of leadership in the missional church What kind of ideas about power authority and leadership are appropriate for a missional church New missional challenges demand new ideas about missional leadership Church organisation and leadership reflects a theological position there is a strong relation between ecclesiology and church organisation The nature of the church provides the framework to understand the character of the church What the church is determines what the church does The church organises what it does and agrees on rules that regulate ministries and organisation Issues such as the way the church organises and governs what it does and thus church leadership need to be answered against this background and understanding Church polity and organisation as well as leadership must reflect the identity calling life and order of the church This book therefore addresses life in the Trinity participation in the *Missio Dei* and contours of the missional church as the point of entry to develop leadership insights It contributes towards the development of an appropriate model of leadership for missional churches because although recent developments in the theology of mission comprehensively addressed the area of missional ecclesiology there is a gap in the

development of a leadership model based on the concept of authority in the missional church **Winds of Change** ,1986
