Bars To... .. Windows** Andrew McDermott,Drexel Reid,2011 Through out the past quarter century there has been an increased focus on corrections both as a means of social control i e reducing crime and generating income i e profiteering from punishment and with this in mind From Bars to Windows attempts to examine how and explain why we can change the orientation of national correctional policy to more equitably

spread the wealth generated by our nations prison system Unlike the traditional staple of prison writing comprised of pseudo redemptive autobiography s violence sexual brutality and the like *From Bars to Windows* concentrates more on the fundamental economics of our prison system Indeed this book is a virtual how to manual that explains the in s and outs of ethically and morally profiteering from our prison system The book lays out exactly how investors can reap tremendous profits by taking advantage of the readily available for profit prison industrial infrastructure that exists within our country Market conditions are such that now the Green Energy sector is poised for virtually unparalleled growth On the other side of the equation there s a burgeoning prison manufacturing sector For instance there were over 100 Federal prison based factories which employed more than 21 000 inmates and generated over 546 3 million in net sales in 2003 alone As multi nationals realize that continued outsourcing of manufacturing jobs is no longer a viable or sustainable strategy there s going to be an inexorable nexus between manufacturing on the one hand and rehabilitative Prison industries on the other with billions in potential profits at stake Some of the highlights of the book include defines and explains Gatsian economic theory explains how prisons and profiteering are inextricably linked provides an examination of how the inherent economic potential of the prison black market can be harnessed to yield net economic gains for society     **Journal of Collective Negotiations in the Public Sector** ,1997     *Corrections, 2001-2002* Matthew Leone,2000-07 A collection of current carefully selected articles from some of the most respected magazine newspapers and journals published today Within the pages of this volume are interesting well illustrated articles by authorities in the field providing effective and useful perspectives on today s important topics in corrections     Crime Control, Politics and Policy Peter J. Benekos,Alida V. Merlo,2014-09-25 This book reviews concepts information and points of view that help to explain the context and constraints of the criminal justice system The chapters summarize developments in public policy and crime control and interweave themes central to the discussion the impact of ideology the role of the media and the politicization of crime and criminal justice     The University of the District of Columbia Law Review ,1999
