

Steps to Christ
Chapter 11
The Privilege of Prayer

"Through nature and revelation, through providence, and by the influence of His Spirit, God speaks to us. But these are not enough; we need also to pour out our hearts to Him. Prayer is the opening of the heart to God as to a friend, not that it is necessary in order to make known to God what we are, but in order to enable us to receive Him. Prayer does not bring God down to us but brings us up to Him." Steps to Christ, p. 93

Building a Christ Centered Home 1 4185 1768 2 Learning to Pray 1 4185 1767 4 **Luke: An Introduction and Study Guide** Greg Carey, 2017-01-12 Greg Carey's guide equips readers to develop their own informed assessments of Luke's Gospel. The book begins with an inductive exposition of Luke's singular approach to composing a story about Jesus, examining its use of Mark, clues to its social setting, and its distinctive literary strategies. Recognizing that many readers approach Luke for theological and religious reasons while many others do not, a chapter on Spirit addresses Luke's presentation of the God of Israel, how the Gospel ties salvation to the person of Jesus, and how the problems of sin and evil find their resolution in the kingdom of God and in the community of those who follow Jesus. A chapter on Practice examines the Gospel's vision for human community. While many readers find a revolutionary message in which women, the poor, Gentiles, and sinners find themselves included and blessed in Luke's Gospel, this volume calls attention to inconsistencies and tensions within the narrative. Luke does speak toward inclusion, Carey argues, but not in a revolutionary way. Could it be that the Gospel promises more than it delivers? Carey suggests that Luke speaks to people of relative privilege, challenging them toward mercy and inclusion rather than toward fundamental social change. An Epilogue reflects upon contemporary readers of Luke, most of whom enjoy privilege in their own right and how they may respond to Luke's story.
