Authority in Social Casework Robert Foren, Royston Bailey, 2016-06-06 Authority in Social Casework reviews the various settings in which social work is practiced This book describes the presence of some component of authority in all casework situations while distinguishing the modes suitable to each setting and to the various needs of clients Organized into three parts encompassing 10 chapters this book begins with an overview of the practice of social casework in an authority setting This text then examines the different concepts of authority as they affect the casework process Other chapters consider the ways in which authority inheres in the role and function of workers in various casework settings This book discusses as well the ways in which the nature of the setting determines the types of authority its workers possess The final chapter deals with the use of a more assertive casework methods of support which depends on the accurate assessment of the degree of maturity indicated by the client Caseworkers will find this book useful *Correctional Assessment, Casework, and*

*Counseling* Anthony Walsh, Jessica Wells, Shaun M. Gann, 2020-11-11 This book combines the latest in sociology psychology and biology to present evidence based research on what works in community and institutional corrections It spans from the theoretical underpinning of correctional counseling to concrete examples and tools necessary for professionals in the field This book equips readers with the ability to understand what we should do why we should do it and tools for how to do it in the field It discusses interviewing interrogating and theories of directive and nondirective counseling including group counseling It discusses the strengths and weaknesses of various correctional approaches such as cognitive behavioral therapies group counseling and therapeutic communities It introduces ethical and legal considerations for correctional professionals With an explanation of the presentence investigation report case management and appendices containing a variety of classification and assessment instruments this volume provides practical hands on experience Students of criminal justice psychology and social work will gain an understanding of the unique challenges to correctional success and practical applications of their studies This book is a teacher student practitioner s dream Grounded in theory and evidence based research on best practices it is accessible well written filled with sound insights and tools for working with criminal justice clients I have used and loved each new edition of this fine text Dorothy S McClellan Texas A M University Corpus Christi

*Probation Casework* Joan Luxenburg, 1983 In this case study of a large urban area s probation department the priority method and outcome of the probation supervision process are examined and discussed in relation to six selected major theories of socialization psychoanalytic self other cognitive developmental classical conditioning operant conditioning and social learning Ten case histories of adult criminal probationers are examined **New Developments in Casework** Eileen Younghusband, 2021-11-07 Originally published in 1966 this book gives examples of the most advanced thought about casework by well known writers in England and the United States at the time The ground covered includes the use of some current sociological theory in casework analysis of the interpersonal relationships in casework new thought about the

appropriate use of authority with people whose own internal controls are weak and unreliable and recent advances in understanding and working with people who respond to action more easily than to words These articles by well known authorities illustrate the increased range of insight and skill required of modern caseworkers and at the same time are highly readable conveying complex ideas in language refreshingly free from jargon      **National Criminal Justice Thesaurus**

,1998      **Social Casework** IIs 189 Noel Timms,2013-10-28 First published in 1998 This volume is IX in the international library of sociology collection and focuses on social casework principles and practice The text attempts to describe some of the main problems facing caseworkers as they both try to help their clients and to theorize about their methods and objectives to discern the knowledge they use and apply and to appraise the significance of the social agencies in which they work      Criminology Law Mr. Rohit Manglik,2024-03-16
