Problem Promise Provision:

Life's Challenges.. Your Opportunities John Hagee, 2010-09-24 This book will change your life and the way you think about problems for the rest of your life Problems don t happen only to bad people Bad problems happen to good people too Everyone has problems thus everyone needs to understand why they happen and what we can do about them We also need to know about the promises of God and about the supernatural provisions available for every problem you ever face Assignment As You David D. D. Hulse, 2013 GOD ON ASSIGNMENT AS YOU DAVID HULSE D D We are not human beings having a spiritual experience we are spiritual beings having a human experience Pierre Teilhard de Chardin I realize that this book may not be for everyone at this time However it is necessary to challenge the sensibilities of man made traditions which have made the word of present truth of no effect to this generation I invite you to listen to your own inner Christ intelligence which is able to lead you to your truth rather than listening to the feeble attempts of dogmatic voices who are only plunging us into the depths of unanswered questions If you are in the process of re examining old childhood beliefs and have realized there has to be a more excellent way this book is for you With this in mind I invite you to open your minds and your hearts to this great process of incarnation when an adventurous playful Creator chose to experience and play the game of humanity with all of its diversity My premise is that a Creator could not create anything less than itself as that would result in pity Creating anything greater than itself would result in admiration Only creating that which is equal results in love You are the creator experiencing the richness of this human journey You are god on assignment Let this mind be in you which was also in Christ Jesus who being in the form of God thought it not robbery to be equal with God Phil 2 5 6 KJV The Lost Revelation Ira Messenger, 2007-12 Providing us with the only known revelation of the Gospel according to substitution a new and exciting interpretation of biblical truth Ira Messenger is probably the most controversial theologian of our day Author of the books The Wrong Turn The Fourth Dimension and The Indictment Messenger is also a radio and television talk show host The Lost Revelation offers answers to questions that his listening audience has submitted What makes Messenger so controversial is his attack on the mantra of present day Christianity Messenger brings a different perspective to biblical interpretation one in which God takes the initiative in His relationship with humankind rather than simply observing and judging its actions Do yourself a favor and add the revelation of the Gospel of Substitution to your religious perspective You may find yourself questioning much of what you believed to be true about Christianity Force of Favor Dr. Dave Martin, 2012-05-18 Dr Dave Martin believes that favor is the greatest harvest that you can receive from God In this powerful book you will learn how the force of favor plays an integral role in your life's accomplishments Dr Dave teaches you How favor will accelerate your destiny 7 areas where you will need favor How solving problems increases Good News from a Far Country: the Kingdom Invasion of the Mind Dr. William Kell, 2013-01-31 A long time ago In a place far far away Plans were conceived for An invasion of a rebel planet Called Earth Jesus came from This place a far country the Dwelling place of

God and a perfect Reflection of His nature His government And His administrative principles The Bible calls this place The Whole Life David Stine, 2019-01-29 Inspired by 1 Thessalonians 5 23 this new book from Pastor David HEAVEN Stine focuses on the three parts of your being the spirit the soul and the body and shows how you can experience a balanced and more fulfilled life when you take care of all three Pastor David Stine was the head of a growing church in the nation s capital He was seeing exponential church growth and reaching hearts and minds for God But inside he felt spiritually dry He was burnt out His health suffered and his preaching became uninspired Then one day he read 1 Thessalonians 5 23 in a way he never had before The verse he now saw clearly indicated that were three parts to the human self the spirit the soul and the physical body He had only been focusing on one part and realized his life was seriously out of balance with the way God intended As soon as Pastor Stine began to focus on his emotional well being and physical health in addition to his spiritual fitness everything changed He began to see that all three elements are interconnected and necessary for a vibrant Christian life Divided into three sections The Whole Life is a practical guide to leading an empowered and balanced life The Spiritual Formation section discusses the importance of Prayer the need to read scripture regularly and the necessity of having a God sized dream to guide you The Soul Care section covers your mind your emotions and your desires while the Body Health sections discusses nutrition exercise and rest In each section Pastor Stine helps you identify where you are thriving and where you are depriving yourself so that you can achieve a healthy whole body and in turn a whole life Providing practical and inspiring ways to feed and nurture yourself Pastor Stine guides you to discover how you too can have a whole balanced **The Cloud by Day and Fire by Night** Mingo P. Henley, 2016-04-29 I would like for you to take a 365 day life in Christ journey with me as we open ourselves up to what the Holy Spirit has to say to us concerning our everyday lives The Holy Spirit has a word for us but are we willing to follow daily instruction from the Lord The perfect will of God does us no good if we refuse to follow the Cloud by Day and the Fire by Night God provided the Cloud but we must choose to follow it
