How to Write Your First Letter to a Pen Pal

So you've decided to commit to a relationship with a pen pal, but now that it is time to write the letter, you have no ideas. To start, remind yourself that all you are doing is introducing yourself to your pen pal.

Think about how you can introduce yourself to someone you met on a road trip or on a vacation. Writing an introductory letter to a pen pal isn't much different than that.

Make your first letter shine. This is your chance to make a new friend who could become an important part of your life.

Instructions

1. Be friendly and polite.
2. Share information about yourself that you think others will find interesting.
3. Tell the person who you are and what you are about.
4. Include information about your age, education and career.
5. Mention your favorite hobbies, pets, or anything that might show a shared interest with your new friend.
6. Do not overwhelm the reader with too much information.

Write an exercise pen-pal letter to an imaginary person - an introductory letter. Introduce yourself to your pen pal. Give your name, age, and discuss where you are from. Talk about your family, including its size and what your parents do for a living. Talk about any pets you may have or what your school is like. While you might think your life is boring, your pen pal might not.

Dear Beth,

my name is John and I'm 10 years old. I live in Germany with my parents. I have a sister, her name is Silvia. My favorite colors are light green, sky blue, bright orange. I hate brown. But not brownies, I like everything with chocolate! I like to read books. I spent this holiday with my family at the seaside. I like to spend days off of school
