

Problems with Covenant Theology

Covenant Theology's Ultimate goal of history...
...is too limited & narrow !

WRONG!

Covenant Theology denies some of the major distinctions in
the Bible.

✗ It nullifies the distinction between the Abrahamic & Mosaic Covenants

RIGHT!

Paul actually emphasizes their distinctiveness in Galatians 3

✓ See: **Galatians 3:18**

Problems In Theology:

The Problems of Theology Brian Hebblethwaite, 1980-09-11 Faculties of theology are a traditional feature of most western European universities yet in colleges of education schools and in some newer universities the subject is studied if at all under the heading of religious studies Taking the question Is there such a subject as his point of departure the author sets out to explore the relation between theology and the broader field of religious studies Theology primarily means rational talk about God but the word is used in other wider and looser senses as well Mr Hebblethwaite discusses in what ways it is possible for non believers to engage in theology and stresses the need for all to pursue the subject openly and self critically in a religiously pluralist world Criteria for truth claims in religion and the problem of revelation are among the topics examined In the course of his study the author looks at the relationship between theology and a number of adjacent subjects psychology and the social sciences philosophy history and ethics
