

Preparing Your Three-Part Cards

First, print the following pages of the PDF file on letter-size (8 1/2" by 11") cardstock. You can go ahead and use them like that, but laminating greatly extends the life of the cards. Cut the cards into separate parts on the dotted lines. This may also assist in round the corners for durability and to make them easier to handle. This can be done by hand with scissors or with a round corner punch. Each page will produce two complete sets of three-part cards.

1. Print 
2. Laminate 
3. Cut

Using Three-Part Cards

Three-part cards are used to build vocabulary, enrich language and are the foundation of classification, reading, writing, culture, geography and art.

Depending on the child's age, the cards can be used in several different ways:

- Children aged 2-3 can use the picture cards without labels for basic identification and vocabulary activities. Try matching picture to object using figures or your face copies and match picture to picture.
- Children aged 3-4 can use the picture cards with and without labels to begin making connections between letters and sounds. Ask them to identify cards that show things beginning with certain sounds or match words to words.
- Children aged 4-5 can use the cards with and without the labels as a matching lesson, matching label to picture. They are able to check their own work by referring to the picture with label card as a control of error.
- Children aged 5-6 can use the cards as a writing lesson, practicing both printing and spelling.

Rainy Day Fun Jean Warren, Totline, 2000 It's easy to keep young children happy when the weather is miserable. These creative Totline ideas turn a home into a jungle, post office, grocery store, and more. Parents can keep kids involved and out of mischief with these easy-to-do indoor projects. Even cleaning up can be fun when you make a game out of it. **Sign, Sing, and Play!** Monta Z. Briant, 2021-11-30 When it comes to signing with babies, the secret to success is to make signing fun. Using signs in playful and engaging ways gets babies' attention and stimulates their interest in signing like nothing else. In *Sign, Sing, and Play*, busy parents will find imaginative ways to include signing naturally throughout the day with activities that can be used at home and on the go. Whether it's time for a story, a diaper change, or a ride in the car, parents will find dozens of ideas for including signing in ways that motivate baby to sign back quickly and keep signing exciting for parent and child. *Sign, Sing, and Play* picks up where *Baby Sign Language Basics* left off and is a must-read for parents, grandparents, and child care providers who sign or are considering signing with their babies and toddlers. *The Mommy Chronicles* Sara Ellington, Stephanie Triplett, 2005-02-01 When girlfriends Stephanie Triplett and Sara Ellington realized that they were both pregnant and their babies were due just weeks apart, they began emailing each other constantly. Throughout their individual journeys, both women discovered many aspects of pregnancy, childbirth, and especially motherhood that no one ever seemed to talk about. Stephanie and Sara had both read every book on these subjects they could find, so why weren't they prepared for the roller coaster ride they were about to embark on? Why hadn't anyone ever given them the real truth about being a Mommy before? *The Mommy Chronicles* is a warm, candid, and sometimes irreverent view into the lives and emotions of these two new mothers. In intimate and often hilarious detail, the authors share their own diverse and universal experiences as they progress from being pregnant to being parents. Listen in on their conversations as they laugh, cry, rage, and celebrate. Labor and delivery, postpartum depression, career choices, daycare dilemmas, husbands who don't get it—it's all here presented in an entertaining, easy-to-read format. *The Adventures of Lulu* Louise Hay, 2005-08-01 *Lulu and the Ant: A Message of Love*, *Lulu and the Dark*, *Conquering Fears*, *Lulu and Willy the Duck*, *Learning Mirror Work*. These three stories were written to help today's child grow up with a strong sense of self-esteem and courage. As adults, we sometimes forget that children have many more issues to deal with than we did when we were their age. They're constantly being put into the position of making choices and are steadily being barraged with news about the critical state of the world. How children handle these issues is a direct reflection of how they truly feel about themselves. The more a child loves and respects him or herself, the easier it will be to make the right choice. **Games & Fun Activity Book** Pasquale De Marco, Embark on an exhilarating adventure with Games.
