

SILENT LAMP

The Thomas Merton Story

WILLIAM H. SHANNON

Silent Lamp The Thomas Merton Story

Daniel Ethan Harris

Silent Lamp The Thomas Merton Story:

Silent Lamp William Henry Shannon,1992 William H Shannon shares his intimate knowledge and unique insights in this new and exciting biography of the monk whose own autobiography became a bestseller much to his chagrin Silent Lamp is the name given to Merton two years before he died by the Chinese philosopher John Wu and a perfect metaphor for the healing light that still spreads from his life and work to people everywhere Silent Lamp is a reflective biography it illuminates Merton s inner life and thoroughly chronicles his outer journey telling the story in terms of the significant events and experiences that shaped his spiritual path It sheds new light on the principal themes that Merton developed as a writer and teacher from the renewal of monastic life to the poetry of Latin America from the demands of interracial justice to the teachings of the Sufi masters As the author puts it This book attempts to look at the inner journey which alone gives meaning to the exterior one I want to put the picture in the frame More than any other book on Thomas Merton Silent Lamp achieves that goal BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Beneath the Mask of Holiness Mark Shaw,2024-03-26 Spiritual writer Thomas Merton is the most influential American Catholic author of the twentieth century Despite appearances to the contrary in 1966 he was a troubled lonely monk Only when the suffering Merton fell madly in love with a student nurse a forbidden erotic affair condemned by the Catholic Church would he discover whether his devotion to God was stronger than his dedication to the woman he called a miracle in my life Truly an inspirational story based on Merton s personal journals new information and sources such as fellow monks Beneath the Mask of Holiness presents a unique portrayal of the famous man one never revealed in its entirety before *Thomas Merton and the Individual Witness* David E Oberson,2024-09-26 Thomas Merton proclaimed over sixty years ago that we were living in a post Christian world Since then in an increasingly secular society where the influence of the institutional church is under doubt Thomas Merton s reflections are more salient than ever David Oberon s discussion and analysis brings this mystic monk and spiritual leader s view of the opportunities presented to Christians by cultural changes to the forefront focussing on how the individual s witness can take precedence Oberon situates the reader in the current cultural context and handles Merton s work with care and clarity He illuminates Thomas Merton s unique view of his own society which credibly speaks to our present aiding Christians in navigating a post Christian post truth world Thomas Merton Jon M. Sweeney,2025-09-23 An introduction to the spiritual legacy of Thomas Merton Thomas Merton was a Trappist monk and one of the most influential spiritual figures of the 20th century His writing on contemplation monastic life mysticism poetry and social issues have influenced generations and his legacy of interfaith understanding and social justice endures to this day Thomas Merton An Introduction to His Life Teachings and Practices offers an exploration of Merton as a monk as a writer and as a human being Author Jon M Sweeney delves into Merton s life and ideas with an appreciation for his work and a deep understanding of the spiritual depth that it contains Thomas Merton offers a unique view of the popular and sometimes controversial monk

braiding together his thoughts and practices with the reality of his life to create a full portrait of a pivotal figure The Merton revealed in its pages is a source of inspiration and insight for those wrestling with questions of faith and spirituality At its core the book is about the search for wholeness a search Merton undertook himself throughout his lifetime and one readers can also embark on as they draw inspiration and guidance from his life

The Way of Thomas Merton Robert Inchausti, 2022-11-17 This Lenten devotional is unlike any I've seen It's not about giving up something trivial for a few weeks It's about getting free of the false self that alienates us from ourselves each other and God Nobody understood that transformation better than Thomas Merton and nobody understands Merton better than Robert Inchausti Parker J Palmer writer speaker and author of *On the Brink of Everything* The Way of Thomas Merton guides you through the major themes of Merton's work and shows how his advice can help you to overcome the obstacles that modern life presents for spiritual development For Merton the spiritual life is a journey from the false to the true self a journey that all followers of Jesus must take and this book will help you to love and nurture your true self as you journey through Lent and beyond While no one can take your journey for you Inchausti's poetically insightful reflection on Thomas Merton's life of deep inquiry opens a window through which you may discover your own unique pathway home Ward Mailliard Co founder of the Mount Madonna Center Watsonville California

Transforming Renewal Andy Lord, 2015-01-12 Pentecostal and charismatic renewal movements have seen great growth over the last century and have engaged with many Christian traditions Yet there are signs that all is not well and there is a need to develop theologies of renewal that engage with practice and across the traditions if the movements are to continue to grow In particular this book seeks an ecumenical engagement between David Watson and Thomas Merton leaders in the charismatic and monastic renewal movements The aim is to reflect on the theological roots of these renewal movements through a study of particular people who lived them in practice and sought to help others understand how the triune God was at work This is done against the wider background of contemporary renewal theology to develop constructive proposals for renewal theology in the future Receptive ecumenism provides the method for bringing the different voices into conversation in ways that also point forward in approaches to ecumenical dialogue It is thus a study relevant to those seeking new ways in theology those involved in renewal and ecumenical movements students of Thomas Merton and all who seek to better understand the Christian renewal movements that have swept the world

Heretic Blood Michael W. Higgins, 2016-10-31 Thirty years after his death we are finally catching up to Thomas Merton as one of the greatest spiritual figures of the twentieth century The genius and spirituality of this unusual man could not be contained in his life as a monk but spilled over richly into his life and work as a poet critic rebel sage and even artist and photographer Merton was aware that he had heretic blood within him and it soon became apparent to the world The balding French English intellectual living as a Trappist monk at Our Lady of Gethsemani Abbey in Kentucky took a vow of silence yet corresponded with and befriended such luminaries as Joan Baez Jacques Maritain John Howard Griffin Martin Luther King Jr

Erich Fromm and Boris Pasternak His famous autobiography *The Seven Storey Mountain* captured the imagination of a generation selling more than six hundred thousand copies in its first year Merton also took a vow of obedience yet feuded constantly with his second abbot As a monk he promised to remain celibate yet he found himself passionately in love with a nurse he met while in hospital in Louisville Kentucky And at the end of his life Merton a monk within the western Roman Catholic tradition was moving closer and closer to Eastern spirituality This brilliant new book is the first to use recently released diary entries and correspondence by Merton and includes new insights about the recently published diary of his episode of the heart Higgins compares Merton with William Blake the monk s intellectual and spiritual hero and comes to startling conclusions about the emotional and intellectual passions that drove Thomas Merton a man and thinker for all seasons

Journeys Into Emptiness Robert Jingen Gunn,2000 *Journeys into Emptiness* traces the lives of three famous religious seekers and their quests for personal transcendence Dogen a thirteenth century Japanese Zen master experienced emptiness in wordless meditation the practice of zazen that spread in time from the Eastern world to the West Thomas Merton was a twentieth century Catholic monk whose experience of personal homelessness brought him to explore the tension that lies between solitude and community Carl Jung raised by a pious father and a psychologically unbalanced mother was driven to understand the structure of the psyche including the male and female elements that exist in every human person Robert Jingen Guinn provides wise and compassionate portraits of these emblematic figures Each of them in his own way had to experience emptiness going beyond consciousness to discover his own personal truth whether that was rooted in Buddha nature God or the unconscious This going beyond became a path to encountering their own unique selves and a deeper sense of life BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Shaping the Journey Daniel Ethan Harris,2025-08-21 How do the theological impulses of evangelical pietism and contemplative monasticism converge in the modern spiritual formation movement *Shaping the Journey* brings John Wesley and Thomas Merton into critical dialogue examining their distinct yet complementary contributions to Christian spirituality With Wesleyan evangelicalism as a thesis and Mertonian monasticism as antithesis this study argues that the spiritual formation movement represents a meaningful synthesis of these traditions Central to this synthesis is the work of M Robert Mulholland Jr whose integrative vision of spiritual formation clearly reflects the influences of Wesley and Merton and the evangelical and monastic traditions they represent Engaging history theology and spirituality this work offers a vital resource for understanding the roots and trajectory of Christian spiritual formation *Journeys East* Harry Oldmeadow,2004-04-28 *Journeys East* tells the story of the twentieth century s encounters between East and West by exploring the lives of many of the most fascinating scientists intellectuals artists and spiritual seekers of our time **Dictionary of Modern American Philosophers** John R. Shook,2005-01-01 The *Dictionary of Modern American Philosophers* includes both academic and non academic philosophers anda large number of female and minority thinkers whose work has been neglected It includes those

intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought *Thomas Merton's Encounter with Buddhism and Beyond* Jaechan Anselmo Park, 2019-03-07

Thomas Merton recognized the value and possibility of contemplative dialogue between monastics and contemplatives of other religious traditions and hoped that through such dialogue monastics would strive for inter monastic communion and a bonding of the broader spiritual family He held out hope that this bond would demonstrate the fundamental unity of humanity to a world that was becoming ever more materialistic and divided Among other themes and topics this book explores Thomas Merton's role as a pioneer of Buddhist Christian dialogue and monastic interreligious dialogue It delves into the process of Merton's self transformation through contemplative experiences explores his encounter with Zen and Tibetan Buddhists and his pioneering engagements in Buddhist Christian dialogue and presents and responds to the criticisms of those who raise questions about Merton's understanding of Buddhism Fr Jaechan Anselmo Park OSB articulates and analyzes the influences of Buddhist theory and practice on Thomas Merton's contemplative spirituality and shows how Merton's legacy has influenced and continues to inspire interreligious and inter monastic dialogue particularly in an Asian monastic context *Make Peace before the Sun Goes Down* Roger Lipsey, 2015-05-19

A fascinating account of Thomas Merton's conflicted relationship with his abbot Dom James Fox by an esteemed modern Merton scholar In the 1950s and 60s Thomas Merton a monk of the Trappist monastery of Gethsemani in Kentucky published a string of books that are among the most influential spiritual books of the twentieth century including the mega best seller *The Seven Storey Mountain* He was something of a rock star for a cloistered monk and from his monastic cell he enjoyed a wide and lively correspondence with people from the worlds of religion literature and politics During that period he also explored and wrote extensively on Buddhism Sufism art and social action The man to whom he owed obedience in the cloistered life was a much more traditional Catholic his abbot Dom James Fox To say that these two men had a conflicted relationship would be an understatement but the tension their differences in orientation brought actually led to creative results on both sides and to a kind of hard won respect and love Roger Lipsey's portrait of this unusual relationship is compelling and moving it shows Merton in the years his imagination was taking him far beyond the walls of the monastery and eventually literally to Asia

Superabundantly Alive Susan McCaslin, J.S Porter, 2018-10-19 *Superabundantly Alive* Thomas Merton's Dance with the

Feminine is a unique unified multi genre work that includes dialogue imaginary letters poems and reflective essays by two established Canadian poets Taking cues from Merton himself Susan and John establish a playful jazzy dialogic tone superabundantly alive This book invites participation for those who already know Merton s work and for those who are meeting this whole and broken prophetic whimsical paradoxical prophet and visionary for the first time Robert Lax once described Merton s poetry and the man himself as superabundantly alive McCaslin and Porter prove the truth of this description in their enchanting account of the writer mystic who now comes into his second century of stature and significance in the words of Boris Pasternak a live and burning to the end Shaped by the End You Live For Bonnie B. Thurston,2020-05-15 To understand the life and thought of Thomas Merton one must understand him as a monk After introducing his vocation and entrance into the Trappist order this book highlights some of his basic spiritual presuppositions Relying primarily on Merton s writing Bonnie B Thurston surveys his thought on fundamental aspects of monastic formation and spirituality particularly obedience silence solitude and prayer She also addresses some of the temptations and popular misunderstandings surrounding monastic life Accessible and conversational in style the book suggests how monastic spirituality is relevant not only for all Christians but also for serious spiritual seekers **Man of Dialogue** Gregory K. Hillis,2021-11-21 2022 Catholic Media Association first place award in biography How Catholic was Thomas Merton Since his death in 1968 Merton s Catholic identity has been regularly questioned both by those who doubt the authenticity of his Catholicism given his commitment to ecumenical and interreligious dialogue and by those who admire Merton as a thinker but see him as an aberration who rebelled against his Catholicism to articulate ideas that went against the church In this book Gregory K Hillis illustrates that Merton s thought was intertwined with his identity as a Catholic priest and emerged out of a thorough immersion in the church s liturgical theological and spiritual tradition In addition to providing a substantive introduction to Merton s life and thought this book illustrates that Merton was fundamentally shaped by his identity as a Roman Catholic Signs of Hope Oyer, Gordon,2021-10-20 Explores the thinking of the famous Trappist monk on topics of social concern peace race ecology through his correspondence with particular activists scholars and thinkers **A History of Religion in America** Bryan Le Beau,2017-09-18 A History of Religion in America From the End of the Civil War to the Twenty First Century provides comprehensive coverage of the history of religion in America from the end of the American Civil War to religion in post 9 11 America The volume explores major religious groups in the United States and examines the following topics The aftermath of the American Civil War Immigration s impact on American religion The rise of the social gospel The fundamentalist response Religion in Cold War America The 60 s counterculture and the backlash Religion in Post 9 11 America Chronologically arranged and integrating various religious developments into a coherent historical narrative this book also contains useful chapter summaries and review questions Designed for undergraduate religious studies and history students A History of Religion in America provides a substantive and comprehensive introduction to the complexity of

religion in American history **Opening New Horizons** Joseph Quinn Raab, 2021-01-19 On the surface Christianity and Zen Buddhism can appear to be worlds apart even antithetical Christianity affirms the reality of the Tri personal God and the eternal salvation of mortal human beings Zen denies both the existence of God and the soul Yet Thomas Merton the Catholic spiritual master and D T Suzuki the famous teacher of Zen engaged in an extensive dialogue and found ways of mutually affirming shared meanings of God and person that each regarded to be true This book explores that dialogue within the larger context of Merton's attraction to Buddhism and considers the implications of their achievement for contemporary theologies of religious pluralism Signs of Peace William D. Apel, 2006-01-01 During the last decade of his life Thomas Merton corresponded with numerous people around the globe about world religions and the need for interfaith understanding Initiating contact with figures like Zen scholar D T Suzuki Thich Nhat Hanh and Rabbi Abraham Heschel he sought not only to expand his understanding of other faiths but to find like minded friends who might share his dream of a global community of the spirit Such people whom he called living sacraments or signs of peace were those able to unite in themselves and experience in their own lives all that is best and most true in the numerous spiritual traditions

The Top Books of the Year Silent Lamp The Thomas Merton Story The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. Silent Lamp The Thomas Merton Story : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Silent Lamp The Thomas Merton Story : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
