Kathleen Armour

Silent Playgrounds:

Silent Playgrounds Danuta Reah, 2009-10-09 The monsters that torment a child's make believe world turn out to be rooted in reality This chilling novel is set in Rotherham as parochial and placid a place as anywhere in south Yorkshire but the scene of two murders in the local park

Quiet Moments Margie Martinez, 2014-11-17 Almost everyone who has experienced the loss of a loved one has also experienced seemingly endless quiet moments moments when it seems you cannot see past today and moments when tomorrow as you knew it seems nonexistent In these moments all thoughts rush back into memory memory so vivid it seems impossible to grasp that the person lost is truly gone from your life *Quiet Moments* allows the reader to reflect on living and dying as two inevitable facts It encourages the reader to believe and trust in God's power to begin healing and restore wholeness

Playgrounds of the Nation Arthur Coleman Monahan, Emeline Storm Whitcomb, Eustace Evan Windes, Florence Cornelia Fox, Katherine Margaret (O'Brien) Cook, Lewis Raymond Alderman, Marie Margaret Ready, Michael Vincent O'Shea, Nida Pearl Palmer, 1927

Silent Travelers Alan M. Kraut, 1995-03 Epidemics and immigrants have suffered a lethal association in the public mind from the Irish in New York wrongly blamed for the cholera epidemic of 1832 and Chinese in San Francisco vilified for causing the bubonic plague in 1900 to Haitians in Miami stigmatized as AIDS carriers in the 1980s *Silent Travelers* vividly describes these and many other episodes of medicalized prejudice and analyzes their impact on public health policy and beyond The book shows clearly how the equation of disease with outsiders and illness with genetic inferiority broadly affected not only immigration policy and health care but even the workplace and schools The first synthesis of immigration history and the history of medicine *Silent Travelers* is also a deeply human story enriched by the voices of immigrants themselves Irish Italian Jewish Latino Chinese and Cambodian newcomers among others grapple in these pages with the mysteries of modern medicine and American prejudice Anecdotes about famous and little known figures in the annals of public health abound from immigrant physicians such as Maurice Fishberg and Antonio Stella who struggled to mediate between the cherished Old World beliefs and practices of their patients and their own state of the art medical science to Typhoid Mary and the inspiring example of Mother Cabrini Alan M Kraut tells of the newcomers founding of hospitals to care for their own the Halls of Great Peace actually little more than hovels where lepers could go to die set up by Chinese immigrants the establishment of St Vincent's Hospital in New York as an institution sensitive to the needs of Catholic patients and the creation of a tuberculosis sanitarium in Denver by Eastern European Jewish tradespeople who managed to scrape together 120 in contributions at their first meeting Tapping into a rich array of sources from turn of the century government records to an advice book aimed at Italians financed by the DAR from the photographs of Jacob Riis to the records of insurance companies and visiting nurse services as well as poems songs stories and letters of patients this book evokes an intimate sense of the poignancy of the immigrant odyssey Amid growing concern over using AIDS to exclude immigrants and ongoing debates about multi culturalism this look

at how earlier generations struggled with such problems is especially valuable

Awaiting Whisperland W. G. Palmer, 2007-05 Dawn caught the darkness unaware the sun springing from behind the mountains like a rabid cat to devour the moon's sliver During the course of the night the temperature about Heartbreak Ridge had risen to exceed a hundred degrees Below its western rim the massive wilderness of Whisperland was hotter still To the south the animals of New Eden had amassed sixty some odd deep and over a kilometer wide Across from them the gladiators of the Fleshstalkers and the Rebel Skys loomed as a formidable challenge In the backdrop Warbird posed his bloodshot eyes to a trio of figures at the fall line of the plateau the great roan stallion and his riders the human trash who dared interfere with the inevitable outcome of the epic battle Galahad felt certain he was on the threshold of an epiphany just as he knew that nothing short of one would save the kingdom

The Girl Who Wasn't There Karen McCombie, 2014-08-07 A story of friendship and ghostly mystery from one of the best loved UK writers for girls Maisie's dad has a new job as live in caretaker of a Victorian school Finding it hard to make friends things change when Maisie tells her new classmates about something strange she saw the night before a girl's face in the window of a gothic tower

Geographies of Urban Sound Torsten Wissmann, 2016-04-22 Traffic music language and nature help to create unique soundscapes that are essential to the place based character of each city Taking into account both the urban soundscape and the impacts of sound on the urban dweller this book examines sound not as a by product of urban life but as a fundamental part of the urban experience that is crucial to understanding the city's sense of place Illustrated by case studies from Europe and North America these range from on site measurements to the construction of audio tours for local tourism from media analysis of popular culture audio drama to sound identity and city branding and from the classification of noise in city planning to a consideration of the complex relationship between sacred sound and the creation of a sense of place Taking a social geographic perspective the book focuses on the effects of sounds on the individual and how they influence the ways s/he engages the city as place especially in their daily routines In doing so it uncovers the socio scientific potential of sound in the urban environment based on the understanding that sound cannot and must not be seen as detached from the urban landscape but rather as a constituting element Sound exists not only within the city it is the city
