The Powell

Expedition Don Lago, 2017-11-15 John Wesley Powell's 1869 expedition down the Green and Colorado Rivers and through the Grand Canyon continues to be one of the most celebrated adventures in American history ranking with the Lewis and Clark expedition and the Apollo landings on the moon. For nearly twenty years Lago has researched the Powell expedition from new angles, traveled to thirteen states and looked into archives and other sources no one else has searched. He has come up with many important new documents that change and expand our basic understanding of the expedition by looking into Powell's crewmembers, some of whom have been almost entirely ignored by Powell historians. Historians tended to assume that Powell was the whole story and that his crewmembers were irrelevant. More seriously, because several crew members made critical comments about Powell and his leadership, historians who admired Powell were eager to ignore and discredit them. Lago offers a feast of new and important material about the river trip and it will significantly rewrite the story of Powell's famous expedition. This book is not only a major work on the Powell expedition but on the history of American exploration of the West.

Strawman Returneth! Lt. Colonel Jefferson Azgard Davis, 2022-05-27 In the year 1900 Colonel Cavendish and his allies came upon a powerful voodoo king from Haiti with strange origins. They called him Strawman due to his evil transformation into a monstrous, huge Voodoo doll. They were not able to kill this evil entity since they could not find and destroy the source of its invincibility. Its captors could only restrain it, hoping it would never be set free. Strawman, once trapped, was frozen in the basement of White Hall Manor in Jamaica in a large metal box. Seventy-five years later the monster escapes. It is 1975 and James Ambrose Sullivan, great grandson of Colonel Cavendish, has become custodian of the family secrets, including Strawman's dangerous legacy. Now Strawman sets out on an insane revenge quest against the man who captured him. Once the monster realizes the year, his immediate quest is to destroy the seed and everything related to the Cavendish family. He travels to St. Louis, Missouri, to fulfill his gruesome revenge. The vile creature returns, but who will stop him this time?
