Prometheus Lucifer

The one who whitewashes the devil, turning it into its resplendent and primogenitary state, the one who dies in oneself, here and now, liberates the chained Prometheus. Thus, Lucifer-Prometheus pays the individual with abundance because he is a colossus with power over the heavens, the earth, and the Infernos. - Samuel Aun Weir

would be like if the superhero kept flickering into his opposite the supervillain Would you be able to follow the story Whom would you be rooting for Wouldn't the plot be all over the place You wouldn't understand anyone's motivation The story would be pure chaos Welcome to the Cosmic Jest Read this book if you don't want the joke to be on you **The Unfolding God of Jung and Milton** James P. Driscoll, 2021-10-21 In this first extensive Jungian treatment of Milton's major poems James P. Driscoll uses archetypal psychology to explore Milton's great themes of God man woman and evil and offers readers deepened understanding of Jung's profound thoughts on Godhead The Father the Son Satan Messiah Samson Adam and Eve gain new dimensions of meaning as their stories become epiphanies of the archetypes of Godhead God and Satan of Paradise Lost are seen as the ego and the shadow of a single unfolding personality whose anima is the Holy Spirit and Milton's muse Samson carries the Yahweh archetype examined by Jung in Answer to Job and Messiah and Satan in Paradise Regained embody the hostile brothers archetype Anima animus and the individuation drive underlie the psychodynamics of Adam and Eve's fall Driscoll draws on his critical acumen and scholarly knowledge of Renaissance literature to shed new light on Jung's psychology of religion The Unfolding God of Jung and Milton illumines Jung's heterodox notion of Godhead as a quaternity rather than a trinity his revolutionary concept of a divine individuation process his radical solution to the problem of evil and his wrestling with the feminine in Godhead The book's glossary of Jungian terms written for literary critics and theologians rather than clinicians is exceptionally detailed and insightful Beyond enriching our understanding of Jung and Milton Driscoll's discussion contributes to theodicy to process theology and to the study of myths and archetypes in literature **Midir and Boann in Ériu-Land** Richard Leviton, 2022-12-30 The truth of Lucifer and Sophia is the world's biggest secret said Joe To get this story right you basically have to retell the history of reality itself That's what Joe Mike and Ronald pals since childhood and now in their late sixties set out to do Lucifer and Sophia were the first two archangels ever created but their reputations today are in ruins or obscurity They want to find out why After much travelling and on site investigation they discover that the true story of these two primary archangels is not what people have thought It is the key that unlocks the purpose and destiny of the Earth The final outcome of humanity is implicated too Many diverse cultures maintain cultural images of these two figures and in many cases their images are positive uplifting even comic This trio of geomorphic researchers take the Greek icon of Prometheus bound on Mount Caucasus for defying Zeus as their rallying point and seek to probe its true meaning Mythic images especially old ones need to be decoded for the modern mind They tend to have layers of meaning and you shortchange yourself if you either dismiss them or take them only on a literal basis You have to jump into them psychically put them on like clothes and get mythopoeic about these old stories Along the way as they visit sites in America the British Isles Japan Uzbekistan Zimbabwe Chile Mexico and other far flung locales they're assisted by angels Ray Masters and the genius loci of the many sites that preserve a myth of these two archangels Foremost among the places visited is Ireland the legendary Emerald Isle and it turns out this island nation anciently called Ériu Land after its presiding
