Lucinda Brayford:

Lucinda Brayford Martin Boyd, 1969 Lucinda Brayford Boyd Martin, 1971 *Australian Classics* Jane Gleeson-White, 2010 What are the classic works of Australian literature And what can they tell us about ourselves and the land we live in Providing a selected overview of Australia s greatest literature Australian Classics is an accessible companion to our literature and a story of writing in Australia from the nineteenth century to the present Australian Class *Martin Boyd* Brenda Niall, 2004-06-15 Martin Boyd was one of the generation whose lives were changed by World War I He served in a British regiment survived the trenches in 1916 17 and joined the Royal Flying Corps The pacifist beliefs which emerged from that war experience are central to his fiction as they were to his life Boyd s was a complex personality witty generous sociable yet deeply reserved He looked for his home of the spirit in many places an Anglican monastery London s West End clubland a Cambridge village and an old family house in Harkaway Victoria and among English expatriates in Rome In a fine study of a man and his work Brenda Niall re creates the Melbourne in which Boyd grew up just before World War I and traces his development as a writer during his restless expatriate years *The Boyds* Brenda Niall, 2007 The Boyd family is Australia s most remarkable artistic dynasty This work traces the emergence of an extraordinary artistic tradition It places the Boyds in their historical and personal contexts tells the interwoven stories of their brilliant careers and analyses the shaping influences on their lives *Lusting for London* P. Morton, 2011-12-05 This book examines the flight of young Australian writers to London in the decades before and after Federation in 1901 Peter Morton studies how their careers were shaped by shifting their country of residence the expatriate experience and how the loss of these expatriates affected the evolving literary culture of Australia **The A to Z of Australian Radio and Television** Albert Moran, Chris Keating, 2009-08-04 Australians have become increasingly visible outside of the country as speakers and actors in radio and television their media moguls have frequently bought up foreign companies and people around the world have been able to enjoy such Australian productions as *The Flying Doctors* *Neighbours* and *Kath and Kim* The origins early development and later adaptations of radio and television show how Australia has gone from being a minor and rather parochial player to being a significant part of the international scene *The A to Z of Australian Radio and Television* provides essential facts and information concerning the Australian radio and television industry This is accomplished through the use of a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on directors producers writers actors television and radio series and television and radio stations **History of the Book in Australia Volume 3** Craig Munro, 2006-07 This new volume in UQP s *History of the Book in Australia* series explores Australian book production and consumption from 1946 to the present day In the immediate postwar era most books were imported into a colonial market dominated by British publishers *Paper Empires* traces this fascinating and volatile half century using wide ranging research oral history and memoir to explore the worlds of book publishing selling and reading After 1945 Australian publishing went

from a handful of fledgling businesses to the billion dollar industry of today with thousands of new titles each year and a vast array of imported books Publishing's postwar expansion began with the baby boom and the increased demand for school texts with independent houses blossoming during the 1960s and 70s followed by the current era dominated by global conglomerates All aspects of print culture are explored from authorship and editing to bookselling libraries and reading habits in the context of today's rapidly changing publishing landscape with its many technological challenges A wide range of expert contributors including book trade practitioners have produced this lively and indispensable account of our vital cultural industry

The Cambridge Companion to Australian Literature Elizabeth Webby, 2000-08-21 An indispensable reference for the study of Australian literature

Media Spectacle and Insurrection, 2011 Douglas Kellner, 2012-11-02 Douglas Kellner elaborates upon his well known theory which explores how media spectacle can be used as a key to interpreting contemporary culture and politics Grounded in both cultural and communication theory Kellner argues that politics war news and information media events like terrorist attacks or royal weddings and now democratic uprisings are currently organized around media spectacles and demonstrates how and why this has occurred Rooting the discussions within key events of 2011 including the war in Libya the Arab Uprisings the wedding of William Windsor to Kate Middleton the killing of Osama bin Laden and the Occupy movements Media Spectacle and Insurrection 2011 makes a highly relevant contribution to the field of media and communication studies It offers a fresh perspective on the theme of contemporary media spectacle and politics by adopting an approach that is based around critical social and cultural theory This series gives students a strong critical grounding from which to examine new media

A Guide to Twentieth Century Literature in English Harry Blamires, 2021-06-23 First published in 1983 A Guide to Twentieth Century Literature in English is a detailed and comprehensive guide containing over 500 entries on individual writers from countries including Africa Australia Canada the Caribbean India Ireland New Zealand Pakistan Sri Lanka and the UK The book contains substantial articles relating to major novelists poets and dramatists of the age as well as a wealth of information on the work of lesser known writers and the part they have played in cultural history It focuses in detail on the character and quality of the literature itself highlighting what is distinctive in the work of the writers being discussed and providing key biographical and contextual details A Guide to Twentieth Century Literature in English is ideal for those with an interest in the twentieth century literary scene and the history of literature more broadly

Australia's Writers and Poets John Miller, 2010-07-30 From the iconic poems of Banjo Paterson to today's international bestsellers by Peter Carey and Patrick White Australian literature has reflected the changes in Australia's national development and today it stands proudly on the world stage At the same time Indigenous writing has come into its own with authors such as Oodgeroo Noonuccal

The A to Z of Australian and New Zealand Cinema Albert Moran, Errol Vieth, 2009-07-21 Whether it was Jane Campion's The Piano Mel Gibson in Mad Max Paul Hogan in Crocodile Dundee or The Lord of the Rings saga we have all experienced the cinema of Australia and New

Zealand This book is an introduction and guide to the film of Australia and New Zealand With entries on many exceptional producers directors writers and actors as well as the films indicated above and many others this reference also presents the early pioneers the film companies and government bodies and much more in its hundreds of cross referenced dictionary entries Through a chronology that shows how far these cinemas have come in a short time and an introduction that presents them more broadly a clear portrait of the two countries motion pictures emerge The bibliography is an excellent source for further reading

A Difficult Young Man: Text Classics Martin Boyd, 2012-04-26 Handsome proud reprehensible misunderstood Dominic Langton is the dark heart of A Difficult Young Man His brother Guy can scarcely understand where he fits into the pattern of things or what he might do next Martin Boyd's much loved novel is an elegant witty and compelling family tale about the contradictions of growing up

Paper Empires Craig Munro, Robyn Sheahan-Bright, 2010-07 This new volume in UQP's History of the Book in Australia series explores Australian book production and consumption from 1946 to the present day In the immediate postwar era most books were imported into a colonial market dominated by British publishers Paper Empires traces this fascinating and volatile half century using wide ranging research

EcCentric Visions Gaile McGregor, 2006-01-01 What this book represents is quite literally a slice of white Australian life By noting the patterns and parallels that emerge in a random sampling of social phenomena of widely varying types from soap operas to political behaviour Gaile McGregor has constructed a model that in its challenge to uniformitarianism is a test case in ethnographic theory Using methods ranging from the hermeneutic through the structuralist to the psychoanalytic McGregor deploys the self evidence of communal life and language to establish not only that all cultural phenomena are patterned but that this patterning is unique to and consistent across the entire system Further it not only influences but constrains the way the Australian conceptualizes codifies and expresses his her existential position Hence the Australian predilection for icons of intermediacy the verandah in architecture the bush in literature the beach in folk culture the middle ground in landscape painting the pub in everyday life This identification with buffer zones between inside and outside not only mimics the Australian's real bracketing between desert and ocean but embodies his her sense of disablement vis vis both culture and nature art and techne super ego and id all of which are coded as feminine

Solid Bluestone Foundations Kathleen Fitzpatrick, 2015-09-08 Hughenden the seaside mansion of Kathleen's grandparents provided the solid bluestone foundations of her somewhat peripatetic youth offering her a haven of emotional security and material abundance The puzzled observations and alert curiosity of a highly intelligent child are vividly recreated in these beautifully written recollections which paint an evocative picture of middle class life in Melbourne in the early years of the twentieth century The divisions between her Catholic and Protestant grandparents and the contrast between the dedicated civil servants on one side of the family and the energetic entrepreneurs on the other are depicted with the sharp eyed acuity of youth Kathleen's mediocre schooling the awakening of her feminist consciousness her discovery at the University of Melbourne of her true vocation as a

historian and her unhappy experiences at Oxford are major themes of her memoir The book is greatly enhanced by Susan Davies Introduction family tree and other materials offering valuable new insights and information for historians those interested in women s lives and scholars of Australian autobiography First time readers as well as those already familiar with Solid Bluestone Foundations will welcome this elegant new edition of Kathleen Fitzpatrick s charming recollection of an Australian childhood

Creating Australian Television Drama Susan Lever,2020-11-13 Television drama has been the dominant form of popular storytelling for more than sixty years shaping the imaginations of millions of people This book surveys the careers of the central creators of those stories for Australian television the writers who learnt how to work in a new medium adapting to its constraints and exploring its creative possibilities Informed by interviews with many writers it describes the establishment of Australian television drama production observing the way writers grasped the creative and business opportunities that television presented It examines the development of Australian versions of the major television genres the sitcom the police drama the historical series docudrama and social drama presenting a canon of significant Australian television drama productions that deserve to be remembered It offers an account of the emergence of work by Indigenous writers for television and it argues for the consideration of television drama alongside histories of Australian film and stage drama For years Susan Lever has been talking to Australia s best television writers about their work their craft and their industry Now it s all here in this book a toast to a vital part of Australian culture Geoffrey Atherden This is a wonderful book Meticulously researched and engagingly written it tells in fascinating detail from the writers points of view the story of Australian scripted television from its beginnings in the 1950 s to the present Better yet Susan Lever has allowed the writers themselves to speak about the work about their visions and processes their joys and frustrations I am delighted to see television drama docudrama and comedy acknowledged so generously for their role in Australian culture Sue Smith

Brilliantly researched lucid comprehensive the big picture on writers for the small screen in Australia Ian David **Who's Who of Twentieth Century Novelists** Tim Woods,2008-02-21 Taking in novelists from all over the globe from the beginning of the century to the present day this is the most comprehensive survey of the leading lights of twentieth century fiction Superb breadth of coverage and over 800 entries by an international team of contributors ensures that this fascinating and wide ranging work of reference will be invaluable to anyone with an interest in modern fiction Authors included range from Joseph Conrad to Albert Camus and Franz Kafka to Chinua Achebe Who s Who of Twentieth Century Novelists gives a superb insight into the richness and diversity of the twentieth century novel

Sand in Our Souls Leone Huntsman,2001 Images of the beach pervade Australian popular culture However the deeper significance of the experience of the beach and its influence on Australian culture generally have not yet been seriously explored How why and when did the beach become part of the Australian way of life In Sand in our Souls Leone Huntsman describes the forces and pressures that encouraged or impeded Australians enjoyment of sand and surf from early enjoyment of bathing through nearly a century of repressive

restrictions to freedom won in the face of drawn out opposition The ways in which artists writers film makers and the advertising industry have depicted the beach are examined for the light they throw on the beach s significance She traces the development of a distinctively Australian way of being at the beach suggesting that the beach experience has been absorbed into our emerging culture and continues to shape it in subtle ways Huntsman s provocative arguments will stimulate debate on the concept of national identity appropriate for a new Australian century and promote a deeper understanding of an aspect of life in Australia that is cherished by many of those who live here
