H. Mackintosh, Volume VI** Charles Henry Mackintosh, Life and Times of David Miscellaneous Writings of C H Mackintosh Volume VI The steps which led to the setting up of a king in Israel are easily traced and easily accounted for by all who have studied with any attention the humbling history of the human heart either as presented in themselves or in others In the opening chapters of 1 Samuel we are furnished with a most instructive and solemn picture of Israel s condition The house of Elkanah is taken up by the sacred penman as a striking illustration of Israel after the flesh and Israel after the Spirit He had two wives the name of the one was Hannah and the name of the other Peninnah and Peninnah had children but Hannah had no children Thus we have in the domestic circle of this Ephrathite the early scenes of Sarah and Hagar enacted over again Hannah was the barren woman and she was made to feel it deeply for her adversary also provoked her sore for to make her fret because the Lord had shut up her womb The barren woman is in Scripture the type of nature s ruined and helpless condition There is no ability to do anything for God no power to bring forth any fruit to Him all is death and barrenness Such is the real condition of every child of Adam He can neither do anything for God nor for himself as regards his eternal destiny He is emphatically without strength he is a dry tree a heath in the desert Such is the lesson taught us by the barren woman However the Lord caused his grace to abound over all Hannah s weakness and need and put a song of praise into her mouth He enabled her to say My horn is exalted in the Lord my mouth is enlarged over mine enemies because I rejoice in Thy salvation It is the Lord s special province to make the barren woman rejoice He alone can say Sing O barren thou that didst not bear break forth into singing and cry aloud thou that didst not travail with child for more are the children of the desolate than the children of the married wife saith the Lord Isa liv 1 Hannah realized this and widowed Israel will ere long realize it also for her Maker is her husband the Lord of Hosts is His name and her Redeemer the Holy One of Israel The beautiful song of Hannah is the soul s thankful acknowledgment of God s actings in reference to Israel The Lord killeth and maketh alive He bringeth down to the grave and bringeth up The Lord maketh poor and maketh rich He bringeth low and lifteth up He raiseth up the poor out of the dust and lifteth up the beggar from the dunghill to set them among princes and to make them inherit the throne of glory All this will be most fully exemplified in Israel in the latter day and it is now exemplified in the person of every one who through grace is raised from his ruined

Jane Carole Anderson, 2005-10 This is a love story between a believer's heart and the great and loving heart of God Journey with the author as God gradually wins her love and as He faithfully carries her through a long dark valley of suffering to a place of peace joy and victory Witness the powerful message of the cross at work in her life and find yourself drawn to the One who suffered and died on the cross for you The background of this story offers a rare look at the inner workings of a controversial church in which the author was persecuted for her personal Christian beliefs It depicts the gradual development of an environment of deception and provides insight into how people seeking God can be caught up in such groups The lessons the author learned the knowledge she gained about Christ and Him crucified and the truth that set her free are invaluable As God's purpose for her life begins to take shape and her tangled experiences begin to make sense a beautiful part of God's masterpiece unfolds one that God has skillfully and patiently crafted You will realize that you too have a unique place and purpose in His universal tapestry one He is waiting to show you *Davidic Millennialism* Jeffrey J.

Richards, 2025-08-26 This book presents a new understanding of the biblical concept of the kingdom of God In particular it gives an alternative to the two contrasting views of the Reformed and Progressive Dispensational understanding of how to interpret the kingdom These two interpretations have been long contested and dispensationalism has undergone dramatic changes concerning the interpretation of key biblical passages especially those pertaining to the covenants in the Old Testament Progressive Dispensationalism is a recent reinterpretation of the classical views of both Scofield and Chafer There is thus a great variance of opinions among three major positions the Reformed the classical and the Progressive Dispensational This book's proposed new position is termed Davidic Millennialism with an interpretation centering on the understanding of the Davidic covenant This book is written for both academics and those who are interested in a more comprehensive understanding of how to interpret current and future events in light of God's activity in the world **Thru**
