Memories Linger On:

Memories Linger on Murt Curran,1977* **Feelings from Deep Within** Irene Booker,2011-05-13 Allow your emotions to run deep in a book of poems Remember your first crush your first love your first kiss your first heartache and your new beginnings Every emotion that you felt thus far has made you wiser Give thanks for your first love give thanks to your pains give thanks for all your blessings and the strength that you have gained It was all a lesson shared through experiences which are expressed in a book of love poems **Hell on Earth** Mel Rolfe,2008-09-22 Twenty true stories of bravery survival and good and bad luck involving Bomber Command during World War II from the author of Flying into Hell In their own words the heroes of Bomber Command tell their harrowing stories It is believed that when Dacey realized the aircraft was on fire he grabbed an extinguisher hurried aft and tried in vain to put out the flames Somehow he became trapped behind the spreading inferno and was unable to return to the cockpit for his parachute Alone with his screams he could do nothing except wait and die as his unsuspecting companions jumped into the cold night It is likely that Dacey was already dead before the Halifax plunged into the ground and blew up atomizing his body We were marched to a deserted and tatty industrial area into a short cu de sac where most of the property was badly damaged A factory wall stood across the bottom and they put us against it A line of a dozen German soldiers stood pavement to pavement rifles against their shoulders A corporal stood near them with his hand up Stan said to me in a low horrified voice They re going to shoot us We could see the Lancaster wing flapping up and down It could have broken off at any time and going through my mind was the thought that it probably would But we pressed on I took a realistic view I knew the chances were against us getting back and this might be the time everything was going to end But I didn t experience fear which interfered with what I had to do

Curry,2010-12-03 The history of the Wisconsin Dells area is as unique as its glacier sculpted landscape It has been a gathering place for tribal councils a vacation spot for enthralled tourists and a stopping point for the raftsmen who might have had a little too much of the Devil s Eyewater brewed by pioneer Robert Allen Local expert Ross M Curry has been chronicling the region from Baraboo to Lyndon for almost sixty years Join him for those chapters of the area s story that he himself has witnessed and then follow him as he hikes back to a time before the Kilbourn Dam when towns were lit by gaslight justice might be enforced by duels or necktie parties and hardships had to be outlasted by tightknit families with unshakable faith and their own butter churns **Amending the Older Americans Act of 1965** United States. Congress. Senate. Committee on Labor and Public Welfare.
