*Male to Male* Edward Tejerian, 2013-04-03 Explore the feelings of men toward other men without the pigeonholing found in terms like gay and straight Male to Male Sexual Feeling Across the Boundaries of Identity starts with the evidence that most studies on male sexuality have ignored the same sex feelings of men whose identities are heterosexual Of the more than fifty men in this book almost half were aware of some degree of same sex feeling But beyond percentages the primary focus of Male to Male is the exploration through their own words of how these men experienced same sex feelings what these feelings meant to them the fears surrounding them and the consequences of the collision between their heterosexual identities and their same sex feelings In addition to comparative data on women's same sex feelings as well as on what men say in regard to their feelings about women Male to Male includes material from two in depth case studies The first is on Clark an African American man who moved into sex with men in prison His story shows that the need to see gay men as feminine is really a cultural defense against the powerful pull toward the male to male bond and points to the movement to fulfill that bond when this defense is dropped The second is on Zack a gay police officer His story explores the different dimensions and meanings of the male to male bond as these unfolded in his own life while telling about the heterosexually identified men who came out to him about their own same sex feelings Male to Male will help you explore same sex feelings in heterosexual men and women same sex feelings in the military prison culture and the heterosexual role the fear of domination the aesthetics of fear and power the dynamics of rape compassionate relationships between heterosexual identified men and much more Male to Male provides evidence showing that the identity that really counts constituting the deepest source from which men's sexual feelings for each other spring is not specifically a gay or heterosexual identity That source is rather a male identity and beyond that a human identity

**A Sexual Odyssey** Kenneth E. Maxwell, 2013-11-11 The Brave New World of Sex We've seen in less than a generation a swift revolution in human sexual behavior attitude and consequences so dramatic that some people are left in a state of stunned dismay and the public at large in aimless confusion Much of the trend if you can call a revolution a trend is fueled by or at least made possible by technological innovations dating back to the middle of the twentieth century The birth control pill opened the gate to promiscuity with little fear of pregnancy marriage became an annoyance divorce became an opportunity two working parents became a necessity and teenage sex became nearly as socially acceptable as holding hands or going to the movies The copulation explosion resulted in a spiraling epidemic of children giving birth to children many of them on welfare Girls

seeking relief through abortions were sometimes forced to have their unwanted offspring despite the inevitability of some of them living in poverty and a desperate dead end environment of squalor and crime Some misguidedly wanted babies and ended up the same way To top it all discipline 2 A Sexual Odyssey became a lost art leaving schools and neighborhoods infested with gun toting knife wielding teenage delinquents even in middle class areas who engaged in contests to see who could get the most girls knocked up The chaotic state of fornication mating and birthing may be a throwback to the past

*Learning to Fly* April Henry, 2002-05-07 The chaotic scene of a huge chain reaction car accident leaves Free Maker in possession of a bag of money and a dead hitchhiker in the passenger seat But when the owner of the money realizes that it didn't burn up in the fire things get complicated

**English Linguistics Meets the 21st Century**, 2024-11-19 English linguistics is the scientific study of the English language encompassing its structure use and evolution The most traditional branches of study are phonetics and phonology morphology syntax and semantics They have roots in the broader field of general linguistics which seeks to understand the fundamental principles underlying all human languages However the study of English has always held a particular significance due to its widespread influence and the vast number of dialects and variations it exhibits

*Racialized Politics of Desire in Personal Ads* Neal A. Lester, Maureen Daly Goggin, 2007-01-01 The essays in *Racialized Politics of Desire in Personal Ads* explore complex intersections among the social categories of race gender and sexuality within personal ads revealing a dynamic tapestry of power relations and hierarchies The ephemeral nature of personal ads their anonymity the space limitations and the linguistic encoding characteristic of the genre make it an interesting and important opportunity to witness the performative nature of identity politics

Visibility Interrupted Carly Thomsen, 2021-07-27 A questioning of the belief in the power of LGBTQ visibility through the lives of queer women in the rural Midwest Today most LGBTQ rights supporters take for granted the virtue of being out loud and proud Most also assume that it would be terrible to be LGBTQ in a rural place By considering moments in which queerness and rurality come into contact *Visibility Interrupted* argues that both positions are wrong In the first monograph on LGBTQ women in the rural Midwest Carly Thomsen deconstructs the image of the rural as a flat homogenous and anachronistic place where LGBTQ people necessarily suffer And she suggests that visibility is not liberation and will not lead to liberation Far from being an unambiguous good argues Thomsen visibility politics can in fact preclude collective action They also advance metronormativity postraciality and capitalism To make these interventions Thomsen develops the theory of unbecoming interrogating the relationship between that which we celebrate and that which we find disdainful the past the rural politics is crucial for developing alternative subjectivities and politics Unbecoming precedes becoming Drawing from critical race studies disability studies and queer Marxism in addition to feminist and queer studies the insights of this book will be useful to scholars theorizing issues far beyond sexuality and place and to social justice activists who want to move beyond visibility

**Relaciones** Alastair Macleod, 2014-11-19 Granada 2006 Madrilena sighed and breathed in the evening air As she did

some of the emotion of the discussion with Arancia evaporated She could hear her tidying and washing up in the kitchen Arancia would be gone soon she could feel that She and Tomas had got engaged a month ago Was it that which had spurred on this internet thing was it that simple She leaned on the iron balustrade People were beginning to fill the street again after siesta Snatches of conversations wafted up with other sounds footsteps *A Multitude of Sins* Richard Ford,2010-09-03 Only a storyteller as agile as Richard Ford could produce stories so rich and diverse on a single grand theme love intimacy and their dramatic failures With felicity humour insight and painful candour *A Multitude of Sins* exposes our failure to be sincere empathetic patient honest passionate ultimately to be loving to those we desire or should merely care for In this fine collection human relations indeed our entire sense of right and wrong are put into vivid and unforgettable play Innocent 3: Brandy L. A. Zoe, Brandy craves a dramatic overwhelming world shaking burning hot romance not a bank teller She likes co worker Derron but can't see him as a serious romantic partner until she discovers he has a secret life as a poet Yet he refuses to trade his boring job for the exciting life of a poet He wants a comfortable lifestyle and to support his daughter He enjoys being boringly responsible and hard working Brandy's friend Melinda wants to initiate Brandy into her world of wild orgies Brandy and Derron can't deny their passion for each other So Brandy discovers passion can burn as well as exhilarate
