Recommends: Orthodoxy G K Chesterton, 2012-08-16 Why anyone would pick up a book with that formidable title eludes me writes Philip Yancey of G K Chesterton s Orthodoxy But one day I did so and my faith has never recovered I was experiencing a time of spiritual dryness in which everything seemed stale warmed over lifeless Orthodoxy brought freshness and above all a new spirit of adventure We direly need another Chesterton today I think In a time when culture and faith have drifted even further apart we could use his brilliance his entertaining style and above all his generous and joyful spirit He managed to propound the Christian faith with as much wit good humour and sheer intellectual force as anyone in this century Since its first publication in 1908 this classic work has represented a pivotal step in the adoption of a credible faith by many other Christian thinkers including C S Lewis Written as a spiritual autobiography it stands as a remarkable and inspirational apologetic for Christianity **Orthodoxy** G. K. Chesterton, 2018-10-11 Orthodoxy is a book by G K Chesterton that has become a classic of Christian apologetics In the book s preface Chesterton states the purpose is to attempt an explanation not of whether the Christian faith can be believed but of how he personally has come to believe it In it Chesterton presents an original view of Christian religion He sees it as the answer to natural human needs the answer to a riddle in his own words and not simply as an arbitrary truth received from somewhere outside the boundaries of human experience
