My Bible Is Jesus:

Is Your Jesus the Bible Jesus? Marie York, 2012-05 Have you ever felt that something is just not as it ought to be in Christianity today Yet you're afraid to give voice to the feeling You wonder Would saying so be speaking against God Don't be afraid In God's Word Old Testament and New whenever things got off the track God Himself was the first one to say so That's the only way God can keep the Church clean by exposing the problem and then giving the remedy A great example of this is found in the seven letters to the Asian congregations recorded in Revelation 2 and 3 This book is an exposé of modern Christendom's getting off the track a clear description of just what the track is and how believers can get back on it It also shows how failing to do so will result in eternal loss Don't be afraid to examine your faith Jesus actually commands us to do so Embark on the brave Bible adventure of making your calling and election sure You'll be glad you did **The Bible Jesus**

Read Philip Yancey, 2010-05-18 Take a pilgrimage through some of the most challenging and rewarding parts of the Old Testament with bestselling author Philip Yancey Because it is often daunting many Christians approach Old Testament carefully Or avoid it altogether But each of the books of the Old Testament the Bible Jesus read contains an essential part of the story of grace The more we comprehend the Old Testament Yancey writes the more we comprehend Jesus In The Bible Jesus Read Yancey challenges the perception that the New Testament is more important than the Old Writing with keen insight into the human condition and God's provision for it he sets off on a personal journey through the parts we most like to keep at arm's length Job Deuteronomy Psalms Ecclesiastes and the Prophets and he asks us to bring our own questions concerns and our openness to the wonders of God We may discover that this set of writings that comprise the Old Testament is at once as mystifying and strangely satisfying as life itself that it's worth the effort it takes to read and wrestle with Because reading the Scriptures that Jesus so revered gives us a profound new understanding of Christ the Cornerstone of the new covenant **The Bible, Jesus, and the Jews** Gabriel Monheim, 2022-12-06 This concise and accessible theological

study examines what the Bible really says about the relationship between Jesus and the Jews In this fascinating analysis Bible scholar and Christian individualist Gabriel Monheim brings his learned and objective approach to his subject shedding light on both the word of God and its various interpretations Monheim puts biblical text in conversation with accepted religious doctrine and traditional teachings In clear textual argumentation he reveals that many denominations contain unbiblical and even antisemitic teachings in their theology concerning the people of Israel All the Messianic Prophecies of the Bible

Herbert Lockyer, 1988-09-30 This compendium of all the prophecies in Scripture concerns the promised Messiah Dr Lockyer's discussion is divided into two sections Specific Messianic Prophecies and Symbolic Messianic Prophecies **The**

^AOxford Handbook of the Bible and American Popular Culture Dan W. Clanton, Jr., Terry R. Clark, 2020-11-24 The study of the reciprocal relationship between the Bible and popular culture has blossomed in the past few decades The Oxford Handbook of the Bible and American Popular Culture assesses the current state of the field offers examples of work in that

field and suggests future directions for further study *Confidence in Christ* Mike Bradfield,2018-05-24 Has science proven that the Bible is an archaic artifact and that Darwin revealed the origin of life Not so In fact recent developments in a wide range of sciences such as physics astronomy archaeology and human genome DNA studies continue to reveal that what the Bible has been saying all along and all alone is exactly correct As scientific discoveries have been exploding over the last several decades the evidence supporting the Bible and the Christian faith is exploding right in step with these new findings The closer science draws to the ultimate truth the closer it draws to the Bible and to revealing just how correct the Bible is concerning the origin of the universe life and the historicity of Jesus Christ In *Confidence in Christ* author and engineer Mike Bradfield starts at the beginning of time and proceeds chronologically pointing out exciting scientific evidence to support the Christian faith The easy to understand format addresses a number of questions How did the universe begin Does the big bang theory eliminate God Did God really create the entire universe in six literal days How did life begin How do dinosaurs fit in the biblical timescale Did we evolve from apes and what are human genome studies revealing Is humankind millions or thousands of years old Is there credible evidence outside the Bible for Jesus Is Jesus really the prophesied Christ The eye opening evidence in *Confidence in Christ* should cause you to pause rethink and reaffirm your views of the validity of the Christian faith **A New Comprehensive Dictionary of the Bible** Selah Merrill,1922 **The Biblical Doctrine of Christ** Artusard Renault,2023-08-08 This book reveals the true genuine Doctrine of Christ or the Doktrina Kristiana constituting two catechistic books that was introduced to the islands of the Philippines during the 16th century It was the first book of Spanish origin that was printed in 1593 by the sponsorship of Governor General Gomez Perez Dasmarinas Catechism was taught to the early Catholics until the modern times however a counter part of this version today is the true Doctrine of Christianity that was written by the early prophets and disciples of Christ followed by the disciple Paul and taught to the Christians who believed and followed Jesus Christ The teachings of Christ are far more different from the first two books of the Doctrine of Christ published in 1593 which dealt more on catechism In the Doctrine of Christ taught by the early disciples In this book there are many things that we should learn about the do s and don ts that must be obeyed by the believers example is the food that we should eat and those that will violate the law like avoid eating blood of animals and animals that were strangled the manner of dressing of man and woman the correct way of giving and not the law on tithing way of worshipping God the nature and distinctions of Gods and many topics relating to salvation *Treasures of the Bible* Henry Davenport Northrop,1894 *One Hundred Named Women of the Bible* Verneva Goss White,2015-12-03 One Hundred Named Women of the Bible is a walk through the Bible from beginning to end highlighting the lives and experiences of women as the major characters It may appeal to the beginning Bible student as well as those with more advanced expectations From the lives of these women we glean lessons in love and hate victory and defeat grief and gladness courage and fear and faith and forgiveness We see a progression in opportunities from women being allowed to say very little in the

beginning to being able to make major decisions in the end In the Old Testament the first woman Eve introduced the world to sin in the New Testament another woman Mary presents the world with a Savior What a contrast *How to Read the Bible Without Losing Your Mind* Kent Blevins,2014-03-10 Does reading the Bible sometimes leave you confused Do you have difficulty seeing the relevance of the Bible to modern concerns or to important issues in your life Do you believe Bible reading and intellectual inquiry are mutually exclusive This book explores how the Bible can serve as a resource for discovering truth It provides a method that accepts and incorporates the knowledge gained from modern scholarship while also recognizing that truth discovery is a personal multifaceted journey It honors the integrity of Scripture while remaining open to insight from additional truth sources In exploring what we mean when we speak of the Bible s authority it is honest about the challenges presented to modern readers by the cultural chasm separating the biblical writers from today s world How to Read the Bible Without Losing Your Mind shows how the Bible can be read with full engagement of both mind and heart **The Bible Text Cyclopedia** James Inglis,1878 *Biblical Roots of Mormonism: Over 1000 scriptures Refernced from the bible* Eric Shuster,Chuck Sale,2023-03-22 Last year Eric Shuster wrote Catholic Roots Mormon Harvest about his conversion from Catholicism to Mormonism Now he and coauthor Charles Sale bring us The Biblical Roots of Mormonism a discovery of Mormon doctrines as they are revealed in the Bible Each chapter delves into a specific belief such as the Godhead premortal life and revelation Quoting hundreds of Old and New Testament passages the authors show how the Bible alone can sustain Mormon theology and practice This incredibly well researched guide provides fresh insights about the Bible as each page reveals a new connection to the Mormon beliefs Perfect for believers investigators and skeptics alike this book will inspire and astonish as it lays out the biblical foundation of Mormonism **The Systematic Bible teacher , Echoes of the Bible. Christ and Christianity. Vol. 2. Jan-Nov. 1872** Francis Pinney,1872 **Jesus's God And Father** James Masterson,2023-07-12 This book is about choosing to be right by Jesus not to withdraw from bits and pieces of the Bible that could eventually lead to one cancelling Jesus altogether in their mind I m a firm believer in Jesus Christ the biblical Jesus and not man s idea of who they think He is In this book I highlight the difference between the two No one has taught us more about life than Jesus There s no better feeling than when walking away from a conversation knowing you did right by Jesus **The Biblical Jesus** Dr John McElhaney,2019-05-15 If you ask people What they believe Jesus is like you would get many different discerptions some would describe him as what they have seen from movies TV or some other media Others would give you the description they have heard in Sunday School or Church Others will give you a description that they have created in their own mind of what they want Jesus to be like Probably none would be biblical Jesus is God he is creator and sustainer of the universe He has always existed and always will He came to earth to die on the cross for our sin He was buried rose again from the dead went back to heaven sat down at the right hand of the father on the throne and is waiting to come back to earth to get his Church Jesus is also Judge He will judge the believers at the judgment seat and he will judge

the unbelievers at the great white throne judgment He will save everyone who will come to him and he will cast everyone in the lake of fire who don t believe on him Jesus is the only way to heaven **Eerdmans Commentary on the Bible** James D. G. Dunn, John William Rogerson, 2003-11-19 2ND COPY AVAILABLE FOR LOAN **The Bible Exposition Commentary** Warren W. Wiersbe, 2003 Volume 6 of the Bible Exposition Commentary 6 volume set **The Bible's Tare and Blind Spot** Steven Iruthaya, 2012-08 For many of us theology rather than the Bible itself comprises our knowledge of God This knowledge however is a gift from the Holy Spirit In order to find it we must allow the Holy Spirit to direct us when we read the Bible instead of relying upon theologians interpretations The Bible s Tare and Blind Spot takes a hard look at the diverse complex and sometimes incompatible beliefs of various Christian groups Author Steven Iruthaya shares how portions of the Church have misrepresented and misapplied the teachings in the Scriptures over the past two thousand years Through analysis he contends that religious leaders have agendas that they do not always make clear Iruthaya raises a number of significant issues that have caused discussions and controversies throughout the history of the church He briefly explores early middle and modern Christianity s doctrines and then focuses on pertinent topics such as the Holy Spirit the life of Jesus the Ten Commandments and more His conclusions are challenging and for some perhaps provocative An informative treatise on Christianity The Bible s Tare and Blind Spot calls Christians to challenge their long held assumptions and in doing so find greater faith
