Problem Of Democracy In Cuba Between Vision And Reality:

Social Sciences Katherine D. McCann, 2000-12-01 Beginning with volume 41 1979 the University of Texas Press became the publisher of the Handbook of Latin American Studies the most comprehensive annual bibliography in the field Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines the Handbook alternates from year to year between social sciences and humanities The Handbook annotates works on Mexico Central America the Caribbean and the Guianas Spanish South America and Brazil as well as materials covering Latin America as a whole Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas The Handbook of Latin American Studies is the oldest continuing reference work in the field Katherine D McCann is acting editor for this volume The subject categories for Volume 57 are as follows Electronic Resources for the Social Sciences Anthropology Economics Geography Government and Politics International Relations Sociology The Problem of Democracy in Cuba Carollee Bengelsdorf, 1994 A belated but nonetheless very good effort to explore the irreconcilable tension between democracy and authoritarian paternalist socialism in revolutionary Cuba Informed by critical Marxism book challenges the notion that Cuba is an excellent case of direct democracy laying responsibility for the absence of freedom and accountability squarely on Castro's dictatorial vocation and the Communist party's hegemony In a surprising departure author concludes that to the degree the Cuban leadership continues to insist upon defining the boundaries of civil society it must in the end fail p 178 Handbook of Latin American Studies v 57 The Subject of Revolution Jennifer L. Lambe, 2024-08-27 From television to travel bans geopolitics to popular dance The Subject of Revolution explores how knowledge about the 1959 Cuban Revolution was produced and how the Revolution in turn shaped new worldviews Drawing on sources from over twenty archives as well as film music theater and material culture this book traces the consolidation of the Revolution over two decades in the interface between political and popular culture The subject of Revolution it proposes should be understood as the evolving synthesis of the imaginaries constructed by its many subjects including revolutionary leaders activists academics and ordinary people within and beyond the island's borders The book reopens some of the questions that have long animated debates about Cuba from the relationship between populace and leadership to the archive and its limits while foregrounding the construction of popular understandings It argues that the politicization of everyday life was an inescapable effect of the revolutionary process as well as the catalyst for new ways of knowing and being Culture and the Cuban State Yvon Grenier, 2017-11-08 Culture and the Cuban State examines the politics of culture in communist Cuba It focuses on cultural policy censorship and the political participation of artists writers and academics such as Tania Bruguera Jes's D az Rafael Hernández Kcho Reynier Leyva Novo Leonardo Padura and Jos Toirac The cultural field is important for the reproduction of the regime in place given its pretense and ambition to be eternally revolutionary and to lead a genuine cultural revolution Cultural actors must be mobilized and

handled with care given their presumed disposition to speak their mind and to cherish their autonomy This book argues that cultural actors also seek recognition by the main for a long time the only sponsor and patron of the art in Cuba the curator state The curator state is also a gatekeeper state arbitrarily and selectively opening and closing the space for public expression and for access to foreign currencies and the global market The time when everything was either mandatory or forbidden is over in Cuba The regime seems to have learned from egregious mistakes that led to a massive exodus of artists writers and academics In a country where things change so everything could stay the same the controlled opening in the cultural field playing on the actors ambition and fear illuminates a broader phenomenon the evolving rules of the political game in the longest standing dictatorship of the hemisphere 1994 Massimo Mastrogregori,2013-05-08 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors **A History of the Cuban Revolution** Aviva Chomsky,2015-04-20 A fully revised and updated new edition of a concise and insightful socio historical analysis of the Cuban revolution and the course it took over five and a half decades Now available in a fully revised second edition including new material to add to the book s coverage of Cuba over the past decade under Raul Castro All of the existing chapters have been updated to reflect recent scholarship Balances social and historical insight into the revolution with economic and political analysis extending into the twenty first century Juxtaposes U S and Cuban perspectives on the historical impact of the revolution engaging and debunking the myths and preconceptions surrounding one of the most formative political events of the twentieth century Incorporates more student friendly features such as a timeline and glossary *Laboring for the State* Rachel Hynson,2020-01-23 The Cuban revolutionary government engaged in social engineering to redefine the nuclear family and organize citizens to serve the state Women & Guerrilla Movements Karen Kampwirth,2010-11 The revolutionary movements that emerged frequently in Latin America over the past century promoted goals that included overturning dictatorships confronting economic inequalities and creating what Cuban revolutionary hero Che Guevara called the new man But in fact many of the new men who participated in these movements were not men Thousands of them were women This book aims to show why a full understanding of revolutions needs to take account of gender Karen Kampwirth writes here about the women who joined the revolutionary movements in Nicaragua El Salvador and the Mexican state of Chiapas about how they became guerrillas and how that experience changed their lives In the last chapter she compares what happened in these countries with Cuba in the 1950s where few women participated in the guerrilla struggle Drawing on more than two hundred interviews Kampwirth examines the political structural ideological and personal factors that allowed many women to escape from the constraints of their traditional roles and led some to

participate in guerrilla activities Her emphasis on the experiences of revolutionaries adds a new dimension to the study of revolution which has focused mainly on explaining how states are overthrown **Leadership in the Cuban Revolution** Antoni Kapcia,2014-09-11 Most conventional readings of the Cuban Revolution have seemed mesmerised by the personality and role of Fidel Castro often missing a deeper political understanding of the Revolution s underlying structures bases of popular loyalty and ethos of participation In this ground breaking work Antoni Kapcia focuses instead on a wider cast of characters Along with the more obvious albeit often misunderstood contributions from Che Guevara and Ra l Castro Kapcia looks at the many others who over the decades have been involved in decision making and have often made a significant difference He interprets their various roles within a wider process of nation building demonstrating that Cuba has undergone an unusual if not unique process of change Essential reading for anyone interested in Cuba s history and its future **Daughters of**

Caliban Consuelo López Springfield,1997 Essays by leading Caribbean scholars explore the shifting boundaries between public and private life cross culturally Daughters of Caliban demonstrates how gender race ethnicity and class shape human experience and interpersonal relationships in increasingly global societies The volume examines Caribbean women and women s studies women and work women law and political change women and health and women and popular culture

Dancing with the Revolution Elizabeth B. Schwall,2021-04-06 Elizabeth B Schwall aligns culture and politics by focusing on an art form that became a darling of the Cuban revolution dance In this history of staged performance in ballet modern dance and folkloric dance Schwall analyzes how and why dance artists interacted with republican and later revolutionary politics Drawing on written and visual archives including intriguing exchanges between dancers and bureaucrats Schwall argues that Cuban dancers used their bodies and ephemeral nonverbal choreography to support and critique political regimes and cultural biases As esteemed artists Cuban dancers exercised considerable power and influence They often used their art to posit more radical notions of social justice than political leaders were able or willing to implement After 1959 while generally promoting revolutionary projects like mass education and internationalist solidarity they also took risks by challenging racial prejudice gender norms and censorship all of which could affect dancers personally On a broader level Schwall shows that dance too often overlooked in histories of Latin America and the Caribbean provides fresh perspectives on what it means for people and nations to move through the world **Reyita** María de los Reyes Castillo Bueno,Daisy Rubiera Castillo,2000 Assisted by her daughter Daisy Rubiera Castillo the author recounts her life as a black woman struggling with prejudice and change in Cuba over the span of 90 years Known as Reyita Maria de Los Reyes Castillo Bueno starts her story with the abduction of her grandmother by slave traders and shares her own experiences as a mother laborer and revolutionary **Cuban Youth and Revolutionary Values** Denise F. Blum,2011-01-15 Drawing on extensive fieldwork in Havana s secondary schools Cuban Youth and Revolutionary Values is a remarkable ethnography charting the government s attempts to transform a future generation of citizens While Cuba s high literacy rate is often lauded the little known

dropout rates among teenagers receive less scrutiny In vivid succinct reporting educational anthropologist Denise Blum now shares her findings regarding this overlooked aspect of the Castro legacy Despite the fact that primary school enrollment rates exceed those of the United States the reverse is true for the crucial years between elementary school and college After providing a history of Fidel Castro's educational revolution begun in 1953 Denise Blum delivers a close examination of the effects of the program which was designed to produce a society motivated by benevolence rather than materialism Exploring pioneering pedagogy the notion of civic education and the rural components of the program Cuban Youth and Revolutionary Values brims with surprising findings about one of the most intriguing social experiments in recent history *Handbook on Cuban History, Literature, and the Arts* Mauricio A. Font, Araceli Tinajero, 2016-03-02 First Published in 2016 If scholarship on Cuban studies after the 1959 revolution focused on the historical and cultural aspects of the construction of a socialist order the post 1989 crisis of socialism in Central and Eastern Europe raised questions about the island's state as a socialist model The scholarly gaze gradually began to focus on possibilities for alternative transformations at various levels of social life rather than on the deepening of traditional twentieth century state socialism This volume explores the newly emergent themes and debates about Cuban society and history

The Low-Carbon Contradiction Gustav Cederlof, 2023-09-19 In the pursuit of socialism Cuba became Latin America's most oil dependent economy When the Soviet Union collapsed the country lost 86 percent of its crude oil supplies resulting in a severe energy crisis In the face of this shock Cuba started to develop a low carbon economy based on economic and social reform rather than high tech innovation The Low Carbon Contradiction examines this period of rapid low carbon energy transition which many have described as a Cuban miracle or even a real life case of successful degrowth Working with original research from inside households workplaces universities and government offices Gustav Cederlof retells the history of the Cuban Revolution as one of profound environmental and infrastructural change In doing so he opens up new questions about energy transitions their politics and the conditions of a socially just low carbon future The Cuban experience shows how a society can transform itself while rapidly cutting carbon emissions in the search for sustainability

Women's Movements in International Perspective M. Molyneux, 2016-01-28 The analysis of gender and political inequality and the women's movements that have contested it has concentrated on the West In this wide ranging reevaluation incorporating development studies and political sociology Maxine Molyneux redresses this balance by analysing Latin American women's movements within liberal authoritarian and revolutionary states These studies of Argentina Nicaragua and Cuba alongside comparative discussions of socialism women's movements and citizenship examine the complex and persistent interaction of states and women's movements and the diversity of responses engendered

Reinventing Revolution Edward J Mccaughan, 2019-05-20 Based on in depth interviews with seventy four intellectuals of the lefts in Cuba and Mexico Reinventing Revolution explores the rapidly changing thinking of progressives on the big and enduring questions of democracy economic alternatives and national sovereignty Offering a unique world systems

perspective on the sociology of intellectuals and Fidel Castro Volker Skierka, 2014-09-04 Fidel Castro is one of the most interesting and controversial personalities of our time he has become a myth and an icon He was the first Cuban Caudillo the man who freed his country from dependence on the USA and who lead his people to rediscover their national identity and pride Castro has outlived generations of American presidents and Soviet leaders He has survived countless assassination attempts by the CIA the Mafia and Cubans living in exile He has become one of the greatest politicians of the 20th Century His biography and the history of his country exemplify the tensions between East and West North and South rich and poor As Castro s life draws to a close the question as to what will become of Cuba is more important that ever Will Castro open Cuba to economic reform and democratization or stick to his old slogan socialism or death In this remarkable up to date reconstruction of Castro s life Volker Skierka addresses these questions and provides an account of the economic social and political history of Cuba since Castro s childhood He draws on a number of little known sources including material from the East German communist archives on Cuba which were until recently inaccessible This is an exciting painstakingly researched and authortiative account of the life of one of the most extraordinary political figures of our time *Defiant Dictatorships* P. Brooker, 1997-09-30 Why did some Communist and Middle Eastern dictatorships those in China Vietnam North Korea Cuba Syria Iraq Libya and Iran remained defiantly stable during the onset of a democratic age in the 1980s and early 1990s The book offers an explanation based upon external relations the regimes defiance of external military or political foes and then searches for alternative or supplementary explanations by examining the changes that occurred in these dictatorships political structures ideologies and economic policies during 1980-94 **Rethinking Revolution** Dan Connell, 2001 Rethinking Revolution brings to life the spirited and often contentious debates among frontline activists over how to unify and transform their societies toward greater economic social and political equality Looking at the most dynamic new social movements in several countries Connell examines how these groups are challenging and enriching strategic vision of leading political parties even as they redefine the nature of power and the struggle to achieve it A bold and provocative analysis Howard Zinn Thoughtful often brilliant Margaret Randall

Problem Of Democracy In Cuba Between Vision And Reality Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Problem Of Democracy In Cuba Between Vision And Reality free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Problem Of Democracy In Cuba Between Vision And Reality free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Problem Of Democracy In Cuba Between Vision And Reality free PDF files is convenient, its important to note that copyright laws

must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Problem Of Democracy In Cuba Between Vision And Reality. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Problem Of Democracy In Cuba Between Vision And Reality any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Problem Of Democracy In Cuba Between Vision And Reality Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Problem Of Democracy In Cuba Between Vision And Reality is one of the best books in our library for free trial. We provide a copy of Problem Of Democracy In Cuba Between Vision And Reality in digital format, so the resources that you find are reliable. There are also many eBooks related to Problem Of Democracy In Cuba Between Vision And Reality. Where to download Problem Of Democracy In Cuba Between Vision And Reality online for free? Are you looking for Problem Of Democracy In Cuba Between Vision And Reality PDF? This is definitely going to save you time and cash in something you should think about.
