Problem Of God In Philosophy Of Religion

James A. Keller

Problem Of God In Philosophy Of Religion:

The Problem of God in Philosophy of Religion Henry Duméry,1964 The Problem of God in Philosophy of Religion Henry Duméry,1969 *The problem of God in philosophy of religion* Henry Duméry,1964 The Problem of God in Modern Thought Philip Clayton,2000 It is widely believed that modern philosophers have dismissed the idea of God and opted instead for a secular humanism Challenging these stereotypes through a careful study of major philosophical texts written since the Enlightenment Philip Clayton shows how the main thinkers of the modern period have continued to wrestle with the problem of God and to make proposals for understanding the divine Following up on his award winning book *God and Contemporary Science* Clayton here explores the constructive resources that modern thought offers to those struggling with the notion of God as infinite and perfect He finds in the narrative of modern thought about God strong support for panentheism the new theological movement that maintains the transcendence of God while denying the separation of God and the world

Christian Philosophy and the Problem of God Charles Taliaferro,2023-07-06 Questions are raised about Christian philosophy and God Is Christian philosophy truly philosophical Is it Biblical Is it capable of addressing God a profoundly transcendent being Does appealing to a God s eye point of view make sense Can Christian philosophy respect religious diversity While the integrity of Christian philosophy is defended questions are raised about its relationship to the overall practice of philosophy Christian philosophers value drawing others to Christian faith Are Christian apologetics compatible with philosophy This Element concludes with reflection on when it may be philosophically acceptable to appeal to mystery

Reason and the Question of God Richard Schaeffler,1999 A masterful presentation of the basic themes of the philosophy of religion and the various philosophical approaches to the question of religion **This is Philosophy of Religion** Neil A. Manson,2021-03-23 A reader friendly introduction to the essential concepts theories and questions in analytic philosophy of religion Does God exist If so what is God s relationship to us Do we have free will This is Philosophy of Religion surveys foundational topics in the philosophy of religion using a clear and accessible style Straightforward and easy to comprehend for those with no prior philosophical background this engaging introduction familiarizes readers with the vocabulary methods and major concepts in the philosophy of religion and invites them to think through questions which arise in the intersection of philosophy theology and religious studies Part of the popular This is Philosophy series this book applies the basic investigative methods of philosophy to questions of religion faith and morality Chapters offer a framework for thinking about religion present arguments for and against the existence of God discuss religious diversity consider the intellectual co existence of faith and reason and examine different theories about why people are religious Examples and illustrations taken from popular culture reinforce the subject s contemporary relevance and are complemented by a wealth of online resources for instructors on the This is Philosophy series site that encourage further reading and strengthen student comprehension of key concepts A dependable introduction to the philosophy of religion This is Philosophy of Religion is an ideal gateway to the

discipline for readers who want to engage with questions about religion and contemplate the philosophical implications of religious belief

God & Philosophy Antony Flew, 1969

The Hiddenness Argument J. L. Schellenberg, 2015-07-02

In many places and times and for many people God's existence has been rather less than a clear fact. According to the hiddenness argument, this is actually a reason to suppose that it is not a fact at all. The hiddenness argument is a new argument for atheism that has come to prominence in philosophy over the past two decades. J. L. Schellenberg first developed the argument in 1993 and this book offers a short and vigorous statement of its central claims and ideas. Logically sharp but so clear that anyone can understand, the book addresses little-discussed issues such as why it took so long for hiddenness reasoning to emerge in philosophy and how the hiddenness problem is distinct from the problem of evil. It concludes with the fascinating thought that retiring the last of the personal gods might leave us nearer the beginning of religion than the end. Though an atheist, Schellenberg writes sensitively and with a nuanced insider's grasp of the religious life. Pertinent aspects of his experience as a believer and as a nonbeliever and of his own engagement with hiddenness issues are included. Set in this personal context and against an authoritative background on relevant logical, conceptual, and historical matters, *The Hiddenness Argument*'s careful but provocative reasoning makes crystal clear just what this new argument is and why it matters.

Problems of Evil and the Power of God James A. Keller, 2007

Why do bad things happen even to good people? If there is a God, why aren't God's existence and God's will for humans more apparent? And if God really does miracles for some people, why not for others? This book examines these three problems of evil, suffering, divine hiddenness, and unfairness if miracles happen as believers claim to explore how different ideas of God's power relate to the problem of evil.

The Severity of God Paul K. Moser, 2013-02-14

This book explores the role of divine severity in the character and wisdom of God and the flux and difficulties of human life in relation to divine salvation. Much has been written on problems of evil, but the matter of divine severity has received relatively little attention. Paul K. Moser discusses the function of philosophy, evidence, and miracles in approaching God. He argues that if God's aim is to extend without coercion His lasting life to humans, then commitment to that goal could manifest itself in making human life severe for the sake of encouraging humans to enter into that cooperative good life. In this scenario, divine agape is conferred as a free gift, but the human reception of it includes stress and struggle in the face of conflicting powers and priorities. Moser's work will be of great interest to students of the philosophy of religion and theology.

The Problem of God Edgar Sheffield Brightman, 1930

Beyond the Control of God? Paul Gould, 2014-03-27

The question of God's relationship to abstract objects touches on a number of perennial concerns related to the nature of God. God is typically thought to be an independent and self-sufficient being. Further, God is typically thought to be supremely sovereign such that all reality distinct from God is dependent on God's creative and sustaining activity. However, the view that there are abstract objects seems to be a repudiation of this traditional understanding of God. Abstract objects are typically thought to exist necessarily, and it is natural to think that if something

exists necessarily it does so because it is its nature to exist Thus abstract objects exist independently of God Philosophers have called this the problem of God and abstract objects In this book six contemporary solutions to the problem are set out and defended against objections It will be valuable for all students or scholars who are interested in the concept and nature of God

God and Evidence Rob Lovering, 2013-06-20 God and Evidence presents a new set of compelling problems for theistic philosophers The problems pertain to three types of theistic philosopher which Lovering defines here as theistic inferentialists theistic non inferentialists and theistic fideists Theistic inferentialists believe that God exists that there is inferential probabilifying evidence of God s existence and that this evidence is discoverable not simply in principle but in practice Theistic non inferentialists believe that God exists that there is non inferential probabilifying evidence of God s existence and that this evidence is discoverable not simply in principle but in practice Theistic fideists believe that God exists that there is no discoverable probabilifying evidence inferential or non inferential of God s existence and that it is nevertheless acceptable morally if not otherwise to have faith that God exists Lovering argues that each type of theistic philosopher faces a problem unique to his type and that they all share two particular problems Some of these problems take us down an entirely new discursive path others down a new discursive path branching off from an old one

God and the Ethics of Belief Andrew Dole, Andrew Chignell, 2005-06-06 Philosophy of religion in the Anglo American tradition experienced a rebirth following the 1955 publication of New Essays in Philosophical Theology eds Antony Flew and Alisdair MacIntyre Fifty years later this volume of essays offers a sampling of the best work in what is now a very active field written by some of its most prominent members A substantial introduction sketches the developments of the last half century while also describing the ethics of belief debate in epistemology and showing how it connects to explicitly religious concerns and to the topics of the individual contributions These topics include the relationship between God and the natural laws the metaphysics of bodily resurrection the role of appeal to mystery in the religious life the justification of both theistic belief generally and more specific doctrinal beliefs and the social political aspects of religious faith and practice

C.S. Lewis and the Problem of God David Werther, 2024-05-15 Understanding C S Lewis s vocation is essential for reading his works well as is knowing how he came to it his long and winding philosophical journey and reoccurring experiences of Joy Lewis discounted proofs in philosophical theology but offered key arguments in support of theism per se and Christianity in particular His account of mere Christianity shows the centrality of self determination an emphasis on Christ s human nature and a relativizing of atonement theories Finally Lewis s understanding of faith his attempts to make sense of petitionary and imprecatory prayers and his emphasis on theosis deification are considered

The Problem of Evil and the Problem of God Dewi Zephaniah Phillips, 2004 This book is D Z Phillips systematic attempt to discuss the problem of evil He argues that the problem is inextricably linked to our conception of God In an effort to distinguish between logical and existential problems of evil that inheritance offers us distorted accounts of God s omnipotence and will In his interlude Phillips argues that as a

result God is ridiculed out of existence and found unfit to plead before the bar of decency However Phillips elucidates a neglected tradition in which we reach a different understanding of God s presence amidst suffering and addresses the ultimate question of how God can be said to be with those who are crushed by life s afflictions An ideal text for students of philosophy religious studies and theology but also for anyone who reflects seriously on the danger of adding to human evils by the way in which we write and think about them Jacket *The Problem of Perception and the Experience of God* Sameer Yadav,2015-06-01 Sameer Yadav s central claim in this work is that there is a radical mistake in many contemporary accounts that require grounding a theological story of God s availability to us in experience in a prior general philosophical theory of perception Instead it is argued that the philosophical problem of perception is a pseudoproblem The study concludes with a new reading of Gregory of Nyssa and his theology of the spiritual senses which is free from the bewitchment of the problem of perception **The Nature of God** Gerard Hughes,2005-08-04 In *The Nature of God* Gerard Hughes takes the central attributes ascribed to God such as Existence Simplicity Omniscience Omnipotence and Goodness and gives them a historical and analytical background Incorporating texts by Aquinas Ockham Molina Descartes Hume and Kant he aims to give the reader first hand acquaintance with these classic writers and to then discuss their arguments in the light of contemporary debate While the focus of *The Nature of God* is on the philosophy of religion Hughes widens his scope to consider its implications in epistemology metaphysics and moral philosophy The issues he considers include necessity and possibility the relation of logic to epistemology and the connections between causation and moral philosophy *The Problem of God in David Hume* Anders Kraal,2024-01-18 David Hume 1711 1776 is one of the foremost critics of attempts to provide rational arguments in support of traditional Christian theism in Western philosophy In this Element the authors examine Hume s chief objections to the cosmological argument the design argument and the argument from miracles along with some main responses to these objections The authors also examine Hume s seminal version of the argument from evil which is deployed in an effort to show that traditional Christian theism is lacking in coherent meaning Drawing on recent developments in Hume scholarship according to which Hume s ultimate philosophical aim was to further an anti Christian agenda an attempt is made to situate Hume s writings on God and religion in an unfolding narrative that is impacted throughout by the trenchant religious criticisms of Hume s chief philosophical predecessor Thomas Hobbes

The Enigmatic Realm of **Problem Of God In Philosophy Of Religion**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Problem Of God In Philosophy Of Religion** a literary masterpiece penned by a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those who partake in its reading experience.

Problem Of God In Philosophy Of Religion Introduction

In today's digital age, the availability of Problem Of God In Philosophy Of Religion books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Problem Of God In Philosophy Of Religion books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Problem Of God In Philosophy Of Religion books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Problem Of God In Philosophy Of Religion versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Problem Of God In Philosophy Of Religion books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Problem Of God In Philosophy Of Religion books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Problem Of God In Philosophy Of Religion books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Problem Of God In Philosophy Of Religion books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Problem Of God In Philosophy Of Religion books and manuals for download and embark on your journey of knowledge?

FAQs About Problem Of God In Philosophy Of Religion Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Problem Of God In Philosophy Of Religion is one of the best book in our library for free trial. We provide copy of Problem Of God In Philosophy Of Religion in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Problem Of God In Philosophy Of Religion. Where to download Problem Of God In Philosophy Of Religion online for free? Are you looking for Problem Of God In Philosophy Of Religion PDF? This is definitely going to save you time and cash in something you should think about.
