

# No Problem

<p><b>What is the message of the poem?</b></p> <p>The poem conveys a poignant message about the speaker's resilience in the face of stereotypes and discrimination. Despite being unfairly labelled and subjected to racial prejudice, the speaker asserts their individuality and challenges societal misconceptions. They highlight their academic pursuits, cultural knowledge, and versatility, countering stereotypes that confine them. The poem highlights the experience of seeing beyond superficial judgments, advocating for understanding and unity. It also emphasizes that one's race should not be the defining factor, urging society to recognise the shared humanity that transcends racial boundaries and to embrace progress through open-mindedness and acceptance.</p>	<p>I am not de problem But i bare de brunt Of silly playground taunts An racist stunts, I am not de problem I am a born academic But dey got me on de run Now i am branded athletic, I am not de problem if yu give i a chance I can teach yu of Timbuktu I can do more dan dance, I am not de problem I greet yu wid a smile Yu put me in a pigeon hole But i am versatile.</p>	<p><b>What is the impact of the phrasal in 'But i bare de brunt'?</b></p> <p>The use of phrasal, particularly in "I am not de problem, But i bare de brunt," intensifies the impact of the speaker's assertion. The phrasal "I" and "a" sounds create a percussive rhythm, echoing the weight of the burden the speaker carries. The phrasal stress the disparity of societal judgments and emphasizes the contrast between the speaker's self-perception and external perceptions. This phrasal technique adds a visceral quality, allowing readers to feel the impact of prejudice. It amplifies the emotional resonance, making the poem a powerful expression of resilience against discrimination and a call for understanding.</p>
<p><b>What is the impact of the phonetic spelling?</b></p> <p>The poem employs phonetic spelling to authentically capture the speaker's linguistic and cultural identity, reflecting a specific regional or cultural dialect. By using "de" instead of "the" and other phonetic spellings, Benjamin Zephaniah infuses the poem with a distinct oral quality, giving voice to the speaker's unique experience. This choice not only adds authenticity but also challenges conventional linguistic norms, reinforcing the theme of breaking away from stereotypes and embracing diversity. The phonetic spelling serves as a deliberate linguistic choice to convey the speaker's individuality, reinforcing the message of cultural pride and resisting the imposition of standard language that might oversimplify or stereotype.</p>	<p>These conditions may affect me As i get older, An i am positively sure I hav no chips on me shoulders, Black is not de problem Mother country get it right, An juss fe de record, Sum of me best friends are white. Benjamin Zephaniah</p>	<p><b>What is the impact of the poem's use of rhyme?</b></p> <p>"No Problem" by Benjamin Zephaniah employs a loose rhyme scheme, featuring an AABB pattern in most stanzas. The poem's use of rhyme is not strictly regular, contributing to a rhythmic and conversational tone. This informal structure aligns with the poem's themes of personal identity and defiance of stereotypes. The irregular rhyme mimics the diversity and unpredictability of life experiences. It also reflects the poet's attempt to break free from conventional norms, reinforcing the message of embracing individuality. Zephaniah's skilled use of rhyme, while maintaining a casual and accessible style, adds to the poem's authenticity and resonates with the oral tradition often associated with his work.</p>
<p><b>What is the deeper meaning behind the 'silly playground taunts'?</b></p> <p>The line "silly playground taunts" in "No Problem" encapsulates the humiliation and dismissal of the speaker's experiences. The use of "silly" diminishes the gravity of racial taunts, highlighting the societal tendency to dismiss discrimination. This phrase underscores the speaker's frustration, pointing to the casual nature of prejudice, even in childhood. By characterizing the discrimination as mere "taunts," the line exposes the systemic nature of racial bias. It prompts reflection on the enduring impact of seemingly innocuous incidents, emphasizing the need to recognize and address the pervasive, often overlooked, nature of racial prejudice from an early age.</p>		<p><b>What is the deeper meaning of 'These conditions may affect me as i get older'?</b></p> <p>This suggests a contemplation of the long-term impact of societal conditions on the speaker's life. It implies an awareness of the potential consequences of enduring stereotypes, prejudice, and racial bias over time. The speaker acknowledges the societal challenges and discrimination they face, recognizing that these conditions may shape their experience as they age. This retrospective line delves into the enduring nature of systemic racism, looking at the lasting effects of societal expectations and biases on an individual's life journey, fostering reflection on the broader implications of societal attitudes towards race.</p>
<p><b>Why is 'Mother country get it right' a key line in the poem?</b></p> <p>The imperative "get it right" in "Mother country get it right" imparts a direct, assertive tone, demanding accuracy and fair recognition. It signifies the speaker's plea for the correction of misconceptions and biases regarding their identity. The term "mother country" adds emotional weight, conveying a historical tie, nurturing relationship, and a sense of belonging. However, the plea also implies a sense of disappointment or frustration with the perceived misunderstanding. This phrase subtly challenges the societal narrative, urging the "mother country" to rectify and align its understanding with the speaker's authentic cultural identity, fostering a more equitable and respectful portrayal.</p>		<p><b>What is the impact of the final line of the poem?</b></p> <p>The final line, "Sum of me best friends are white," serves as a powerful affirmation, challenging racial stereotypes and fostering unity by highlighting cross-cultural friendships. The poet dismantles preconceived notions and emphasizes shared humanity. This conclusion resonates as a call for understanding and dismantling racial divides, highlighting the overarching theme of the poem. It not only challenges assumptions but also suggests that genuine connections are formed beyond racial boundaries. The line leaves a lasting impact, promoting inclusivity and breaking down the barriers of prejudice, encapsulating the poem's core message of embracing diversity and dispelling racial misconceptions.</p>
<p><b>What type of conflicts are conveyed in the poem?</b></p> <p>It conveys a pervasive societal conflict rooted in racial stereotypes and prejudice. The speaker grapples with the external conflict of individual identity against external misperceptions. The poem also addresses the internal conflict of enduring discrimination, evident in lines like "silly playground taunts" and "branded athletic." Benjamin Zephaniah highlights the broader societal conflict of systemic racism, urging recognition and understanding. The poem encapsulates the multifaceted struggle against stereotypes, emphasizing the need for societal change and the resolution of internal and external conflicts surrounding racial identity.</p>		<p><b>What contextual knowledge do we need to know about the poet?</b></p> <p>Benjamin Zephaniah, the British Jamaican poet and author, often explores themes of identity, race, and social justice in his works. Born in Birmingham in 1958, he has been a prominent voice against racial prejudice and inequality. "No Problem" likely draws from his own experiences of navigating a society marked by racial stereotypes. The use of phonetic spelling reflects a deliberate choice to convey a specific cultural and linguistic identity. Zephaniah's wit and commitment to challenging societal norms contribute to the poem's authenticity. Knowing this background enriches the understanding of the poem's themes and the poet's perspective.</p>
