Prison Gene Kassebaum, 2017-07-28 A thoroughly researched pioneering work based on personal interviews with inmates and prison personnel and on data compiled from questionnaires and inmate record files *Women's Prison* reveals that homosexual liaisons are the primary foundation of the social structure of female inmates shows that homosexual behavior can be a superficial kind of adjustment to particular situational privations amplifies and broadens the application of earlier findings on men's prisons opens the way for future studies involving the delineation of homosexual roles in the free community This study began with both of the authors interest in gathering data on women in prison to see whether there were female prisoner types consistent with the reported characteristics of male prisoners Early in the course of this study it became apparent that the most salient distinction to be made among the female inmates was between those who were and those who were not engaged in homosexual behavior in prison and further of those who were so involved between the incumbents of masculine and feminine roles It has become increasingly apparent that prison behavior is rooted in more than just the conditions of confinement Unlike their male counterparts who establish the so called inmate code women prisoners suffer intensely from the loss of affectional relationships and form homosexual liaisons as the primary foundation of their social organization The great majority of homosexually involved inmates have their first affair in prison returning to heterosexual roles outside prison *Women's Prison* is a revealing study of social structure and homosexuality for sociologists of vital interest to social workers parole officers and chaplains dealing with female inmates as well as penologists and criminologists and provocative reading for the non specialist Encyclopedia of Prisons and Correctional Facilities Mary Bosworth, 2004-12-15 Click Additional Materials for downloadable samples The two volume *Encyclopedia of Prisons and Correctional Facilities* aims to provide a critical overview of penal institutions within a historical and contemporary framework The United States has the highest incarceration rate in the world a fact that has caused lawmakers advocates and legal professionals to rethink punishment policies as well as develop new policies on prisoner education and rehabilitation Issues of race gender and class are fully integrated throughout in order to demonstrate the complexity of the implementation and intended results of incarceration The Encyclopedia contains biographies articles describing important legal statutes and detailed and authoritative descriptions of the major prisons in the United States Comparative data and examples are employed to analyze the American system within an international context The Encyclopedia's 400 entries are all written by recognized authorities The appendix contains a comprehensive listing of every federal prison in the U S complete with facility details and service information Key Themes Juvenile Justice Labor Prison Architecture Prison Populations Prison Reform Privatization Race Gender Class Security and Classification Sentencing Policy and Laws Staff Theories of Punishment Treatment Programs Editorial Board Stephanie Bush Baskette National Council on Crime and Delinquency NCCD Jeanne Flavin Fordham University Esther Heffernan Edgewood College Jim Thomas Northern Illinois University **Federal Probation** ,1975 *Project Reports of the National Institute of Law Enforcement and Criminal Justice* ,1972 **Ebony**
