Problems in Shakespeare's Penmanship Samuel Aaron Tannenbaum,1927 **Studies in Philology** ,1928 **Shakespeare's Ovid and the Spectre of the Medieval** Lindsay Ann Reid,2018 A study of how the use of Ovid in Middle English texts affected Shakespeare s treatment of the poet The debt owed by Shakespeare to Ovid is a major and important topic in scholarship This book offers a fresh approach to the subject in aiming to account for the Middle English literary lenses through which Shakespeare and his contemporaries often approached Greco Roman mythology Drawing its principal examples from *The Two Gentlemen of Verona* *The Taming of the Shrew* *Romeo and Juliet* *Lucrece* and *Twelfth Night* it reinvestigates a selection of moments in Shakespeare s works that have been widely identified in previous criticism as Ovidian scrutinising their literary alchemy with an eye to uncovering how ostensibly classical references may be haunted by the under acknowledged spectral presences of medieval intertexts and traditions Its central concern is the mutual hauntings of Ovid Geoffrey Chaucer and John Gower in the early modern literary imagination it demonstrates that Ovidian allusions to mythological figures such as Ariadne Philomela or Narcissus in Shakespeare s dramatic and poetic works were sometimes simultaneously mediated by the hermeneutic and affective legacies of earlier vernacular texts including *The Legend of Good Women* *Troilus and Criseyde* and *the Confessio Amantis* LINDSAY ANN REID is a Lecturer in English at the National University of Ireland Galway **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson,I.
