Topical Issues in Nigerian Public Administration S. 'Banji Fajonyomi, 1996

Problems and Prospects of Sustaining Democracy in Nigeria Bamidele A. Ojo, 2001 The past few years have been very traumatic ones for many Nigerians With the exception of those in power or close to the seat of power the changes of 1998 were a welcome relief given the tyranny and repression that the country had suffered under General Abacha With many people in prison and more in exile the death of Abacha was received with a sigh of relief Many observers have seen the resilience that has come to signify the strength and potential of this once giant of Africa as well as the destruction and the socio political and economic decay of the past decades The Nigerian people have endured the exploitation of their rights due to the lack of democratic leadership and with this in mind they have been called to attention to fight for their country

Public Policy And Administration In Africa Peter Koehn, 2019-09-16 Originally published in 1990 A look at the vast historically and socially complex nature of the Nigeria This book is intended to share what he has learned about public policy and administration in Africa over the past ten years This book is based upon a decade of research reflection and writing The field research period corresponds with the

CHALLENGES AND PROSPECTS IN AFRICAN EDUCATION SYSTEMS SOJI ONI (Ph.D.), 2013 Challenges and Prospects in African Education System The general idea this book is trying to disseminate is to inform readers about the compelling challenges and prospects in African system of education As we all know when issues of Africa educational system

is raised the first set of thoughts that come to mind is decline in standard deterioration of facilities examination malpractices cult crises or school based violence shortage of teachers underqualified teachers and poor teachers performance which results in poor learning standards lack of classroom discipline that is exacerbated by insufficient resources and inadequate infrastructure failure of appropriate inspection and monitoring and confusion caused by changing curricula without proper communication and training All these have led to massive demoralization and disillusionment among teachers and a negative and worsening perception of African system of education This therefore calls for in depth analysis aimed at tutoring every stakeholder in education on how their action and inactions have individually and collectively contributed to the collapsing state of education in Africa However the prospect is that Africa s recovery and sustainable development can only be guaranteed through expansion and sustenance of both quantitative and qualitative of the continent s stock of human capital through education In order for education to realize its key role in development it must be provided to the younger segments of African society as quickly as human and financial resources permit with the ultimate goal of developing a comprehensive meaningful and sustainable system of education at all levels and for all age groups This is the message that this book puts across in the six knitted sections
