

RESISTIVITY OF CeAl_2 - DILUTED IN $(\text{La}_{1-x}\text{Y}_x)\text{Al}_2$ MATRICES*

F. STEGLICH, W. FRANZ and W. SEUKEN

II. Physikalisches Institut, Universität Köln, Zùlpicher Str. 77, Köln, W. Germany

M. LOEWENHAUPT

IPP/KFA Jùlich, Jùlich, W. Germany

The resistivity of homogeneous $[(\text{La}_{1-x}\text{Y}_x)_{1-x}\text{Ce}_x]\text{Al}_2$ alloys was measured. From the quadratic temperature dependence of the incremental resistivity observed at low temperatures an enhancement of the Kondo temperature by two orders of magnitude is inferred. A magnetic-nonmagnetic transition was observed in dilute $(\text{Y}_{1-x}\text{Ce}_x)\text{Al}_2$ alloys ($x = 0.07$).

The low temperature properties of CeAl_2 not yet completely understood are the subject of several contributions to this conference. In order to study the role of the Kondo effect in this system we have started a program in which the magnetic behavior of diluted CeAl_2 is investigated as a function of the lattice parameter.

In this paper we present preliminary resistivity data between 1.5 and 300 K of pseudobinary solutions of CeAl_2 in the isostructural $(\text{La}_{1-x}\text{Y}_x)\text{Al}_2$ matrices. The same moderate amount of CeAl_2 ($x = 0.15$) was chosen to provide a clear extraction of the magnetic resistivities from the residual and electron phonon resistivities. The latter were obtained in independent measurements from the corresponding nonmagnetic matrices. X-ray analysis reveals that all of the alloys under investigation are of single phase and that the mean lattice parameter of the matrices decreases linearly with z from $a = 8.15 \text{ \AA}$ ($z = 0$) to $a = 7.86 \text{ \AA}$ ($z = 1$). Therefore, CeAl_2 ($a = 8.06 \text{ \AA}$) can be either expanded or contracted by solution in an appropriate $(\text{La}_{1-x}\text{Y}_x)\text{Al}_2$ matrix.

Details concerning preparation of the polycrystalline samples and experimental procedures will be published elsewhere [1]. We note here that the relative accuracy of the resistivity measurement is 2×10^{-4} whereas an absolute error of order 10% due to the uncertainty of the geometric factor cannot be avoided.

In fig. 1a the resistivity of five $[(\text{La}_{1-x}\text{Y}_x)_{1-x}\text{Ce}_{0.15}]\text{Al}_2$ samples is given as a function of temperature on a logarithmic scale. There exists a resistivity minimum, which shifts to higher temperatures upon increasing Y-

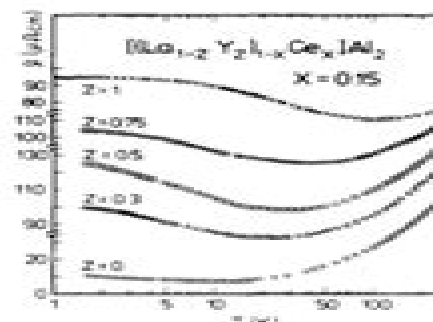

Fig. 1a. Resistivity of $[(\text{La}_{1-x}\text{Y}_x)_{1-x}\text{Ce}_{0.15}]\text{Al}_2$ alloys with various Y-concentrations as a function of temperature (logarithmic scale).

Fig. 1b. Normalized incremental resistivity $\Delta\rho/\rho_0$ for $(\text{Y}_{1-x}\text{Ce}_x)\text{Al}_2$ as a function of T^2 . Solid lines: initial $\Delta\rho/\rho_0$ vs. T^2 dependences for $[(\text{La}_{1-x}\text{Y}_x)_{1-x}\text{Ce}_{0.15}]\text{Al}_2$ with $z = 0.75$ and 0.5 , respectively, and for $(\text{Y}_{1-x}\text{Ce}_x)\text{Al}_2$.

Fig. 1c. Kondo temperature (logarithmic scale) as a function of Y-concentration for $[(\text{La}_{1-x}\text{Y}_x)_{1-x}\text{Ce}_{0.15}]\text{Al}_2$. $T_K(z = 0) = 0.36 \text{ K}$ from ref. 3.

concentration. Our data display a marked enhancement of the Kondo temperature caused by the increasing contraction of the lattice. This

ICMLG2014 Proceedings of the 2nd International Conference on Management, Leadership and Governance Philip Arthur Dover, Sam Hariharan, Michael G. Cummings, 2014-01-02 Coordination Theory and Collaboration Technology Gary M. Olson, Thomas W. Malone, John B. Smith, 2013-05-13 The National Science Foundation funded the first Coordination Theory and Collaboration Technology initiative to look at systems that support collaborations in business and elsewhere This book explores the global revolution in human interconnectedness It will discuss the various collaborative workgroups and their use in technology The initiative focuses on processes of coordination and cooperation among autonomous units in human systems in computer and communication systems and in hybrid organizations of both systems This initiative is motivated by three scientific issues which have been the focus of separate research efforts but which may benefit from collaborative research The first is the effort to discover the principles underlying how people collaborate and coordinate work efficiently and productively in environments characterized by a high degree of decentralized computation and decision making The second is to gain a better fundamental understanding of the structure and outputs of organizations industries and markets which incorporate sophisticated decentralized information and communications technology as an important component of their operations The third is to understand problems of coordination in decentralized or open computer systems **Proceedings of the 2024 2nd International Conference on Management Innovation and Economy Development (MIED 2024)** Barbara Siuta-Tokarska, Adriana Grigorescu, Yifeng Zhu, 2024-10-10 This book is open access Economic development is one of the necessary conditions for social development and management innovation is an inherent attribute of societies countries governments and enterprises With the advent of globalization in the 21st century enterprises governments countries and other organizational units have put forward higher requirements for management innovation and economic development is seeing major challenges The 2nd International Conference on Management Innovation and Economic Development MIED 2024 will be held in Guilin China on June 28 30 2024 The conference aims to provide a platform for experts scholars engineering technicians and technical R D personnel engaged in the research of economics and management to share scientific research achievements and cutting edge technologies understand academic development trends broaden research ideas strengthen academic research and exploration and promote cooperation in the industrialization of academic achievements The conference cordially invites experts scholars business professionals and other relevant personnel from domestic and foreign universities research institutions and other relevant personnel to participate and exchange ideas We cordially invite you to submit papers and look forward to meeting you in MIED 2024 **Molecular Communication** Tadashi Nakano, Andrew W. Eckford, Tokuko Haraguchi, 2013-09-12 This comprehensive guide by pioneers in the field brings together for the first time everything a new researcher graduate student or industry practitioner needs to get started in

molecular communication Written with accessibility in mind it requires little background knowledge and provides a detailed introduction to the relevant aspects of biology and information theory as well as coverage of practical systems The authors start by describing biological nanomachines the basics of biological molecular communication and the microorganisms that use it They then proceed to engineered molecular communication and the molecular communication paradigm with mathematical models of various types of molecular communication and a description of the information and communication theory of molecular communication Finally the practical aspects of designing molecular communication systems are presented including a review of the key applications Ideal for engineers and biologists looking to get up to speed on the current practice in this growing field

Theories of Geographic Concepts Marinos Kavouras,Margarita Kokla,2007-12-20 Most widely available approaches to semantic integration provide ad hoc non systematic subjective manual mappings that lead to procrustean amalgamations to fit the target standard an outcome that pleases no one Written by experts in the field

Theories of Geographic Concepts Ontological Approaches to Semantic Integration emphasizes the **Industrial Applications Of Fuzzy Technology In The World** Kaoru Hirota,Michio Sugeno,1995-10-31 The 1980s saw a whole wave of practical applications of fuzzy theory mainly in the field of process control with Japan as pioneer In the 90s there has been a flood of applications to household electrical appliances and fuzzy has become a high tech buzz word in Japan Since then many countries have followed suit and developed their own fuzzy applications This book reviews the burgeoning industrial applications of fuzzy theory The contributors are mostly industrial engineers or research experts in the field The areas covered include automobiles home appliances voice recognition medical techniques fuzzy design process control space operations and mobile autonomous robots Very recently the development of fuzzy theory has become intertwined with fields such as neural networks and chaos This volume also summarizes such trends in an industrial context The book will be of use to senior undergraduates or graduate students industrial research scientists and anyone interested in the wide ranging applicational aspects of fuzzy theory today

THE HYBRID GRAND UNIFIED THEORY E. Escultura,V. Lakshmikantham,2009-03-01 In this book an attempt is made to provide a hybrid grand unified theory to understand the universe both in its micro quantum aspects as well as macro galactic aspects The book describes a truly hybrid theory as it encompasses both the modern and ancient theories of the universe together with its functioning at all levels of human comprehension One of its authors Dr Escultura was nominated in 2005 for a Nobel Prize for his flux theory of gravitation From then on this theory has been improved clarified and is now known as the hybrid grand unified theory This book deals with this new bold theory unifying mathematics and physics and answering some open fundamental questions and paradoxes in these disciplines The book also describes what the ancient scientists knew about these matters

Proceedings of the 2nd International Conference on Culture and Sustainable Development (ICOCAS 2024) Gani Nur Pramudyo,Izmy Khumairoh,Marta Widyawati,2024-12-06 This book is an open access The 2nd International Conference on Culture and

Sustainable Development ICOCAS 2024 adopts the theme The Urgency of Humanities in Current Cultural Dynamics This international seminar remains committed to the global goals outlined in the Sustainable Development Goals SDGs Discussion on sustainable development in this seminar focuses on cultural issues and the position of humanities in addressing contemporary challenges Nevertheless cultural dynamics will impact other aspects of sustainable development The seminar aims to provide a platform for academics at the global level to discuss and disseminate research findings related to the role of humanities in cultural dynamics and its relation to sustainable development at the international level The scope of topics includes studies in Culture including History Literature and Linguistics as well as Library and Information Science This seminar activity will involve many experts in the field of humanities from various leading universities worldwide The 2nd International Conference on Culture and Sustainable Development ICOCAS 2024 with the theme The Urgency of Humanities in Current Cultural Dynamics is expected to motivate faculty members and students to produce high quality research that is responsive to current cultural dynamics and to expand networks with academics at the global level This activity is also expected to be conducted regularly each year to enhance the reputation of Diponegoro University internationally as a World Class University

Introduction to Constraint Databases Peter Revesz, 2006-04-18 Differing from other books on the subject this one uses the framework of constraint databases to provide a natural and powerful generalization of relational databases An important theme running through the text is showing how relational databases can smoothly develop into constraint databases without sacrificing any of the benefits of relational databases whilst gaining new advantages Peter Revesz begins by discussing data models and how queries may be addressed to them From here he develops the theory of relational and constraint databases including Datalog and the relational calculus concluding with three sample constraint database systems DISCO DINGO and RATHER Advanced undergraduates and graduates in computer science will find this a clear introduction to the subject while professionals and researchers will appreciate this novel perspective on their subject **New Frontiers in Artificial Intelligence** Takashi Washio, Akito Sakurai, Katsuto Nakajima, Hideaki Takeda, Satoshi Tojo, Makoto Yokoo, 2006-06-29 This book presents the joint post proceedings of five international workshops organized by the Japanese Society for Artificial Intelligence during the 19th Annual Conference JSAI 2005 The volume includes 5 award winning papers of the main conference along with 40 revised full workshop papers covering such topics as logic and engineering of natural language semantics learning with logics agent network dynamics and intelligence conversational informatics and risk management systems with intelligent data analysis Proceedings of the 2nd International Conference on Advanced Research in Social and Economic Science (ICARSE 2023) Bobur Sobirov, Mochammad Tanzil Multazam, Hyeyun Ku, Ayapbergen Taubayev, 2024-07-10 This is an open access book The 2nd International Conference on Advanced Research in Social and Economic Science ICARSE proudly announces its return as a beacon of intellectual dialogue and collaborative discovery This year s conference themed Harnessing Social Science and Economics for Post Pandemic Renewal Strategies for

Global Resilience and Prosperity seeks to foster a fertile ground where academics professionals and industry experts can converge to dissect discuss and devise strategies that leverage the power of social science and economics in charting a course towards a globally resilient and prosperous future in the post pandemic era In this critical juncture of history ICARSE 2023 aims to be a crucible where innovative ideas and evidence based strategies are cultivated to address the challenges that have emerged in the wake of the global pandemic It aspires to facilitate discourse that would bridge gaps forge connections and inspire solutions that resonate on a global scale fostering a future marked by resilience and shared prosperity

Compact Data Structures Gonzalo Navarro,2016-09-08 Compact data structures help represent data in reduced space while allowing it to be queried navigated and operated in compressed form They are essential tools for efficiently handling massive amounts of data by exploiting the memory hierarchy They also reduce the resources needed in distributed deployments and make better use of the limited memory in low end devices The field has developed rapidly reaching a level of maturity that allows practitioners and researchers in application areas to benefit from the use of compact data structures This first comprehensive book on the topic focuses on the structures that are most relevant for practical use Readers will learn how the structures work how to choose the right ones for their application scenario and how to implement them Researchers and students in the area will find in the book a definitive guide to the state of the art in compact data structures

Proceedings of the 2nd International Conference on Administrative Science (ICAS 2024) Ahmad Yani Andi,Ismail Nuralamsyah,2025-08-04 This is an open access book The 2nd International Conference on Administrative Science ICAS 2024 is a joint conference as collaborative effort between Department of Administrative Science Hasanuddin University and Faculty of Administrative Science and Policy Studies Universiti Teknologi MARA Malaysia and Indonesian Association for Public Administration IAPA South and West Sulawesi Chapter This Joint Conference aims to explore the complex landscape of Maritime Governance and Sustainable Development in the frame public administration discourse under the comprehensive theme Bridging Waves of Change The significance of this conference lies in its ability to bring together various stakeholders including academics practitioners and influential leaders to collectively address various issues surrounding Maritime Governance and Sustainable Development By delving into topics such as climate change adaptation disaster resilience and effective public policy frameworks ICAS 2024 strives to drive impactful change and promote sustainable practices in these crucial areas

Vacuum Deposition onto Webs, Films and Foils Charles Bishop,2011-06-21 Roll to roll vacuum deposition is the technology that applies an even coating to a flexible material that can be held on a roll and provides a much faster and cheaper method of bulk coating than deposition onto single pieces or non flexible surfaces such as glass This technology has been used in industrial scale applications for some time including a wide range of metalized packaging e g snack packets Its potential as a high speed scalable process has seen an increasing range of new products emerging that employ this cost effective technology solar energy products are moving from rigid panels onto

flexible substrates which are cheaper and more versatile in a similar way electronic circuit boards can be produced on a flexible polymer creating a new range of flexible electronics products flexible displays are another area of new technology in vacuum coating with flexible display panels and light sources emerging Charles Bishop has written this book to meet the need he identified as a trainer and consultant to the vacuum coatings industry for a non mathematical guide to the technologies equipment processes and applications of vacuum deposition His book is aimed at a wide audience of engineers technicians and production management It also provides a guide to the subject for sectors in which vacuum deposition is a novel technology such as solar energy and flexible electronics Bishop s non mathematical explanation of vacuum deposition technologies will empower a wide range of technicians production managers and engineers in related disciplines to improve performance and maximize productivity from vacuum coating systems Provides the knowledge and understanding needed to specify systems more effectively and enhance the dialogue between non specialists and suppliers engineers Provides those in the rapidly expanding fields of solar energy display panels and flexible electronics with the know how to unlock the potential of vacuum coating to transform their processes and products *Fluid- and Gasdynamics* G.H. Schnerr,R. Bohning,K.

Proc 2nd International Conf On Theory Of Introduction

Proc 2nd International Conf On Theory Of Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Proc 2nd International Conf On Theory Of Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Proc 2nd International Conf On Theory Of : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Proc 2nd International Conf On Theory Of : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Proc 2nd International Conf On Theory Of Offers a diverse range of free eBooks across various genres. Proc 2nd International Conf On Theory Of Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Proc 2nd International Conf On Theory Of Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Proc 2nd International Conf On Theory Of, especially related to Proc 2nd International Conf On Theory Of, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Proc 2nd International Conf On Theory Of, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Proc 2nd International Conf On Theory Of books or magazines might include. Look for these in online stores or libraries. Remember that while Proc 2nd International Conf On Theory Of, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Proc 2nd International Conf On Theory Of eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Proc 2nd International Conf On Theory Of full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Proc 2nd International Conf On Theory Of eBooks, including some popular titles.

FAQs About Proc 2nd International Conf On Theory Of Books

1. Where can I buy Proc 2nd International Conf On Theory Of books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Proc 2nd International Conf On Theory Of book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Proc 2nd International Conf On Theory Of books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Proc 2nd International Conf On Theory Of audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Proc 2nd International Conf On Theory Of books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
