# Prodigal Church

**D Keegan**

## **Prodigal Church:**

**The Prodigal Church** Jared C. Wilson, 2015-04-16 Pastors want to reach the lost with the good news of Jesus. However, we've too often assumed this requires loud music, flashy lights, and skinny jeans. In this gentle manifesto, Jared Wilson, a pastor who knows what it's like to serve in a large attractional church, challenges pastors to reconsider their priorities when it comes to how they do church and reach people in their communities. Writing with the grace and kindness of a trusted friend, Wilson encourages pastors to reexamine the Bible's teaching, not simply return to a traditional model for tradition's sake. He then sets forth an alternative to both the attractional and the traditional models: an explicitly biblical approach that is gospel-focused, grace-based, and fruit-oriented.

**The Prodigal Church** Brandon McGinley, 2020-06-23 Brandon McGinley argues that the Church is making a grave error in acquiescing to secularism just as it is falling into disrepute. Indeed, now is the Church's moment to reclaim not just our roots but the very reality of Christ's grace and peace and kingship in the world.

*The Prodigal Church* Joseph B. Lumpkin, 2010-01-01 In the beginning, the church was a fellowship of men and women centering on the living Christ. Then the church moved to Greece where it became a philosophy. Then it moved to Rome where it became an institution. Next it moved to Europe where it became a culture. And finally it moved to America where it became an enterprise. Richard Halverson: Most would agree that the modern church has become a disgraceful place which still houses an eternal truth. Even when faced with this knowledge, it is difficult to break away from our traditions. How do we rescue our own spirituality from the church? We shall cut tradition away from truth and let truth stand on its own. Tradition is a prison housing truth, and religion is the hangman of spirituality. Both truth and spirit can be rescued with the courage to question and still believe. We will attempt to use the double-edged approach of faith in God and historical/political scrutiny of the church. The errors of religion are placed alongside the beauty of the spiritual view of the mystical church. It is hoped that such a dual approach may lend itself to a more balanced view while mimicking the feelings many of us now harbor for the modern church. We come to the church with fear and disdain of its judgment and greed all the while seeking God's love and mercy. When the truth is revealed, God can still be seen in the rumble of what has become the church. He is beckoning the individual soul. The personal path is made clear in these pages.

*The Recovery-Minded Church* Jonathan Benz, 2015-12-08 You want to have vibrant relationships with those who struggle with addiction in your church and community? This practical resource for church leaders and congregations answers your pressing questions about addiction and recovery through real-life stories, the latest insights from medical science, and a biblical framework for how to love the addicts in your midst.

**The Holy Spirit in Leadership** Dr. Denise Norris, Jeffrey J. Boone, 2022-02-09 **The Holy Spirit in Leadership: A Case for Spiritual Leaders** This book aims to promote the Holy Spirit's role in church leaders. Spiritual leadership is the opposite of secular leadership. They may share some things in common, but they are not the same, nor are they equal in the church. Spiritual leadership is biblical, holy, and it is mandated upon the words and the works of Jesus Christ. Jesus taught his leadership style.

by example to his disciples The first century disciples absolutely modeled the words and works of Jesus Christ One of the biggest problems today in the church is secular leadership Secular leadership is the root cause of inaction and declination of the church which promotes selfishness Spiritual leadership promotes selflessness This book s answer is the church s answer for spiritual leadership in the church over secular leadership The church s solution to secular leadership is Christ s spiritual leadership implemented and lived by the first century disciples This book seeks to elevate spiritual leadership in the church through the Great Commandment the Great Commission and biblical conflict resolutions This kind of leadership is indispensable to spiritual leadership in the church The teachings of our Lord and Savior Jesus Christ in the first century apostles doctrines are the guidelines that identify spiritual leadership      **ThirdWay** ,2005-11 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      **The Gospel-Driven Church** Jared C. Wilson,2019-03-12 Many evangelical churches face the problem of the open back door even as new people arrive older members are leaving looking for something else Combined with this problem is the discipleship deficit the difficult truth that most evangelicals are not reaching the unchurched at the rates they think they are In fact many of the metrics that we often count in the church to highlight success really don t tell us the full story of a church s spiritual state Things like attendance decisions dollars and experiences can tell us something about a church but not everything To cultivate a spiritually healthy church we need a shift in our metrics a grace shift that prioritizes the work of God in the lives of people over numbers and dollars Are people growing in their esteem for Jesus Is there a dogged devotion to the Bible as the ultimate authority for life Is there a growing interest in theology and doctrine A discernible spirit of repentance And perhaps most importantly is there evident love for God and for our neighbors in the congregation Leading a church culture to shift from numerical success to the metrics of grace can be costly but leaders who have conviction courage and commitment can lead while avoiding some of the landmines that often destroy churches Wilson includes diagnostic questions that will help leaders measure and lead team transparency in measuring as a group the relative spiritual health of their church as well as a practical prescriptive plan for implementing this metric measuring strategy without becoming legalistic Most attractional church models can lean heavily on making changes to the weekend worship gatherings And while some of these changes can be good thriving grace focused churches are driven by a commitment to the gospel allowing the gospel to inform and shape the worship service and the various ministries of the church      **The Prodigal's Return** Lynn Bulock,2011-11-15

HOMEWARD BOUND Laurel Harrison longed to return to Missouri and when her sheriff father fell ill it seemed to Laurel to be a message from above telling her to leave California behind And she hoped that by moving back she would finally find a home for her restless heart Deputy Tripp Jordan was trying the best he could to fill in for the town sheriff But under the watchful eye of the sheriff s daughter his every move was challenged He soon found himself looking for the faith he d let go of long ago and praying Laurel would realize her heart belonged in Missouri with him      Good Church / Bad Church Fred

Herschelman,2024-06-07 News reports notify us about the latest sexual financial or moral scandal that is plaguing the local church Broken damaged and wounded churches litter the landscape of America This gets clicks views and impressions while creating revenue for media companies But hidden behind the scandals behind the curtains is where the real damage lies This book takes a journey across America visiting all the states and numerous churches to explore what a good church looks like And over time gems were discovered from all the way up in Alaska with the glaciers down to sunny Florida from the tropics of Hawaii to the cold of the Northeast Join us on this journey as we discover what makes a good church as thirty of some of the most interesting and unique pastors in America help guide us along this expedition while also exploring some of the troubling trends that we are seeing in some churches today In this book you will learn how to know what a good church is where to find them and what to look for ChristianChurchLeadership ChristianChurchAdministration

GoodChurch BadChurch *God's Grand Design* William R. Arnold,2021-06-30 God s Grand Design By William R Arnold

Edited by Ms Aurora Payad Arnold God s Grand Design is to restore mankind to its original state of sacred perfection after Adam and Eve fell and created the original sin of disobedience hiding and lying to the Lord When God cursed the serpent for tempting Adam and Eve to be like God he promised to send his only begotten Son to save humanity He did via the incarnate word in the womb of the immaculately conceived Virgin Mary God wants to be man and receive a new body to defeat death through Jesus Christ Man wants to become God to receive eternal life Man s journey to become God starts from being an ignorant baby gaining knowledge to a cowardly teenager obtaining courage to an adult converting greed to generosity to a wise man changing selfishness to unselfishness and at last to a free man able to think for himself in eternal service to God in his kingdom The journey requires him to know right from wrong good from evil and God s will from man s will and thus defeat evil worldly temptations and demonic possession Through Christ God and man are destined to become one through three advents making the God Man Christ into the new human spirit blessings Then the Man God Jesus becomes the new human flesh to make all things perfect in the sight of God Jesus Christ came as a priest on a donkey to decode the Torah bring knowledge and remove blindness to defeat sin By his death and resurrection he granted free redemption to man s flesh to give him a new body The second coming of Jesus Christ as thief in the night will bring awakening to remove deafness by teaching God s truths to defeat evil As a just judge on a cloud on his third advent the Lord will remove mankind s dumbness to defeat death And then man can become worthy of receiving God s rewards of paradise in heaven or heaven on earth

*Reclaiming the Church Family* Matthew T. Kimbrough,2022-01-20 Why bother with church Can t I follow Jesus on my own Christians young and old struggle to answer these questions believing Scripture says little about church life But the Bible is far from silent The New Testament envisions a vibrant church of devoted brothers and sisters adopted into God s

family The biblical image of the church family has the power to reshape everything our local churches do the ways pastors lead how members engage one another what worship leaders sing and much more Now is the time to reclaim a biblical vision of the church as a family and reject the prevailing corporate church paradigm assumed by church growth gurus The church that thinks of itself as a family will learn to build meaningful relationships and show the unbelieving world how good church life can be The Christian observer [afterw.] The Christian observer and advocate ,1868 The Christian Taught by the Church's Services. Edited by W. F. Hook Walter Farquhar Hook,1848 **Spirit Leveling in South Carolina, 1896-1938** John George Staack,1940 The Church Review ,1890 **Rhythms of Reformation** Garth Ball,2025-07-29 Rhythms of Reformation explores how the COVID 19 pandemic exposed the cracks in a Sunday centric consumer driven church culture and awakened a call to return to Christ s original heartbeat of discipleship It argues that the pandemic was not a disaster to lament or an interruption to endure but a catalyst for a profound reformation of the church Blending personal story with theological reflection this book follows the author s leadership journey through the pandemic engaging a broad range of literature to offer insight for navigating Spirit led seasons of change These seasons however need not be limited to times of crisis they can become intentional patterns that leaders cultivate shaping churches continually around the biblical priority of disciple making This book is especially helpful for current and emerging church leaders who sense the winds of change but lack a clear blueprint for navigating them Michigan Christian Advocate ,1927 Church Review and Ecclesiastical Register ,1890 *The Prophetic Romance* Fuchsia Pickett,2014-06-23 Hidden deep in the canons of Old Testament scripture is the little book of Ruth one of the most endearing love stories in recorded history It captivates hearts and inspires our courage But could this ancient romance in the harvest fields of Israel have a deeper meaning for the church today In *The Prophetic Romance* Fuchsia Pickett unlocks a hidden truth a fresh revelation for the last days With profound biblical insight from the Holy Spirit she shows how the book of Ruth is more than a courtship between two lovers It foreshadows the coming of Jesus and restoration of the church It s a divine love story with astounding prophetic insight for your life **The Power of Persistence** Michael Catt,2009 Michael Catt senior pastor of Sherwood Baptist Church and executive producer of the Georgia congregation s runaway hit films *Facing the Giants* and *Fireproof* is often asked why God has blessed their efforts in such a remarkable way His answer is simple We have a praying church that is walking in unity We pray over every ministry and every decision *The Power of Persistence* is Catt s invitation to a prayer without ceasing way of life Stories from scripture and personal ministry experiences attest to the prophetic and profitable work of prayer Engaging chapters on prayers of penitence learning from the Psalmist praying for children the lost and in response to spiritual warfare guide us to a breakthrough level of communication with the God who is eager to hear our cries and accomplish His work through us
