Saint Paul His Message Volume 70:

The Message of Acts in Codex Bezae (vol 4). Josep Rius-Camps, Jenny Read-Heimerdinger, 2009-08-15 This final volume in the four volume commentary *The Message of Acts in Codex Bezae* continues the comparison of the message of Acts transmitted by Codex Bezae with that of the more familiar Alexandrian text represented by Codex Vaticanus For each section of Acts there is a side by side translation of the Bezan and Alexandrian manuscripts followed by a critical apparatus and finally a commentary that explores the variations in the message of the two texts Working from this strong methodological foundation Jenny Read Heimerdinger and Josep Rius Camps conclude that the Bezan text is the earlier of the two In the process they provide an illuminating and comprehensive guide to the Acts of the Apostles Book Jacket *On Divine Revelation: The Teaching of the Catholic Faith Vol. Two* Fr. Reginald Garrigou-Lagrange, 2022-05-27 In *On Divine Revelation* one of Garrigou Lagrange s most significant works here available in English for the very first time he offers a classic treatment of this foundational topic It is an organized and thorough defense of both the rationality and supernaturality of divine revelation He presents a careful yet stimulating account of the scientific character of theology the nature of revelation itself mystery dogma the grace of faith the powers of human reason false interpretations thereof rationalism naturalism agnosticism and pantheism the motives of credibility and much more Though written a century ago *On Divine Revelation* will restore confidence in theology as a distinct and unified science and return focus to the fundamental questions of the doctrine of revelation It also serves as a salutary corrective to contemporary theology s anthropocentrism and concern with what is relative in revelation and religious experience by reorienting our theological attention to what is most certain central and sure in our knowledge of divine revelation the Triune God who has revealed his inner life and salvific will Readers will see the great splendor of the gift of divine revelation radiant with credibility before the gaze of reason and drawing our supernatural assent to the mysteries through the gift of faith As Fr Cajetan Cuddy O P observes *On Divine Revelation* is a stunning work of inestimable value No other subsequent work on this topic has come close to meeting it much less surpassing it *The Living Church* ,1942 [The Homiletic Review](#) ,1914 **Bibliographical Contributions** William Coolidge Lane,1911
