The Sign of the End of the Age Paul Kalbach, 2016-12-13 There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end times events It is important for us to return to a careful study of these

things because the time is near In The Sign of the End of the Age What Jesus Taught about the Future in Matthew 24 author Paul Kalbach helps you discover or rediscover the Olivet Discourse the Lord's clear road map that all other prophetic Scriptures must reckon with To understand the discourse we must answer one critical question what is Matthew 24 about the future program for Israel or the end of the age events for all believers including the church Kalbach presents extensive arguments that show a different timing and sequence of events than is usually taught by proponents of the pretribulation rapture position His in depth study adheres to a most literal interpretation method The Sign of the End of the Age seeks to bring a deeper understanding of the end times period vital in a world that shows every sign that this time is near **Signs**

John Paul Heil, 2001-04-26 **TRUMP THE GREAT! THE 45TH & 47TH PRESIDENT OF THE UNITED STATES. GOD'S END-TIME VESSEL** Pastor Cliff McAnthony, This book is about God's revelations to me about President Donald J Trump the 45th and 47th president of the United States and about the End Time events I have written this book because of what God said to me in November 2016 that keeps reechoing in my ears On Thursday morning November 3 2016 the week before the presidential election between Donald Trump and Hillary Clinton God said to me Cliff I showed you such a great revelation about America and you did nothing about it What else will I show you for you to know that Trump is the president of the United States Well the rest is history Trump was elected the 45th president of the United States of America in 2016 God did show me something else on August 15 2020 and I know for certain that President Trump will be the 47th president of

the United States come November 2024 This book is insightful and revealing Get a glimpse of God's End Time moves Most importantly before it all comes to pass that you may know that God truly rules in the affairs of men and gives the kingdoms to whoever He chooses Daniel 4 17 This matter is by the decree of the watchers and the demand by the word of the holy ones to the intent that the living may know that the most High ruleth in the kingdom of men and giveth it to whomsoever he will and setteth up over the basest of men Using the implication approach could the last trump be metaphorically speaking of President Trump Could it be saying that the reign of President Trump will be a sign for His imminent return to rapture the Church Could it be saying that the trumpet will sound after the reign of Trump Is it just a coincidence that God gave us President Trump a name synonymous with the last alert for the Rapture as the president of the United States in this undisputable last days generation Could it be a coincidence that his second term presidency will end in 2029 right about the close of the second day 2 000 years of God's revival since Christ's death and resurrection Was it a coincidence that he was the 45th president and played the same role in restoring Jerusalem as King Cyrus in Isaiah 45 Could God have given us a clue Is President Trump the protagonist of the End Time Or is he simply Trump The Great **To Be "IN HIS WILL"** Bernard Dunn,2004-10 The book makes interesting reading as it gives an insight into the soul of one who is very appreciative of nature and of people and places that have made indelible marks on his life As is characteristic of the writer it closes with words of wisdom to those who would dare to venture on the path of the ministry To Be In His Will is a simple book about the life of an ordinary man who devoted his life to the preaching of the gospel and has proven that it pays to be in His will
