Looking at World Religions Kamal U. Ahmad, 2000-12-01 *The SAGE Handbook of International Migration* Christine Inglis, Wei Li, Binod Khadria, 2019-11-05 The SAGE Handbook of International Migration provides an authoritative and informed analysis of key issues in international migration including its crucial significance far beyond the more traditional questions of immigrant settlement and incorporation in particular countries Bringing together chapters contributed by an international cast of leading voices in the field the Handbook is arranged around four key thematic parts Part 1 Disciplinary Perspectives on Migration Part 2 Historical and Contemporary Flows of Migrants Part 3 Theory Policy and the Factors Affecting Incorporation Part 4 National and Global Policy Challenges in Migration The last three decades have seen the rapid increase and diversification in the types of international migration and this Handbook has been created to meet the need among academics and researchers across the social sciences policy makers and commentators for a definitive publication which provides a range of perspectives and insights into key themes and debates in the field **A Bird's-eye View of the World** Onésime Reclus, 1892 **Mimetic Theory and World Religions** Wolfgang Palaver, Richard Schenk, 2017-11-01 Those who anticipated the demise of religion and the advent of a peaceful secularized global village have seen the last two decades confound their predictions Ren Girard s mimetic theory is a key to understanding the new challenges posed by our world of resurgent violence and pluralistic cultures and traditions Girard sought to explain how the Judeo Christian narrative exposes a founding murder at the origin of human civilization and demystifies the bloody sacrifices of archaic religions Meanwhile his book *Sacrifice* a reading of conflict and sacrificial resolution in the Vedic Brahmanas suggests that mimetic theory s insights also resonate with several non Western religious and spiritual traditions This volume collects engagements with Girard by scholars of Judaism Christianity Islam Hinduism and Buddhism and situates them within contemporary theology philosophy and religious studies **The Faiths of the World** James Gardner, 1858 *Baha'i Faith: The Basics* Christopher Buck, 2020-11-26 *Bah Faith The Basics* provides a thorough and accessible introduction to a fascinating independent world religion Examining its historical development current community building efforts and the social contributions of the Bah Faith in the world today this introduction covers Beliefs Bah spiritual teachings Principles Bah social teachings History Bah u ll h and his covenant Scripture Bah sacred texts and inspired guidance Institutions The Bah Administrative Order Building community What Bah s do Social action Bah social and economic development projects Public discourse The Bah International Community Vision Foundations for a future golden age With features including a glossary of terms and references to the Bah writings throughout this is the ideal text for students and interested readers wanting to familiarize themselves with the Bah Faith **Understanding Religion Through Artificial Intelligence** Justin E. Lane, 2021-05-06 In *Understanding Religion through Artificial Intelligence* Justin E Lane looks at the reasons why humans feel they are part of a religious group despite often being removed from other group members by vast distances or multiple

generations To achieve this Lane offers a new perspective that integrates religious studies with psychology anthropology and data science as well as with research at the forefront of Artificial Intelligence AI After providing a critical analysis of approaches to religion and social cohesion Lane proposes a new model for religious studies which he calls the Information Identity System This model focuses on the idea of conceptual ties links between an individual's self concept and the ancient beliefs of their religious group Lane explores this idea through real world examples ranging from the rise in global Pentecostalism to religious extremism and self radicalization to the effect of 9 11 on sermons Lane uses this lens to show how we can understand religion and culture today and how we can better contextualize the changes we see in the social world around us

Atlas of Religion in China: Social and Geographical Contexts Fenggang Yang, 2018-09-04 The speed and the scale with which traditional religions in China have been revived and new spiritual movements have emerged in recent decades make it difficult for scholars to stay up to date on the religious transformations within Chinese society This unique atlas presents a bird's eye view of the religious landscape in China today In more than 150 full color maps and six different case studies it maps the officially registered venues of China's major religions Buddhism Christianity Protestant and Catholic Daoism and Islam at the national provincial and county levels The atlas also outlines the contours of Confucianism folk religion and the Mao cult Further it describes the main organizations beliefs and rituals of China's main religions as well as the social and demographic characteristics of their respective believers Putting multiple religions side by side in their contexts this atlas deploys the latest qualitative quantitative and spatial data acquired from censuses surveys and fieldwork to offer a definitive overview of religion in contemporary China An essential resource for all scholars and students of religion and society in China

Urban Religion Jörg Rüpke, 2020-02-24 So far religion has been seen as cause for dramatic developments in the history of cities it has contributed to the monumentalisation of centres and or has given importance to ex centric places Very recently anthropologists have been discovering religion in the contemporary global city But still awaiting historical investigation is the specific urban character of religious ideas practices and institutions and the role of urban space shaping this very religion in the course of history The time span from the Hellenistic age to Late Antiquity was crucial in the establishment of concepts and institutions of religion and witnessed extended waves of urbanisation Rome being central to this In addressing this problem this book fills a significant gap in the scholarship on urban religion across time Taking seriously the proposition that space is condition medium and outcome of social relations the development of urban religion in lived urban space and urban culture or urbanity offers a lens onto processes of religious change that have been neglected for the history of religion and for the study of urbanism The key thesis is that city space engineered the major changes that revolutionised religions This stimulating book makes use of archaeology and history to address religion as an essential component of urban life in both the past and the present With a strong basis in the ancient Mediterranean as well as an insightful view of modern urban life R pke emphasizes that the practice and performance of religion at the everyday level is

as essential in the creation of an urban ethos as the grand temples and institutions promulgated by the elite Monica L Smith author of *Cities The First 6 000 Years* J rg R pke offers a characteristically original and learned series of reflections on some of the many ways in which the history of religions and the history of cities might be entangled Urban Religion offers no single overarching thesis but it is consistently thought provoking and suggests many intriguing lines of investigation for the future Greg Woolf Institute of Classical Studies London

Islamic Modernism and the Re-Enchantment of the Sacred in the Age of History Monica M. Ringer, 2020-09-04 This book studies the complex relationship of religion to modernity and argues that modernity should be understood as the consequence not the cause of the new intellectual landscape of the 19th century Shows how the adoption of historicism in the 19th century engendered Islamic modernism as a theological reform movement
