Priestly Pedophiles:

Pedophiles and Priests Philip Jenkins, 2001-08-30 If we can believe the six o'clock news there has been an epidemic of sexual abuse among the clergy and especially among the Roman Catholic clergy This study looks at the entire history of this mushrooming scandal from the first rumblings to the explosion of headlines Provided by publisher [The Silence of Sodom](#) Mark D. Jordan, 2002-05 The past decade has seen homosexual scandals in the Catholic Church becoming ever more visible and the Vatican's directives on homosexuality becoming ever more forceful begging the question Mark Jordan tries to answer here how can the Catholic Church be at once so homophobic and so homoerotic His analysis is a keen and readable study of the tangled relationship between male homosexuality and modern Catholicism Jordan has offered glimpses anecdotal stories and scholarly observations that are a whole greater than the sum of its parts If homosexuality is the guest that refuses to leave the table Jordan has at least shed light on why that is and in the process made the whole issue including a conflicted Catholic Church a little more understandable Larry B Stammer Los Angeles Times Jordan knows how to present a case and with apparently effortless clarity he demonstrates the church's double bind and how it affects Vatican rhetoric the training of priests and ecclesiastical protectiveness toward an army of closet cases This book will interest readers of every faith Daniel Blue Lambda Book Report A 2000 Lambda Literary Award Finalist *Predatory Priests, Silenced Victims* Mary Gail Frawley-O'Dea, Virginia Goldner, 2016-05-06 The sexual abuse scandal in the Catholic Church captured headlines and mobilized public outrage in January 2002 But much of the commentary that immediately followed was reductionistic focusing on single causes of clerical abuse such as mandatory celibacy homosexuality sexual repressiveness or sexual permissiveness anti Catholicism and a decadent secular culture *Predatory Priests Silenced Victims The Sexual Abuse Crisis and the Catholic Church* a collection of groundbreaking articles edited by Mary Gail Frawley O'Dea and Virginia Goldner eschews such one size fits all theorizing In its place the abuse situation is explored in all its troubling complexity as contributors take into account the experiences respectively of the victim survivor the abuser perpetrator and the bystander whether family member professional clergy or the community at large Setting polemics to the side *Predatory Priests Silenced Victims* provides a sober and sobering analysis of the interlacing historical doctrinal and psychological issues that came together in the sexual abuse scandal It is mandatory reading for all who seek thoughtful informed commentary on a crisis long in the making and yet to be resolved *Rethinking Celibacy, Reclaiming the Church* Michael H. Crosby, 2003-07-02 In this courageous work Michael Crosby offers a trenchant analysis of mandatory celibacy in the Roman Catholic Church He shows how the imposition of celibacy has now revealed a deeper issue the abuse of power as well as the abuse of women and homosexuals in the Church Crosby asserts that to argue that the present discipline of mandatory celibacy is based on the New Testament is a misuse of scripture imposed celibacy continues to be used as a means of maintaining clerical control through fear and intimidation a religious system demanding celibacy exposes a deeper control the abuse of power endemic throughout the

system while difficult to live out even when freely chosen enforced celibacy can result in dysfunctional behaviors at all levels Integrating his personal experience as a celibate and cleric with biblical exegesis historical study and the behavioral sciences Crosby believes that healthy celibacy demands intimacy with God and others a healthy church will reorder its current power dynamics in a way that mitigates sexual abuse this will once again reveal Roman Catholicism to be a religion with an inspiring model of evangelical life and witness This updated revision of Crosby's award winning *Celibacy Means of Control or Mandate of the Heart* also addresses the abuse of power in the Catholic Church by those male clerical celibates who control it He convincingly points the way to a Church that will be with all its ministers healthier and holier **My Call to**

Priesthood Ronald Eberley, 2006-01-26 A personal story of one married Roman Catholic male's attempt to become a priest This is the story of Ron Eberley's so far futile effort to become a married priest It is also a clear account of the chequered history and tortuous theology of mandatory celibacy *The Advocate*, 2004-04-13 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States Sex, Priests, and Secret Codes Thomas P. A Wetback in Reverse Frederick Martin-Del-Campo,2014-02-06 Our hero let s call him Freddy for the sake of confusion treks to the land of his forebears that unique land of many names but to the confused and disillusioned we know it as Mexico Why is he there That is the question He suffers many diversions many distractions Many deceptions and many disillusionments befuddle his perceptions of this land of mystery it is lush and lovely hellish and horror filled full of music and full of muckrakers It also turns out that he is there as an illegal alien while searching for the answer to a mystery But Freddy doesn t know he is there illegally He only knows that Life has played a trick on him and instead of persecuting so called Wetbacks within the borders of America he is now a so called Wetback trapped in the land of his forebears persecuted by the government and trying to reverse a very trifling conundrum of misunderstandings borne of the great mystery that caused him to end up in a land where he d thought never to go in the first place With laughter in the heart he runs from the so called Federales while indulging in all the adventures that Mexico has to offer Hence his troubles increase and tribulations bedevil him as he tries to find a way out of one trying mess after another Meanwhile he meets a man he never knew existed but would prove to be the link to the Past he sought and make sense of all the confusion But all the while these troubles chase him back to the American border The wise men say in so many words that nobody knows like Mexicans know the troubles that Mexico knows Therefore to luck we entrust the resolution of this muddle some plot and to the good graces of our readers So read the book and the plot might finally make sense to you And when it does then tell us all about it About the Author Frederick Martin Del Campo also known as Frederick Martin In The Fields is a writer author with a growing reputation among itinerant avant garde artists and other writers in California His writings are now available through international literary venues and he edits his own blogs CHILDREN OF ANGER and the increasingly popular LAST OF THE RED HOT PERVS Frederick is a native of California He worked as a teacher of History and ELT studies while pursuing his calling as writer His most recently published book is the powerful THE MEDITATIONS OF MISERY which reveals the workings of a mind in permanent suspension from reality His grandiose opus CHRONICLES OF WAR AND A WANDERER has received rave reviews both by individual readers as by professional reviewers since it was released in 2007 His poignant biographies of his ancestors can be procured in a two volume series BOUND FOR THE PROMISED LAND He reveals his mastery of the thriller genre with his 2004 release of THE ISLAND OF ESTASIA Upon undertaking these difficult projects he felt they would enrich the literature of American and International lore He has also published a highly regarded poetic anthology of his own entitled ON THE HILL OF CONTEMPLATION His latest contribution to literature A WETBACK IN REVERSE could be described as a labor of love and hate as it recounts his experiences and tribulations in Mexico as he sought to find a way home after being left for lost during a crucial time in his life

From Eden to Golgotha H. H. Charles,2021-04-23 As is well known there are various versions of the Bible But what

is perhaps more important to understand is that the various versions of the Bible are the result of the work of thousands of unknown and unknowable persons who worked over several millennia on the text of various written records in different languages Biblical authorities and scholars who have studied and interpreted these texts usually arrive at a consensus of a correct or nearly correct version of the biblical text Accepting that today's biblical texts result from studied consensus of the texts of the Bible From Eden to Golgotha offers interpretations and suggested understandings that challenge and or contradict standard and accepted interpretations Some examples Why did God select the Jews as his chosen people Is there a basis for the universal condemnation of sex Of divorce Did God conclude he made a mistake in creating mankind Having foretold millennia ago the fate of the Jewish people does history down to this day document his foretelling How much of Jesus examples and teachings have been ignored by those who today flaunt their Christianity Has G K Chesterton's insight that it is not that Christianity has been tried and failed It is that Christianity has never been tried been proven true **Celibacy, Seminary Formation, and Catholic Clerical Sexual Abuse** Vivencio O. Ballano, 2024-04-30 Does the current celibate seminary formation contribute to the persistence of clerical sexual abuse in the Roman Catholic Church Applying sociological theories on socialization total institutions and social resistance as the primary conceptual framework and drawing on secondary literature media reports the author's experience interviews and Church documents this book argues that the Catholic Church's institution of the celibate seminary formation as the only mode of clerical training for Catholic priests has resulted in negative unintended consequences to human formation such as the suspension of normal human socialization in society psychosexual immaturity and weak social control against clerical sexual abuse The author thus contends that celibate training while suitable for those who do live in religious or monastic communities is inappropriate for those who are obliged to live alone and work in parishes As such an alternative model for diocesan clerical formation is advanced A fresh look at the aptness and effects of celibate formation for diocesan clergy this volume is the first to relate the persistence of Catholic clerical sexual abuse to celibate seminary formation exploring the structural links between the two using sociological arguments and proposing an apprenticeship based model of formation which has numerous advantages as a form of clerical training It will therefore appeal to scholars and students of religion sociology and theology as well as those involved with seminary formation *Holding Bishops Accountable* Timothy D. Lytton, 2012-02-29 The prevalence of the sexual abuse of children by Catholic clergy and its shocking cover up by church officials have obscured the largely untold story of the tort system's remarkable success in bringing the scandal to light The lessons of clergy sexual abuse litigation give us reason to reconsider the case for tort reform and to look more closely at how tort litigation can enhance the performance of public and private policymaking institutions *Now is the Appointed Time* Carmen J. Calvanese, 2019-03-06 The necessity for meaningful change and reform in the Roman Catholic Church is not just the opinion of the few but a consensus of the many It is no secret many Catholics today are discontent with the leadership of the church The once bastion

of the faithful are steadily drifting away from Catholicism some for personal reasons but the majority of Catholics that have moved on to other denominations or none at all are those who have become disillusioned and disenchanted by the controlling forces of leadership That is the hierarchy that has failed to modernize the church by bringing its practices and ways of being church into the twenty first century especially the leadership that has insufficiently addressed the causes and remedies of the scandalous abuses of pedophile priests It appears by most accounts that the leadership of the church has not been able to recognize the signs of the times It is rather obvious we live in a troubled world acculturated by sex greed violence and power These self destructive futilities grow from the seeds of obsession in the existence of the many Therefore reforms are absolutely essential to ensure that Catholicism has a future in the world Furthermore! Andrew M. Greeley,1999 The novelist and Catholic priest shares his memories of life as a parish priest his involvement in church politics and important contemporary issues and his thoughts on the people he has met along the way **Sacred Callings** Brian Conway,2025-07-23 Sacred Callings is an innovative sociological study of cross national trends in the global Catholic priesthood Based on a comparative historical analysis of priesthood trends in Argentina Malta Nigeria and the Philippines during 1950 2010 the monograph investigates how significant developments within the Catholic Church have shaped the evolution of vocations over time The book introduces and tests a new critical events theory proposing a four part framework ecumenical councils prophetic stances sexual scandals and papal visits to help explain variation in priesthood trends It demonstrates how these events operate as cues for religious callings as well as how they interact with another Amid a global demographic shift in the Catholic priesthood marked by declining vocations in Western regions and growing numbers in countries such as Nigeria Sacred Callings provides a timely analysis of an important dynamic in the contemporary Church In doing so it offers fresh theoretical and empirical insights into the role of short term events in shaping religious change in modern societies **Feminism and Christian Tradition** Mary-Paula Walsh,1999-05-30 This annotated bibliography a volume in the Greenwood series Bibliographies and Indexes in Religious Studies provides access to the numerous writings from the 1960s through the 1990s on feminism and Christian tradition Major feminist theologians and sociologists are represented As a guide to further research this cross disciplinary approach presents themes and issues in both a historical and a topical framework An extensive overview of feminism in relation to the women s movement women s studies sociology and American religion introduces the literature and provides a historical context for the nearly one thousand entries that follow Cross referenced throughout the literature is presented in six thematic categories that include introductory and background materials feminism and the development of feminist theology topical literatures in feminist theology feminism and womanist theology religious leadership of women and responses and recent developments Separate author subject and title indexes complete the volume **The Ashgate Research Companion to Moral Panics** Charles Krinsky,2016-03-23 The Ashgate Research Companion to Moral Panics offers a comprehensive assemblage of cutting edge critical and theoretical

perspectives on the concept of moral panic All chapters represent original research by many of the most influential theorists and researchers now working in the area of moral panic including Nachman Ben Yehuda and Erich Goode Joel Best Chas Critcher Mary deYoung Alan Hunt Toby Miller Willem Schinkel Kenneth Thompson Sheldon Ungar and Grazyna Zajdow Chapters come from a range of disciplines including media studies literary studies history legal studies and sociology with significant new elaborations on the concept of moral panic and its future informed and powerful critiques and detailed empirical studies from several continents A clear and comprehensive survey of a concept that is increasingly influential in a number of disciplines as well as in popular culture this collection of the latest research in the field addresses themes including the evolution of the moral panic concept sex panics media panics moral panics over children and youth and the future of the moral panic concept

Predator Priest Robert J. McAllister, M.D., Ph.D., 2017-08-31 Predator Priest By Robert J McAllister M D Ph D When the small town of Springer Montana receives a new priest in the parish retired psychiatrist turned rancher Bob Lee forges an unlikely friendship with the mysterious Father Brown But when a young boy dies under strange circumstances alone in the woods with the new priest Springer is in the spotlight and Bob Lee is go between and confidant for the accused Inspired by the worldwide prominence of sexual abuse of children by Catholic clergy Predator Priest will challenge readers attitudes and preconceptions regarding both victimizers and victims In 50 years of psychiatric practice the author has treated numerous victims of abuse and interviewed and treated clergy who were abusers Building on that unique experience the author offers a sympathetic portrait of a predator priest calling on church authorities to do much more to lessen the prevalence of abuse and on the rest of us to have more understanding and more compassion

Confessions, Revised and Updated Matthew Fox, 2015-11-10 Matthew Fox s stirring autobiography Confessions reveals his personal intellectual and spiritual journey from altar boy to Dominican priest to his eventual break with the Vatican Five new chapters in this revised and updated edition bring added perspective in light of the author s continued journey and his reflections on the current changes taking place in the Catholic church Instead of living out his vows as a Dominican brother Matthew Fox was expelled from the Order after 34 years by Cardinal Ratzinger who later became Pope Benedict XVI Fox took this as a warning from the Church that henceforth thinkers should not think but get in line It is from this anti intellectual inquisition style mentality that the cover up of priestly pedophilia also grew as the Vatican appointed several generations of bishops and cardinals whose only criterion for selection was that they be uncritical yes men Confessions tells the inside story of what it was like standing in front of the train when the Vatican was on the attack It also reflects on the meaning of the encouragingly healthy papacy of Pope Francis but holds little hope for the institutional church Rather this book points to the main interest and accomplishments of the author s work to bring spirituality and prophetic warriorhood alive again in society and religion Fox draws inspiration from great mystics of the past such as Hildegard of Bingen a champion of the Divine Feminine and Meister Eckhart a profoundly mystical and ecumenical champion of those

without a voice and the return of the archetype of the Cosmic Christ alongside the teachings of the historical Jesus and the bringing forth of the wisdom traditions from all the world's spiritual traditions to stand up for eco justice gender justice economic justice and social justice
