Brockliss, Jonathan Gnoza**

Public Sex In A Latin Society:

Public Sex in a Latin Society Jacobo Schifter, 2000 This informative book examines the dangers of violence murder and HIV contraction and how community organizations are trying to address these issues Containing interviews with police officials murderers and the sex workers themselves this in depth study discusses data on assault and crime to provide you with information on how individuals can stay safe while seeking sex in public places **BOOK JACKET** [The Latin American Casebook](#) Juan F. Gonzalez-Bertomeu, Roberto Gargarella, 2016-04-20 Traditionally relegated because of political pressure and public expectations courts in Latin America are increasingly asserting a stronger role in public and political discussions This casebook takes account of this phenomenon by offering a rigorous and up to date discussion of constitutional adjudication in Latin America in recent decades Bringing to the forefront the development of constitutional law by Latin American courts in various subject matters the volume aims to highlight a host of creative arguments and solutions that judges in the region have offered The authors review and discuss innovative case law in light of the countries social political and legal context Each chapter is devoted to a discussion of a particular area of judicial review from freedom of expression to social and economic rights from the internalization of human rights law to judicial checks on the economy from gender and reproductive rights to transitional justice The book thus provides a very useful tool to scholars students and litigants alike

[Latina/o Sexualities](#) Marysol Asencio, 2010 Latina os are currently the largest minority population in the United States They are also one of the fastest growing Yet we have very limited research and understanding of their sexualities Instead stereotypical images flourish even though scholars have challenged the validity and narrowness of these images and the lack of attention to the larger social context Gathering the latest empirical work in the social and behavioral sciences this reader offers us a critical lens through which to understand these images and the social context framing Latina os and their sexualities Situated at the juncture of Latina o studies and sexualities studies Latina o Sexualities provides a single resource that addresses the current state of knowledge from a multidisciplinary perspective Contributors synthesize and critique the literature and carve a separate space where issues of Latina o sexualities can be explored given the limitations of prevalent research models This work compels the current wave in sexuality studies to be more inclusive of ethnic minorities and sets an agenda that policy makers and researchers will find invaluable **Invisible No More** Pedro Noguera, Aída

Hurtado, Edward Fergus, 2013-06-17 Latino men and boys in the United States are confronted with a wide variety of hardships that are not easily explained or understood They are populating prisons dropping out of high school and are becoming overrepresented in the service industry at alarming degrees Young Latino men especially have among the lowest wages earned in the country a rapidly growing rate of HIV AIDS and one of the highest mortality rates due to homicide Although there has been growing interest in the status of men in American society there is a glaring lack of research and scholarly work available on Latino men and boys This groundbreaking interdisciplinary volume edited by renowned scholars

Pedro Noguera A da Hurtado and Edward Fergus addresses the dearth of scholarship and information about Latino men and boys to further our understanding of the unique challenges and obstacles that they confront during this historical moment. The contributors represent a cross section of disciplines from health criminal justice education literature psychology economics labor sociology and more. By drawing attention to the sweeping issues facing this segment of the population this volume offers research and policy a set of principles and overarching guidelines for decreasing the invisibility and thus the disenfranchisement of Latino men and boys.

Sexuality, Women, and Tourism Susan Frohlick, 2013. This book is the first to focus on why and how foreign Western women engage in cross border sexual and intimate relations as tourists travelling or temporarily dwelling in a Central American country. The book combines descriptions of women's travels and sexual relations across racial and class boundaries with feminism postcolonial theory and poststructuralist theories of gender and sexuality to show how tourism as a wide range and set of desires serves as a central shaping force in the formation of women's sexual subjectivities in contemporary life in postindustrial capitalism. In doing so it offers new insights into how tourist women express heterosexuality shaped by gender race class and identities.

Mucho Macho Chris Girman, 2013-12-16. Quality research uniquely enhanced by the author's personal experience. In one of the first books to examine machismo from the perspective of Latin American and Latino men Chris Girman relies on a compelling combination of ethnographic research and personal experience to explain how macho men like the author himself regulate and sustain same sex erotic encounters. Girman incorporates his own sexual experiences with a variety of Latin men into the book infusing his writing with the unique perspective and vivid description that can only be related by someone who has lived the research he writes about. While most of the literature on Latin American male same sex desire ignores the significance of the male body in its investigation this book shows why it is essential to focus on the macho male body and re evaluates so called machismo to forge a more nuanced description of Latin American masculinity. Girman incorporates his own sexual experiences with a variety of Latin American men into the book infusing his writing with the unique perspective and vivid descriptions that can only be related by someone who has lived the research he writes about. With this book you will become familiar with various kinds of Latin American homosexual behavior. Here is a glimpse at what you will find inside Machismo Practice Theorists and Macho Performance summarizes previous research on Latin American male homo sexuality and defines the author's concept of machismo and Latin American masculinity. Head Hands Balls and Ass shows why focusing on the body as living matter rather than metaphor as is done in so many other books on sexuality is the ideal point of entry into the study of Latin American male homo sexuality and masculinity. This chapter focuses on specific regions of the macho body head hands balls and ass to explain how machismo actually promotes rather than denies sexual encounters between men. It also shows the importance of the Latin American family as a variable that structures the manner and frequency in which homo sexual encounters occur. The Dominican T guere and Hegemonic Masculinities takes a specific look at a very peculiar form of

hegemonic masculinity relying on cunning more than strength to come out on top that is indigenous to the Dominican Republic This chapter also tells the stories of five of the author's sexual encounters in that nation and discusses the tiguere style of masculine performance Desire in a Costa Rican Prison analyzes the ways in which desire power and pleasure are constituted in the Latin American prison environment Historical Representations of Same Sex Desire examines two short stories El Matadero Esteban Echeverria and Comienza el Desfile Reinaldo Arenas which highlight male eroticism as important concepts within discourses on national identity Both stories conceptualize same sex desire within specific historical moments and demonstrate how male homo sexuality emerges and represents itself not in contrast to the dominant discourse but within that discourse itself Familiar Familial Voices Latino Men Speak Out documents the voices of gay identified Latino men living in Central Texas men who have come to love other Latin Black and Anglo men in the context of very full lives These men reveal their conceptions of identity race performance resistance family pleasure desire masculinity silence and place Performing Matter's Masculinity the Male Body and the Evocation of the non real defies the notion that written representations can capture the lived realities of

The Oxford Handbook of Latin American History Jose C. Moya, 2011 This Oxford Handbook comprehensively examines the field of Latin American history

The Queer Encyclopedia of the Visual Arts Claude Summers, 2012-03-23 A distinctly queer presence permeates the history of the visual arts from Michelangelo's David and homoerotic images on ancient Greek vases to Frida Kahlo's self portraits and the photography of Claude Cahun and Robert Mapplethorpe The Queer Encyclopedia of the Visual Arts is a comprehensive work showcasing the enormous contribution of gay lesbian bisexual transgender and queer artists to painting drawing photography printmaking sculpture and architecture International in scope the volume includes overviews of the various periods in art history from Classical Art to Contemporary Art and from African Art to Erotic and Pornographic Art discussions of topics ranging from AIDS Activism in the Arts Censorship in the Arts and the Arts and Crafts Movement to Pulp Paperbacks and Their Covers surveys of the representation of various subjects in the visual arts from Androgyny to Vampires and biographical entries on significant figures in the history of art such as Andy Warhol Keith Haring El Greco Leonardo da Vinci David Hockney Ruth Bernhard Rosa Bonheur Romaine Brooks Simeon Solomon and Nahum Zenil Includes more than 100 illustrations and photographs

Political Struggle in Latin America Craig L. Arceneaux, 2022-09-23 This book discusses in an accessible way how emerging globalizing processes are setting the stage for new forms of social and political struggle in Latin America with increased involvement of multilateral and foreign actors and impacts of global political populism and populist social media These are opening up new strategies and opportunities for activists and offer new arenas of contestation for international organizations The book analyzes the struggles of select marginalized groups specifically the urban poor indigenous groups women's and LGBTQ groups and the vulnerable middle classes Each case is examined in the context of a distinct struggle for citizenship identity inclusion and or the rule of law The study offers a broad historical analysis of the region through the

context of these struggles It tackles some of the most pressing issues surrounding the current politics of Latin America including identity politics cultural appropriation social mobilization and protest neoliberal reform reproductive rights and sexual autonomy corruption the influence of religion and patriarchy crime and social justice inequality and poverty the informal economy and urban exclusion In doing so it details not only how these are not new struggles but also how they have evolved over time In the contemporary period the book explores how the actors as well as character of their struggle are changing through a globalized interchange of ideas and processes The book covers a wide geographical area in Latin America with a particular focus on countries with Spanish or Portuguese colonial backgrounds and is for researchers students and laypersons interested in new globalizing forces affecting Latin American society and polity **The Palgrave Handbook of EU-Latin American Relations** José Antonio Sanahuja, Roberto Domínguez, 2025-02-24 This Handbook explores the interactions within the Euro Latin American region and analyzes the interests norms and practices of actors influencing the governance of interregional issues and policies The chapters examine how states and non state players in the Atlantic region tackle issues related to asymmetries development disparities and adaptation to the global system Eight sections cover the unique characteristics of the interregional connections between the European Union EU and Latin America The first examines multiple perspectives on defining and understanding Euro Latin American Space and the second continues with explaining the role of three leading EU institutions in the relationship with Latin America EU relations with Latin American regions and some individual countries are the subject of sections three and four The economic and political bi regional agendas are explored in sections five and six This Handbook closes with two sections focused on the societal experiences and the role of external actors *The Mentor* Jay Quinn, 2014-04-23 Examine a moving personal narrative about growing up gay in the south Students teachers and anyone interested in gay studies and experiences will find that *The Mentor* A Memoir of Friendship and Gay Identity a 2001 Lambda Literary Foundation Gay Male Biography Autobiography Award finalist delivers a captivating and honest look into the challenges of growing up gay through the context of firsthand experiences revelations and realizations This unique book is an intelligent and personal narrative that considers the social religious and emotional aspects of what it is like to grow up as a gay male in the south and examines the enormous social changes regarding homosexuality that have taken place in America during the last half of the century Written to reveal the importance of the author s mentor in helping him form his self identity and educating him about being gay this book challenges the stereotypical idea that unlike heterosexuals gay men are not able to form nurturing fulfilling bonds between themselves *The Mentor* delivers an inspiring story about accepting and understanding your sexuality with the help and guidance of other men who have traveled the road to a successful gay identity This unique book offers the courage strength and support of a mentor to help guide you through the trials that many young gay men experience such as recognizing the possibilities of exploitation by older gay men due to a lack of emotional and social experience creating a loyal relationship

with a man that does not include sex but which satisfies emotional needs that many gay men need and long for discovering the importance of a mentor to gay youths since there are few homosexual role models to learn from Sincere and well written The Mentor provides insight into everything from the author s experience with intolerance of homosexuality by certain religions to struggles with fidelity and infidelity illustrating the difficult yet universal challenges of life relationships The Mentor contains suggestions that will help you recognize that your feelings of desire and love and your quest for human connection as a gay man are not the distorted reflections of a heterosexual image but a healthy gay identity With this unique book you will discover how to make the shift from confusion to full acceptance of your gay identity you will understand that you are not alone and perhaps you will be encouraged to pass on the legacy of a mentor to other young gay men

Changing Men and Masculinities in Latin America Matthew C. Gutmann,2003-01-20 Essays drawn from a variety of disciplines both review and challenge current understandings of masculinity in Latin America *Historical Dictionary of Women's Education in the United States* Linda Eisenmann,1998-07-17 The history of women s education in the United States presents a continuous effort to move from the periphery to the mainstream and this book examines both formal and informal opportunities for girls and women Through an introductory essay and nearly 250 alphabetically arranged entries this reference book examines institutions persons ideas events and movements in the history of women s education in the United States The volume spans the colonial era to the present exploring settings from formal institutions such as schools and colleges to informal associations such as suffrage groups and reform organizations where women gained skills and used knowledge A full picture of women s educational history presents their work in mainstream institutions sex segregated schools and informal organizations that served as alternative educational settings Educational history varies greatly for women of different races classes and ethnicities The experience of some groups has been well documented Thus entries on the Seven Sisters women s colleges and the reform organizations of the Progressive Era convey wide historical detail Other women have been studied only recently Thus entries on African American school founders or women teachers present considerable new information that scholars interpret against a wider context Finally some women s history has yet to be adequately explored Hispanic American women and Catholic teaching sisters are discussed in entries that highlight historical questions still remaining Each entry is written by an expert contributor and concludes with a brief bibliography The volume closes with a timeline of women s educational history and a list of important general works for further reading What is Latin American History? Marshall Eakin,2021-09-13 What is Latin American History surveys the development of this vibrant and dynamic field of study in North America Latin America and Europe After briefly sketching the growth of the topic up to the 1960s Marshall Eakin focuses on the past half century from the dominance of social history to the cultural turn He surveys innovative work on topics including slavery indigenous peoples race the environment science medicine and gender and ends with a discussion of the emergence of the concepts of borderlands the Atlantic world and transnational history that

both enrich and challenge the very idea of Latin America This concise volume offers the first broad overview of Latin American history and historiography for students scholars and the general reader outlining the key social cultural and political forces that have shaped both Latin America and its study *Learning Latin and Greek from Antiquity to the Present* Elizabeth P. Archibald, William Brockliss, Jonathan Gnoza, 2015-02-26 This volume provides a unique overview of the broad historical geographical and social range of Latin and Greek as second languages It elucidates the techniques of Latin and Greek instruction across time and place and the contrasting socio political circumstances that contributed to and resulted from this remarkably enduring field of study Providing a counterweight to previous studies that have focused only on the experience of elite learners the chapters explore dialogues between center and periphery between pedagogical conservatism and societal change between government and the governed In addition a number of chapters address the experience of female learners who have often been excluded from or marginalized by earlier scholarship **Nobody's Normal** Roy Richard Grinker, 2021-01-26 A compassionate and captivating examination of evolving attitudes toward mental illness throughout history and the fight to end the stigma For centuries scientists and society cast moral judgments on anyone deemed mentally ill confining many to asylums In *Nobody's Normal* anthropologist Roy Richard Grinker chronicles the progress and setbacks in the struggle against mental illness stigma from the eighteenth century through America's major wars and into today's high tech economy *Nobody's Normal* argues that stigma is a social process that can be explained through cultural history a process that began the moment we defined mental illness that we learn from within our communities and that we ultimately have the power to change Though the legacies of shame and secrecy are still with us today Grinker writes that we are at the cusp of ending the marginalization of the mentally ill In the twenty first century mental illnesses are fast becoming a more accepted and visible part of human diversity Grinker infuses the book with the personal history of his family's four generations of involvement in psychiatry including his grandfather's analysis with Sigmund Freud his own daughter's experience with autism and culminating in his research on neurodiversity Drawing on cutting edge science historical archives and cross cultural research in Africa and Asia Grinker takes readers on an international journey to discover the origins of and variances in our cultural response to neurodiversity Urgent eye opening and ultimately hopeful *Nobody's Normal* explains how we are transforming mental illness and offers a path to end the shadow of stigma **AIDS, Culture, and Gay Men** Douglas A. Feldman, 2010 *AIDS Culture and Gay Men* addresses the urgent need for research on HIV and the behaviors of men who have sex with men Based on studies in the U S Australia Greece and Belgium the authors provide ethnographic epidemiological biological and historical data and cover issues of risk ethics language and the nature of evidence all directed at developing effective forms of intervention Shirley Lindenbaum City University of New York This book makes a compelling case that culturally oriented anthropological research is essential in understanding and responding to the AIDS crises among MSM and in gay communities Serena Nanda City University of New

York There are approximately seven million adult gay and bisexual men in the United States and 120 million adult gay and bisexual men globally This highly readable volume of original essays explores the cultural dimensions of AIDS among men who have sex with men MSM The traditional emphasis in HIV AIDS research within gay communities has focused on sexual behavior and psychological issues Yet to better understand the social and cultural dimensions of the disease and to halt the spread of HIV it is essential to recognize and understand the culture of MSM Cultural anthropologists unquestionably are in a unique position to achieve this understanding Douglas Feldman has gathered a diverse group of experts to contribute to this collection and the volume features a wealth of scholarly data unavailable elsewhere

Food consumption disparities, public health and sustainability in latin america and the caribbean Andres Silva,Rodrigo Perez-Silva,Mayarí Castillo,2023-03-27 *Heterogender Homosexuality in Honduras* Manuel Fernández-Alemany,Stephen O. Murray,2002 This ethnography of the sexual culture of males who have sex with males in the lower class part of San Pedro Sula Honduras shows that the analytic distinction between gender and sexuality is inoperative for Honduran men It provides original research and innovative analysis of Latin American sexual culture and the gendering of Latino sexualities and based on the views of lower class Hondurans challenges the heralding of globalization as liberation The collaboration between a Latin American anthropologist and an American comparativist sociologist is particularly novel and noteworthy for including the perspectives on homosexuality of the young men hombres who penetrate those classified as homosexuals and makes important contributions to Latin American studies gender studies cultural studies and to understanding sexual cultures

Women's Movements and Public Policy in Europe, Latin America, and the Caribbean Geertje A. Nijeholt,Saskia Wieringa,2019-05-23 The triangle of empowerment is how this volume s editors describe the three sets of actors involved in women s collective struggles in the political arena the women s movement feminist politicians and feminist civil servants Original case studies from Europe Latin America and the Caribbean analyze the political struggles women are waging to make their voices heard and to place women s issues on the agenda in different societies
