

# REDEMPTION

A dark, atmospheric illustration of a stormy street at night. In the center, a hooded figure stands with arms outstretched, surrounded by a bright, glowing light. Lightning bolts strike down from a dark, cloudy sky. Debris, including leaves and small objects, is falling through the air. The scene is framed by dark, silhouetted buildings on either side, with some windows glowing with light.

itself and demonstrates how the speech an exultant blend of grand poetry and powerful elocution perfectly expressed the story of African American freedom This book is the first to set King s speech within the cultural and rhetorical traditions on which the civil rights leader drew in crafting his oratory as well as its essential historical contexts from the early days of the republic through present day Supreme Court rulings At a time when the meaning of the speech has been obscured by its appropriation for every conceivable cause Sundquist clarifies the transformative power of King s Second Emancipation Proclamation and its continuing relevance for contemporary arguments about equality The I Have a Dream speech and all that surrounds it background and consequences are brought magnificently to life In this book he gives us drama and emotion a powerful sense of history combined with illuminating scholarship The New York Times Book Review Editor s Choice     **A**
