Reflecting Christ:

Reflecting Christ Ellen G. White, 2009-08 During her 70 year ministry the author spoke through her pen to young people to church members and to the world in the The Youth s Instructor the Review and Herald and The Signs of the Times Selections for this book have been drawn from these three periodicals as well as from her books and previously unpublished manuscripts and letters Foreword *In His Image* Michael J. Wilkins, 2020-04-06 A Disciple will be like his teacher Luke 6 40 What does it mean to be a follower of Jesus The ultimate goal of discipleship is to be like the Teacher to be like Jesus Himself Every Christian wants to understand what that means But even if we understand it is it possible Michael Wilkins asserts that it s not only possible it s a life that all Christians are called to not just a select few So why do we so seldom experience it As Wilkins points out even the first followers of Jesus had a hard time grasping what it meant to be His disciples Like them our difficulty often lies in not clearly understanding who Jesus is not recognizing the resources available to us as God s children or not believing who we are to be as Christ s followers But like the early disciples our lives can radically change If we want to follow Jesus we can become like Him Jesus takes us exactly as He finds us writes Wilkins and transforms us into His likeness So come learn what it means to walk with Jesus and reflect His image to the real world

Life-study of James and the Epistles of Peter Witness Lee, 2023-09-27 In *Life study of James* Witness Lee emphasizes two key points related to the Epistle of James first that the believers must progress in practical Christian perfection and second that the believers must be careful not to cultivate such perfection without a clear vision concerning the law and grace of God in God's New Testament economy In *Life study of First Peter* he describes the Christian life under the government of God with its high demand and in *Life study of Second Peter* he details the divine provision that supplies the believers with all that they need to meet that high demand The Spirit-Filled Life: The Fruit of the Spirit in Galatians Daniel Payne, 2024-01-28 The fruit of the Spirit is a biblical term that encapsulates the nine key attributes evident in the life of a person living in harmony with the Holy Spirit These characteristics are essential for anyone aiming to lead a

The Work of Self-Representation Ivy Schweitzer, 2000-11-09 In *The Work of Self Representation* Ivy Schweitzer examines early American poetry through the critical lens of gender Her concern is not the inclusion of female writers into the canon rather she analyzes how the metaphors of woman and feminine function in Puritan religious and literary discourse to represent both the otherness of spiritual experience and the ways in which race and class function to keep the other in marginalized positions Schweitzer argues that gender was for seventeenth century new England and still is today a basic and most politically charged metaphor for the differences that shape identity and determine cultural position To glimpse the struggle between gender ideology and experience Schweitzer provides close readings of the poetry of four New Englanders writing between the Great Migration and the first wave of the Great Awakening John Fiske Edward Taylor Anne Bradstreet and Roger Williams Schweitzer focuses exclusively on lyric poetry she says because a first person speaker wrestling with the intricacies of individual consciousness provides fruitful ground for exploring the politics of voice and identity and especially problems of authority intertextuality and positionality Fiske and Taylor define the orthodox tradition and Bradstreet and Williams in different ways challenge it Her treatment of the familiar poetry of Bradstreet and Taylor is solidly grounded in historical and literary scholarship yet suggestive of the new insights gained from a gender analysis while discussions of Fiske and Williams bring their little known lyric work to light Taken together these poets texts illustrate the cultural construction of a troubled masculinity and an idealized effaced femininity implicit in the Puritan notion of redeemed subjectivity and constitute a profoundly disturbing and resilient part of our Puritan legacy

The Spirit and the Body Witness Lee, 2024-02-15 Endeavoring to keep the oneness of the Spirit in the bond of peace Eph 4:3 As believers we should be desperate to keep the oneness This oneness is not the oneness of doctrine or the oneness of theology it is the oneness of the Spirit The oneness of the Spirit is just the Spirit Himself To keep the oneness of the Spirit is to keep the Spirit If we are not in the Spirit we are not in the oneness And if we are not in the Spirit we cannot say that we are in the Body The Body is one with the Spirit and the Spirit is the reality of the Body If we are not in the Spirit we are not in the oneness but in division In *The Spirit and the Body* Witness Lee presents clear and penetrating examples that test whether our living is genuinely in the Spirit and in the Body He goes on to reveal that the Lord's recovery in this age is fundamentally a recovery of the oneness of the Body
