Patterns of Kingship and Authority in Traditional Asia I. W. Mabbett, 2024-11-01 There has been a tendency to neglect the political life of Asia in favour of religious and aesthetic considerations The myth of the changeless East dies hard Few people are aware that the earliest legislation for the rights of the common man go back to the Sumerians and that outlines for a social contract were drawn up by Indian Buddhists two thousand years before Locke and Rousseau First published in 1985 Patterns of Kingship and Authority in Traditional Asia provides an excellent survey of traditional Asian ideas of government from the earliest kingdoms of the Sumerians and the Egyptians to the time when Western influence first made itself felt Each chapter is written by a specialist on a particular country or region of Asia who seeks to identify some of the essential features of its traditional royal or imperial authority Particularly fascinating is the way in which traditional institutions continue to have a vital influence upon Asian countries The serious reader will obtain a clear outline of traditional Asian ideas and systems of government and will indirectly acquire a deeper understanding of other aspects of Asian civilisations

Ancient Southeast Asia John Norman Miksic, Goh Geok Yian, 2016-10-14 Ancient Southeast Asia provides readers with a much needed synthesis of the latest discoveries and research in the archaeology of the region presenting the evolution of complex societies in Southeast Asia from the protohistoric period beginning around 500BC to the arrival of British and Dutch colonists in 1600 Well illustrated throughout this comprehensive account explores the factors which established Southeast Asia as an area of unique cultural fusion Miksic and Goh explore how the local population exploited the abundant resources available developing maritime transport routes which resulted in economic and cultural wealth including some of the most elaborate art styles and monumental complexes ever constructed The book's broad geographical and temporal coverage including a chapter on the natural environment provides readers with the context needed to understand this staggeringly diverse region It utilizes French Dutch Chinese

Malay Indonesian and Burmese sources and synthesizes interdisciplinary theoretical perspectives and data from archaeology history and art history Offering key opportunities for comparative research with other centres of early socio economic complexity Ancient Southeast Asia establishes the area s importance in world history Biological Anthropology and Prehistory Patricia C. Rice,Norah Moloney,2016-12-05 Written specifically for courses that cover biological anthropology and archaeology this superbly illustrated new text offers the most balanced and up to date introduction to our human past Devoting equal time to biological anthropology and prehistory this text exposes students to the many sides of major controversial issues involving students in the scientific thought process by allowing them to draw their own conclusions Amidst discussions of bones and artifacts the text maintains a focus on people demonstrating to students how biological anthropology and archaeology apply to their lives today Featuring the latest research and findings pulled from the original sources this new text is far and away the most up to date text available In addition the superior art program features hundreds of photographs and figures and the multimedia presentation options include documentary film clips and lecture launcher videos Pat Rice a recipient of AAA s Outstanding Teacher Award and past president of the General Anthropology Division of AAA and Norah Moloney an experienced professor and active archaeologist present the material in a clear refreshing and straightforward writing style *Catalogue of the Library of the Peabody Museum of Archaeology and Ethnology* Peabody Museum of Archaeology and Ethnology. Library,1963 **Spirits and Ships** Andrea Acri,2017-03-13 This volume seeks to foreground a borderless history and geography of South Southeast and East Asian littoral zones that would be maritime focused and thereby explore the ancient connections and dynamics of interaction that favoured the encounters among the cultures found throughout the region stretching from the Indian Ocean littorals to the Western Pacific from the early historical period to the present Transcending the artificial boundaries of macro regions and nation states and trying to bridge the arbitrary divide between inherently cosmopolitan high cultures e g Sanskrit Sinitic or Islamicate and local or indigenous cultures this multidisciplinary volume explores the metaphor of Monsoon Asia as a vast geo environmental area inhabited by speakers of numerous language phyla which for millennia has formed an integrated system of littorals where crops goods ideas cosmologies and ritual practices circulated on the sea routes governed by the seasonal monsoon winds The collective body of work presented in the volume describes Monsoon Asia as an ideal theatre for circulatory dynamics of cultural transfer interaction acceptance selection and avoidance and argues that despite the rich ethnic linguistic and sociocultural diversity a shared pattern of values norms and cultural models is discernible throughout the region **History of Civilizations of Central Asia** Dani, Ahmad Hasan,Masson, V. M.,UNESCO,1992-12-31 Volume 1 of this UNESCO multi volume series traces the history of man in this vast region from the Palaeolithic beginnings to circa 700 BC when the foundations of the Achaemenian Empire were laid The earliest history of man is evidenced and the food producing areas of Turkmenistan Tajikistan and the Indus Valley explored The Bronze Age and the first signs of urbanization from the Indus to

the Oxus are described as is the development of the nomadic pastoral tribes such as the Aryans whose history can be seen in proper perspective through archaeological evidence now available A comprehensive first instalment for any enthusiast interested in the history and development of Asia **History of Civilizations of Central Asia** Ahmad Hasan Dani,Vadim Michajlovič Masson,Vadim Mikhaïlovich Masson,1999 **The Indus Civilization** Gregory L. Possehl,2002-11-11 The Indus Civilization of India and Pakistan was contemporary with and equally complex as the better known cultures of Mesopotamia Egypt and China The dean of North American Indus scholars Gregory Possehl attempts here to marshal the state of knowledge about this fascinating culture in a readable synthesis He traces the rise and fall of this civilization examines the economic architectural artistic religious and intellectual components of this culture describes its most famous sites and shows the relationships between the Indus Civilization and the other cultures of its time As a sourcebook for scholars a textbook for archaeology students and an informative volume for the lay reader The Indus Civilization will be an exciting and informative read **Maryland School Bulletin** Maryland. State Dept. of Education,1922 *The Politics of Public Memory in Turkey* Esra Özyürek,2007-01-18 Turkish society is frequently accused of having amnesia It has been said that there is no social memory in Turkey before Mustafa Kemal Atatürk founded modern Turkey after World War I Indeed in 1923 the newly founded Turkish Republic committed to a modernist future by erasing the memory of its Ottoman past Now almost eighty years after the establishment of the republic the grandchildren of the founders have a different relationship with history New generations make every effort to remember record and reconcile earlier periods The multiple personalized representations of the past that they have recovered allow contemporary Turkish citizens to create alternative identities for themselves and their communities Unlike its futuristic and homogenizing character at the turn of the twentieth century Turkish nationalism today uses memory to generate varied narratives for the nation and its minority groups Contributors to this volume come from such diverse disciplines as anthropology comparative literature and sociology but they share a common understanding of contemporary Turkey and how its different representations of the past have become metaphors through which individuals and groups define their cultural identity and political position They explore the ways people challenge reaffirm or transform the concepts of history nation homeland and Republic through acts of memory effectively demonstrating that memory can be both the basis of cultural reproduction and a form of resistance **Bulletin of Education** University of Kansas. School of Education,1926 **Ancient Pakistan - An Archaeological History** Mukhtar Ahmed,2014-10-18 This is the fourth volume of the Ancient Pakistan An Archaeological History It deals with a number of issues of the Indus Civilization which are primarily of theoretical importance The main topics that have been discussed are the social and political organization of the Harappan society the Harappan religion the Indus script and language the beginning and the end of this vast civilization and the recent attempts in creating some myths around the Indus Civilization Since this volume is primarily dedicated to the theoretical and the abstract descriptive material is kept to a minimum The Austronesian Story in Western Zhou Bronze

J.G. Cheock,2020-01-01 Austronesian Art and Genius brought us on a journey of discovery Book 2 The Austronesian Dilemma explored the abundant jade artifacts left by our ancestors to find answers to the questions of our past In the 3rd book of the Austronesian series The Austronesian Story in Western Zhou Bronze we listen to the story told by ancient bronze vessels found on the Philippine islands and correlate them with similar artifacts of Classical China These bronze vessels made in the piece mold casting method were able to hold extremely fine detail including ancient texts that captured historical events giving us a precious opportunity to learn about the past as narrated by those who were actually there **Bronze 'Bathtub'**

Coffins In the Context of 8th-6th Century BC Babylonian, Assyrian and Elamite Funerary Practices Yasmina Wicks,2015-10-31 This volume is dedicated to the examination of a small corpus of bronze U shaped burial receptacles from ancient Mesopotamia and Elam dubbed bathtub coffins for their characteristic apsidal shape reminiscent of a style of 19th and early 20th century bathtub **Ramp Hollow** Steven Stoll,2017-11-21 How the United States underdeveloped

Appalachia Appalachia among the most storied and yet least understood regions in America has long been associated with poverty and backwardness But how did this image arise and what exactly does it mean In Ramp Hollow Steven Stoll launches an original investigation into the history of Appalachia and its place in U S history with a special emphasis on how generations of its inhabitants lived worked survived and depended on natural resources held in common Ramp Hollow traces the rise of the Appalachian homestead and how its self sufficiency resisted dependence on money and the industrial society arising elsewhere in the United States until beginning in the nineteenth century extractive industries kicked off a scramble for Appalachia that left struggling homesteaders dispossessed of their land As the men disappeared into coal mines and timber camps and their families moved into shantytowns or deeper into the mountains the commons of Appalachia were in effect enclosed and the fate of the region was sealed Ramp Hollow takes a provocative look at Appalachia and the workings of dispossession around the world by upending our notions about progress and development Stoll ranges widely from literature to history to economics in order to expose a devastating process whose repercussions we still feel today
