**Musings and Reflections** William Galvin,2016-11-23 After Reflections On A Moon my meanderings took me to a long stay in Arizona another trip to see family and friends in Texas a few weeks later and to a new apartment after packing up 30 plus years of memories and selling the house So the journey continued and in Musings and Reflections I share the interpretations of what I saw and heard and felt on that path Many good people of soul have impressed me when their journeys have intersected with mine Plus many great minds have inspired me with their words passed forward through time and some are quoted here in what would have been empty white spaces There is so much beauty out there to be seen felt and expressed from a tear to a laugh from a loss to a light from a river to a mountain from a speck of sand to a star and all the moons and moods between the best and the worst are all beautiful when accepted as part of the whole fabric of Life Bill Galvin Plainville MA
