Refractions Of Masculinity:

Men of Their Words Nigel Harkness, 2017-12-02 Whereas the centrality of femininity to nineteenth century French fiction has been the focus of widespread critical attention masculinity has until recently received little sustained treatment in either the literary or socio historical domains In this book Nigel Harkness uses the fiction of George Sand 1804 1876 the pre eminent woman writer of the period to explore questions of masculinity as they pertain to the nineteenth century French novel and to map out new approaches to the study of literary masculinity Drawing on contemporary theories of gender and narrative Harkness reveals how Sands novels repeatedly focus on a nexus of language masculinity and power in which narrative is both a vehicle for the expression of manhood and a site where masculinity is discursively performed Masculinity is thus reconfigured in Sands fiction as an identity constituted as much through words as through actions Analysis of the performances of masculinity staged in Sands novels opens onto an exploration of gendered processes of literary representation the links between masculinity and the doxa the equation of writing and power the homosocial function of acts of narration and the masculinity of authorship and authority

Masculinity and the Paradox of Violence in American Fiction, 1950-75 Maggie McKinley, 2016-10-20 An examination of the relationship between violence and masculinity in works by Richard Wright Norman Mailer Saul Bellow James Baldwin and Philip Roth highlighting the inherent paradox whereby masculinity in this fiction is both asserted and undermined by acts of aggression

Jyväskylä studies in the arts ,1995 **Andy Warhol's Blow Job** Roy Grundmann, 2003 In this ground breaking and provocative book Roy Grundmann contends that Andy Warhol s notorious 1964 underground film Blow Job serves as rich allegory as well as suggestive metaphor for post war American society s relation to homosexuality Arguing that Blow Job epitomizes the highly complex position of gay invisibility and visibility Grundmann uses the film to explore the mechanisms that constructed pre

Stonewall white gay male identity in popular culture high art science and ethnography Grundmann draws on discourses of art history film theory queer studies and cultural studies to situate Warhol's work at the nexus of Pop art portrait painting avant garde film and mainstream cinema His close textual analysis of the film probes into its ambiguities and the ways in which viewers respond to what is and what is not on screen Presenting rarely reproduced Warhol art and previously unpublished Ed Wallowitch photographs along with now iconic publicity shots of James Dean Grundmann establishes *Blow Job* as a consummate example of Warhol's highly insightful engagement with a broad range of representational codes of gender and sexuality Roy Grundmann is Assistant Professor of Film Studies at Boston University and a contributing editor of *Cineaste*

Politics of Chinese Language and Culture Bob Hodge, Kam Louie, 2012-11-12 An innovative text which adopts the tools of cultural studies to provide a fresh approach to the study of Chinese language culture and society The book tackles areas such as grammar language gender popular culture film and the Chinese diaspora and employs the concepts of social semiotics to extend the ideas of language and reading Covering a range of cultural texts it will help to break down the boundaries around the ideas and identities of East and West and provide a more relevant analysis of the Chinese and China

War-torn Tales Danielle Hipkins, Gill Plain, 2007 This book is the outcome of a successful workshop held in Leeds in September 2003 and explores the effects of World War II on the representation of gender in post war literature film and popular culture juxtaposing Western European experience with US Soviet and Japanese It aims to outline the different ways in which these representations evolved in post war attempts both to re-establish social order and reconstruct national identity It gives the reader an overview of the similarities and differences that have emerged in the representation of war and gender in different cultures and media as a result of social expectations political change and individual artistic innovation The essays are linked by their concern with three key questions how are emotion and gender represented in relation to the experience of war what is the impact of war on the dynamic between the genders and as the memory of war recedes is it possible to identify chronological shifts in the artistic response to the conflict

Routledge Handbook of Street Culture Jeffrey Ross, 2020-10-05 Discussions of street culture exist in a variety of academic disciplines yet a handbook that brings together the diversity of scholarship on this subject has yet to be produced The Routledge Handbook of Street Culture integrates and reviews current scholarship regarding the history types and contexts of the concept of street culture It is comprehensive and international in its treatment of the subject of street culture Street culture includes many subtypes situations locations and participants and these are explored in the various chapters included in this book Street culture varies based on numerous factors including capitalism market societies policing ethnicity and race but also advances in technology The book is divided into four major sections Actors and street culture Activities connected to street culture The centrality of crime to street culture and Representations of street culture Contributors are well respected and recognized international scholars in their fields They draw upon contemporary scholarship produced in the social sciences arts and

humanities in order to communicate their understanding of street culture The book provides a comprehensive and accessible approach to the subject of street culture through the lens of an inter and or multidisciplinary perspective It is also intersectional in its approach and consideration of the subject and phenomenon of street culture **Painted and Photographed Portraits in Finland 1839-1870** Unto Käyhkö,1995 **Philip Roth in Context** Maggie McKinley,2021-07-22 Written by leading scholars on Philip Roth from around the globe this book offers new insight into the various contexts that inform his body of work It opens with an overview of Roth s life and literary influences before turning to important critical geographical theoretical cultural and historical contexts It closes with focused meditations on the various iterations of Roth s legacy from the screen to international translations of his work to his signature stylistic imprint on American letters Together all of these chapters reveal Roth s range as a writer as he interrogates American national identity and history and explores the dimensions of the individual self **Directory of Traditional Music** ,1995 **Young Black Street Masculinities** Brendan King,2022-02-12 This book describes how young Black men on a disadvantaged housing estate in London navigate the estate s expectations for their behaviour as they operate within a street code that endorses violence knife carrying and challenging masculinity This street code informs the men s masculine identities by promoting values of misogyny violence and the possession of expensive material objects while subduing any performance or features deemed as weak or feminine Chapters detail the daily pressure on young men to gain respect and perform the estate s street code while also providing examples of young men who have escaped or rejected its influence King also outlines how youth workers can support those trapped by the estate s street code by embodying personalised or caring masculinity features that seek to transform the dominant masculinity **Love's Refraction** Jillian Deri,2015-03-27 Popular wisdom might suggest that jealousy is an inevitable outcome of non monogamous relationships In *Love s Refraction* Jillian Deri explores the distinctive question of how and why polyamorists people who practice consensual non monogamy manage jealousy Her focus is on the polyamorist concept of compersion taking pleasure in a lover s other romantic and sexual encounters By discussing the experiences of queer lesbian and bisexual polyamorous women Deri highlights the social and structural context that surrounds jealousy Her analysis making use of the sociology of emotion and feminist intersectionality theory shows how polyamory challenges traditional emotional and sexual norms Clear and concise *Love s Refraction* speaks to both the academic and the polyamorous community Deri lets her interviewees speak for themselves linking academic theory and personal experiences in a sophisticated engaging and accessible way **Black Manhood in James Baldwin, Ernest J. Gaines, and August Wilson** Keith Clark,2004-01-22 Explores the novels short stories and plays of three African American writers to demonstrate how they challenged classic portrayals of black men in earlier literature Discusses how the identity of black men changed from one equated with victimization isolation and patriarchy to one of community camaraderie and intimacy **Gender and Young People's Digital Sexual Cultures** Deevia Bhana,2025-08-13 This volume focuses on the role of gender in young

peoples digital sexual cultures in South Africa Offering a snapshot of their lives as they navigate the online world this book explores young people s heterosexual desires and the materialisation of gender inequalities The chapters in the book take heed of human and more than human elements and understand the connection between devices technologies images sexting filters pornography sexuality and violence as affective flows with potential for new becomings and new constraints Chapters also detail how these experiences are woven with global and local norms regarding heterosexuality masculinity and femininity shaping young peoples web surfing experiences amid pleasure and peril Chapter 1 is available open access under a Creative Commons Attribution 4 0 International License via link springer.com The Dressing Room Desirée J.

Garcia,2025-01-14 A recurrent and popular setting in American cinema the dressing room has captured the imaginations of filmmakers and audiences for over a century In *The Dressing Room Backstage Lives and American Film* the only book length study of the space author Desirée J Garcia explores how dressing rooms are dynamic realms in which a diverse cast of performers are made and exposed Garcia analyzes the backstage film which spans film history modes and genre to show how dressing rooms have been a useful space for filmmakers to examine the performativity of American life From the Black maid to the wife and mother to the leading man dressing rooms navigate shape and challenge society s norms The stakes are high in dressing rooms Garcia argues because they rehearse larger questions about identity and its performance negotiating who can succeed and who cannot and on what terms *Refractions of Masculinity* John Richardson,1995-01-01 Mit finn

Zusammenfass Holding Your Square Christopher W. Mullins,2013-01-11 This book is about the meanings of masculinities within the social networks of the streets of an American city St Louis Missouri and how these shaped perceptions and enactments of violence Based on a large number of interviews with offenders the author provides a rich description of life on the streets contextualizing criminal violence within this deviant subculture and with a specific focus on issues of gender The book provides one of the most detailed descriptions yet of the forms masculinity takes in disadvantaged communities in the United States It establishes how street based gender identity motivated and guided men through violent encounters exploring how men s relationships with women and their families instigated violence One key issue addressed is why men resorted to violence in certain situations and not in others exploring the range of choices open to them and how these opportunities were interpreted The book makes a major contribution to the study of the relationship between masculinities and violence making use of a much larger sample than elsewhere Narrating with Twelve Tones Anne
