Russia's Provinces

Authoritarian Transformation *versus* Local Autonomy?

Peter Kirkow

Russias Provinces Authoritarian Transformation Vs Local Autonomy

Joel C. Moses

Russias Provinces Authoritarian Transformation Vs Local Autonomy:

Russia's Provinces P. Kirkow, 1998-01-12 This book focuses on the evolution of federalism and intragovernmental relations in Russia for the period 1992-95 following the dissolution of the Soviet Union. Its main question is whether under conditions of democratisation and marketisation in Russia an authoritarian approach of transformation from above is more favourable to one of granting more autonomy to local governments. The author suggests a scale of various reform implementation policies based on two pioneering case studies of Russian provinces. [The Legacy Structure of Russia's One Hundred Year Transformation](#) David Foley, 2018-11-16 Research and analysis of the post-Soviet Russian experience of political, economic and social change have generally focused attention on the complications and influences of the Soviet legacy on the transition process, with most early main stream studies emphasizing the difficulties of the adoption of the institutions of democracy and a free market economy to the centralized command and control legacy structures carried over from that adjacent system. To the more recent analyses that have attempted to explain why the Putinist hybrid authoritarian democracy emerged to take control of the Russian state. The complex nature of the Russian experience of political, social and economic change had yet to be explained as a long term legacy analysis until now, with the linkages presented in this study of the legacies and structures that have defied attempts at reform by the Bolsheviks, the Soviets and the modern Republicans. The political geography of Russia represents a districting system that defines the people and places and represents an influential legacy structure that has had a long reach from the Russia of Imperialism to the Russia of Putinism and the twenty-first century. A clearer understanding of the influences the Imperial legacy brings to the Russian transformation enables the student of post-Soviet Russian transition an opportunity to contextualize the strong linkages of historical governance structures with the one hundred years of Bolshevik and Soviet system capture and the struggles of transformation faced by the government and people of Russia today. *The Decline of Regionalism in Putin's Russia* J. Paul Goode, 2011-05-11 This book reassesses the process whereby after 2000 Putin reversed the process by which in the 1990s power had shifted from Moscow to the regions. It focuses on the dynamics of regional boundaries, juridical boundaries which defined a region's territorial extent and thereby its resources, institutional boundaries that sustained regional differences and cultural boundaries that defined the ethnic or technocratic principles on which a region could claim legitimate existence. [Russia's Regions and Comparative Subnational Politics](#) William M. Reisinger, 2013-01-17 Subnational political units are growing in influence in national and international affairs, drawing increasing scholarly attention to politics beyond national capitals. In this book leading Russian and Western political scientists contribute to debates in comparative politics by examining Russia's subnational politics. Beginning with a chapter that reviews major debates in theory and method, this book continues to examine Russia's 83 regions, exploring a wide range of topics including the nature and stability of authoritarian regimes, federal politics, political parties, ethnic conflict, governance and inequality in a comparative perspective. Providing both

qualitative and quantitative data from 20 years of original research the book draws on elite interaction public opinion and the role of institutions regionally in the post Soviet years The regions vary on a number of theoretically interesting dimensions while their federal membership provides control for other dimensions that are challenging for globally comparative studies The authors demonstrate the utility of subnational analyses and show how regional research can help answer a variety of political questions providing evidence from Russia that can be used by specialists on other large countries or world regions in cross national scholarship Situated within broader theoretical and methodological political science debates this book will be of interest to students and scholars of Russian politics comparative politics regionalism and subnational politics

Dilemmas of Transition in Post-Soviet Countries Joel C. Moses, 2003 Exploring the tensions inherent in transition this perceptive book offers a wide ranging overview of the impact of democracy and capitalism on the former Soviet republics Leading scholars assess the region's daunting problems in the key realms of privatization democratization foreign investment agrarian reform local governance and market economics The contributors argue that the central dilemma facing all these fledgling countries is the inherent contradiction between the immediate pursuit of privatization and foreign investment and the long term policy goal of democratization Offering both theoretical and comparative perspectives on the far reaching implications of nation building and democratic transition this valuable study will enable both students and scholars to comprehend the unique difficulties of transition

The Regional Roots of Russia's Political Regime William M. Reisinger, Bryon J Moraski, 2017-01-09 In The Regional Roots of Russia's Political Regime William M Reisinger and Bryon J Moraski examine Russian politics at the subnational level in order to discover why democracy failed to take root and how Putin's authoritarian regime materialized Since the national regime needed dominant victories in federal legislative and presidential elections elections were critical to the resurgence of Russian authoritarianism At the same time victories without a traditional nationwide political party required that regional politicians help deliver votes Putin employed a variety of resources to encourage the collaboration of regional leaders during federal elections and to sanction those who would or could not deliver these votes By analyzing successive federal elections Reisinger and Moraski show that regions that led the way in delivering votes in Putin's favor were those that had been both more independent and more authoritarian during the Yeltsin era These authoritarian enclaves under Yeltsin became models of behavior in the Putin regime which prized deferential election results Other regions were quick to follow this lead functioning during Putin's ascendancy as swing states Still Russia's regimes continued to exhibit regime diversity with democratic enclaves resisting the push to become cogs in the Kremlin's electoral authoritarian wheel While motivated by scholarly questions about authoritarianism democracy and the influence of subnational forces on national regime trajectories Reisinger and Moraski also consider policy relevant questions

Sowing Market Reforms M. Crumley, 2013-09-18 By examining a sector of the economy that was exposed to increased imports more than four decades ago Crumley illuminates the economic pressures resistance and reform that help

to shape Russia's agrarian sector today **Political Elites and the New Russia** Anton Steen, 2004-06-01 Political Elite and the New Russia convincingly argues that although reforms in Russia have been initiated by those close to the President in fact local and national elites have been the crucial strategic actors in reshaping Russia's economy democratising its political system and decentralising its administration This book analyses the role of elites under Yeltsin and Putin discussing the extent to which they form a coherent political culture and how far this culture has been in step with or at odds with the reform policies of the Kremlin leadership *Resolving the Russo-Japanese Territorial Dispute* Brad Williams, 2007-06-11 The unresolved territorial dispute between Japan and Russia over the South Kuril Islands Northern Territories remains the largest obstacle to concluding a peace treaty and fully normalising bilateral relations between the two nations This book traces the evolution of transnational relations between subnational public authorities in Hokkaido and Sakhalin examining the interrelationship between these ties and the Russo Japanese territorial dispute The book investigates why the development of Hokkaido Sakhalin relations has failed to create at the subnational level an environment conducive to resolving kankyo seibi the South Kuril Islands Northern Territories dispute Brad Williams suggests that kankyo seibi has not worked primarily because Russia's troubled transition to a liberal democratic market economy has manifested itself in ways that have ultimately increased the South Kuril Islands intrinsic and instrumental value for the Sakhalin public and regional elite This in turn has limited the impact from the twin transnational processes of cultural and economic exchange in alleviating opposition to the transferral of these disputed islands to Japan Drawing upon a wealth of primary and secondary sources from both countries this book utilises levels of analysis and an analytical framework that incorporates national and subnational as well as governmental and non governmental forces to discuss a relatively unexplored aspect of Russo Japanese relations As such *Resolving the Russo Japanese Territorial Dispute* will appeal to students and scholars of Asian politics international relations and post communist states *Federalism and democratisation in Russia* Cameron Ross, 2013-07-19 Building on earlier work this text combines theoretical perspectives with empirical work to provide a comparative analysis of the electoral systems party systems and governmental systems in the ethnic republics and regions of Russia It also assesses the impact of these different institutional arrangements on democratization and federalism moving the focus of research from the national level to the vitally important processes of institution building and democratization at the local level and to the study of federalism in Russia An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence **Local Government in Central and Eastern Europe** Andrew Coulson, Adrian Campbell, 2007-08-02 Advocates of democratization in Central and Eastern Europe before 1989 placed great emphasis on community self government as the basis of civil society and democracy After the Velvet Revolutions of 1989 and the break up of the Soviet Union in 1991 the new states created an elected local government whereby cities towns and villages elected the

The Russian Far East Susan F. Davis, 2003-08-29 This book is a comprehensive introduction to the contemporary Russian

Far East RFE and offers an argument about federal relations and power in the state It is the only easily available single volume book to examine the RFE in such depth *Modernisation in Russia since 1900* Markku Kangaspuro, Jeremy Smith, 2006-12-27 Modernisation has been a constant theme in Russian history at least since Peter the Great launched a series of initiatives aimed at closing the economic technical and cultural gap between Russia and the more advanced countries of Europe All of the leaders of the Soviet Union and post Soviet Russia have been intensely aware of this gap and have pursued a number of strategies some more successful than others in order to modernise the country But it would be wrong to view modernisation as a unilinear process which was the exclusive preserve of the state Modernisation has had profound effects on Russian society and the attitudes of different social groups have been crucial to the success and failure of modernisation This volume examines the broad theme of modernisation in late imperial Soviet and post Soviet Russia both through general overviews of particular topics and specific case studies of modernisation projects and their impact Modernisation is seen not just as an economic policy but as a cultural and social phenomenon reflected through such diverse themes as ideology welfare education gender relations transport political reform and the Internet The result is the most up to date and comprehensive survey of modernisation in Russia available which highlights both one of the perennial problems and the challenges and prospects for contemporary Russia **Putin** Richard Sakwa, 2007-11-13 The new edition of this extremely well received political biography of Vladimir Putin builds on the strengths of the first edition to provide the most detailed and nuanced account of the man his politics and his profound influence on Russian politics foreign policy and society New to this edition analysis of Putin s second term as President more biographical information in the light of recent research detailed discussion of changes to the policy process and the lites around Putin developments in state society relations including the conflicts with oligarchs such as Khodorkovsky review of changes affecting the party system and electoral legislation including the development of federalism in Russia details on economic performance under Putin including more discussion of the energy sector and pipeline politics Russia s relationship with NATO after the big bang enlargement EU Russian relations after enlargement and Russia s relations with other post Soviet states the conclusion brings us up to date with debates over the question of democracy in Russia today and the nature of Putin s leadership and his place in the world Putin is essential reading for all scholars and students of Russian politics **The Politics of Inequality in Russia** Thomas F. Remington, 2011-04-29 This book investigates the relationship between the character of political regimes in Russia s subnational regions and the structure of earnings and income Based on extensive data from Russian official sources and surveys conducted by the World Bank the book shows that income inequality is higher in more pluralistic regions It argues that the relationship between firms and government differs between more democratic and more authoritarian regional regimes In more democratic regions business firms and government have more cooperative relations restraining the power of government over business and encouraging business to invest more pay more and report more of their wages Average wages

are higher in more democratic regions and poverty is lower but wage and income inequality are also higher The book argues that the rising inequality in postcommunist Russia reflects the inability of a weak state to carry out a redistributive social policy

One Europe, Many Nations James B. Minahan, 2000-07-30 Dominating world politics since 1945 the Cold War created a fragile peace while suppressing national groups in the Cold War's most dangerous theater Europe Today with the collapse of Communism the European Continent is again overshadowed by the specter of radical nationalism as it was at the beginning of the century Focusing on the many possible conflicts that dot the European landscape this book is the first to address the Europeans as distinct national groups not as nation states and national minorities It is an essential guide to the national groups populating the so called Old World groups that continue to dominate world headlines and present the world community with some of its most intractable conflicts While other recent reference books on Europe approach the subject of nations and nationalism from the perspective of the European Union and the nation state this book addresses the post Cold War nationalist resurgence by focusing on the most basic element of any nationalism the nation It includes entries on nearly 150 groups surveying these groups from the earliest period of their national histories to the dawn of the 21st century In short essays highlighting the political social economic and historical evolution of peoples claiming a distinct identity in an increasingly integrated continent the book provides both up to date information and historical background on the European national groups that are currently making the news and those that will produce future headlines

Re-emerging Russia Anuradha M. Chenoy, Rajan Kumar, 2017-09-06 This book examines the evolution contexts and politics of the structures and institutions that shape contemporary Russia It analyses the Soviet dissolution revealing the combination of structural and agency factors It traces the re emergence of Russia from a unique perspective that is neither Western nor Eurasian but specifically Indian located in the global South The book looks at key theoretical concepts and practices like democratic centralism that produced an overly centralised and rigid hierarchy within the Communist Party This book assesses the continuities and changes with the Soviet past and the way the Russian regimes of the past two decades have reinvented and reshaped them This book provides a multifaceted interpretation of contemporary Russia for general readers and specialists

Social Sustainability of Forestry in Northern Europe Marjatta Hytönen, 2001 S 113 404 Papers presented at the workshop Socio economic sustainability of forestry in Petrozavodsk Russia June 2000

The Chechen Wars Matthew Evangelista, 2004-05-13 Following the breakup of the Soviet Union Boris Yeltsin improvised a system of asymmetric federalism to help maintain its successor state the Russian Federation However when sparks of independence flared up in Chechnya Yeltsin and later Vladimir Putin chose military action to deal with a brushfire that they feared would spread to other regions and eventually destroy the federation Matthew Evangelista examines the causes of the Chechen Wars of 1994 and 1999 and challenges Moscow's claims that the Russian Federation was too fragile to withstand the potential loss of one rebellious republic He suggests that the danger for Russia lies less in a Soviet style disintegration than in a misguided

attempt at authoritarian recentralization something that would jeopardize Russia's fledgling democratic institutions. He also contends that well-documented acts of terrorism by some Chechen fighters should not serve as an excuse for Russia to commit war crimes and atrocities. Evangelista urges emerging democracies like Russia to deal with violent internal conflict and terrorism without undermining the fundamental rights and freedoms of their citizens. He recommends that the United States and other democracies be more attentive to Moscow's violations of human rights and in their own struggle against terrorism provide a kind of role model.

Democracy Derailed in Russia M. Steven Fish, 2005-08-29 Why has democracy failed to take root in Russia? After shedding the shackles of Soviet rule, some countries in the postcommunist region undertook lasting democratization. Yet Russia did not. Russia experienced dramatic political breakthroughs in the late 1980s and early 1990s but it subsequently failed to maintain progress toward democracy. In this book, M. Steven Fish offers an explanation for the direction of regime change in post-Soviet Russia. Relying on cross-national comparative analysis as well as on in-depth field research in Russia, Fish shows that Russia's failure to democratize has three causes: too much economic reliance on oil, too little economic liberalization, and too weak a national legislature. Fish's explanation challenges others that have attributed Russia's political travails to history, political culture, or to shock therapy in economic policy. The book offers a theoretically original and empirically rigorous explanation for one of the most pressing political problems of our time.

Decoding **Russias Provinces Authoritarian Transformation Vs Local Autonomy**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Russias Provinces Authoritarian Transformation Vs Local Autonomy**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Russias Provinces Authoritarian Transformation Vs Local Autonomy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russias Provinces Authoritarian Transformation Vs Local Autonomy PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russias Provinces Authoritarian Transformation Vs Local Autonomy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russias Provinces Authoritarian Transformation Vs Local Autonomy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russias Provinces Authoritarian Transformation Vs Local Autonomy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russias Provinces Authoritarian Transformation Vs Local Autonomy is one of the best book in our library for free trial. We provide copy of Russias Provinces Authoritarian Transformation Vs Local Autonomy in digital format, so the resources that you find are reliable. There are also

many Ebooks of related with Russias Provinces Authoritarian Transformation Vs Local Autonomy. Where to download Russias Provinces Authoritarian Transformation Vs Local Autonomy online for free? Are you looking for Russias Provinces Authoritarian Transformation Vs Local Autonomy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Russias Provinces Authoritarian Transformation Vs Local Autonomy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Russias Provinces Authoritarian Transformation Vs Local Autonomy are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Russias Provinces Authoritarian Transformation Vs Local Autonomy. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Russias Provinces Authoritarian Transformation Vs Local Autonomy To get started finding Russias Provinces Authoritarian Transformation Vs Local Autonomy, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Russias Provinces Authoritarian Transformation Vs Local Autonomy So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Russias Provinces Authoritarian Transformation Vs Local Autonomy. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Russias Provinces Authoritarian Transformation Vs Local Autonomy, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Russias Provinces Authoritarian Transformation Vs Local Autonomy is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Russias Provinces Authoritarian Transformation Vs Local Autonomy is universally compatible with any devices to read.
