emotional capitalism Illouz finds evidence of this process of emotional capitalism in various social sites self help literature women s magazines talk shows support groups and the Internet dating sites How did this happen What are the social consequences of the current preoccupation with emotions How did the public sphere become saturated with the exposure of private life Why does suffering occupy a central place in contemporary identity How has emotional capitalism transformed our romantic choices and experiences Building on and revising the intellectual legacy of critical theory this book addresses these questions and offers a new interpretation of the reasons why the public and the private the economic and the emotional spheres have become inextricably intertwined

The Infinite Spark: The secret to access the divinity within you, actualize your greatest potential, and live a life filled with love, meaning and purpose Warren Munitz,2019-08-23

What if I said I had a secret so profound that it would completely change the way you saw reality That the mere act of knowing this secret fundamentally alters your reality In fact it is so secret that it is impossible to hear it even if I had to speak it to you aloud The nature of this secret is such that it is so powerful you actually have to prepare yourself in order to know it This is no ordinary secret it so fundamental that it s hidden in a mystery itself to make sure it remains a secret and will continue to remain a secret to all those who are uninitiated Merely reading about this secret would not be enough to grasp its power and it would remain hidden from the reader You have to realize it for yourself not only hear but know it In fact to the unprepared it would seem so ridiculous that the reader would dismiss it as childish
