Security Problems And Politics In The Post Cold War Caribbean:

Security Problems and Policies in the Post-Cold War Caribbean Humberto Garcia Muniz, Jorge Rodriguez Beruff, 2016-07-27 This volume brings together contributions by eleven noted specialists on peace and security issues in the Caribbean. All chapters are based on recent research on the radically transformed regional situation in the post Cold War context. Particular emphasis is placed on the formulation of security policies by the most relevant security actors including both external powers present in the region: independent states and subregional groupings. This discussion is placed in the framework of post Cold War security outlooks which focus on non traditional threats: mainly drugs and illegal migration.

Security in the Caribbean Basin Joseph S. Tulchin, Ralph H. Espach, 2000 Since the end of the Cold War security concerns in the Caribbean have changed from containment of communism to transnational threats such as drugs, illegal migration and natural disasters. This text analyzes the situation and puts forward a framework for a cooperative regional security system.

From Pirates to Drug Lords Michael C. Desch, Jorge I. Dominguez, Andres Serbin, 1998-04-16 U.S. Marines in Haiti: Pirates or drug traffickers penetrating the southern border of the United States. Special economic arrangements that foster growth for some and hardship for others. These headlines about the Caribbean's international relations and its impact on the United States could date from both the beginning and the end of the twentieth century. Troubled as it is, the Caribbean nonetheless features important accomplishments that will benefit the United States in the long term. This book examines the crucial and timeless impact Caribbean countries have on the United States and the world and the methods they have been employing to consolidate their democracies, advance prosperity and maintain the peace through international cooperation among themselves. Its primary aim is to discuss the dominant threat perceptions and security priorities of regional governments, the varied mechanisms in place to promote regional collective action and the future agenda of U.S. foreign policy toward the Caribbean. Rooted in an historical analysis of continuity and change in the Caribbean's international subsystem, the book analyzes the Caribbean within a broader international pattern, marking a tension in world affairs between the global and the local. In addition, it explores the challenges to governments and peoples in the region posed by changes in its political economy.

Rethinking Post-Cold War Russian-Latin American Relations Vladimir Rouvinski, Victor Jelfets, 2022-06-07 Today there is plenty of evidence that Russia has become a prominent external actor in Latin America and the Caribbean. Yet few books have attempted to better understand the reasons behind Russia's return and Moscow's continuous engagement in the region. In order to fill the gap, this volume offers the first interdisciplinary study of Russian-Latin American relations after the end of the Cold War. Across 16 chapters, leading experts from Russia, Europe, the United States and Latin America collectively re-examine the Soviet legacy to reveal the conditions in which Russia operates today and identify the key trends of contemporary Russian relations with this part of the world. The book then moves on to provide a detailed case study analysis of Russia's bilateral relations with Venezuela, Cuba, Mexico, Brazil, Argentina and Colombia, identifying the most

critical dimensions of Russian engagement Rethinking Post Cold War Russian Latin American Relations allows readers to identify the fundamental driving forces of Russia's renewed commitment to the area its strategies and experiences The book will be of interest to readers of international relations and area studies historians of modern Latin America migration studies political economy and any political scientists interested in Russian decision making **The New World Order in International Finance** G. Underhill,1997-04-12 The author provides a clear portrait of the dramatic transformation of the global financial system in the late 20th century Drawing on work by a prestigious and interdisciplinary set of specialists this volume looks at the political economy of individual sectors of the financial services industry at regional market patterns such as the EU and NAFTA and at individual countries from the Asian NICs to Europe and the United States The book captures the complexity and dynamics of a sector with vital implications for the future of global economic development **The Geopolitics of Security in the Americas** Martin Sicker,2001-11-30 Sicker examines the role of the United States within the Western Hemisphere and the geopolitical and geostrategic factors that have helped shape its policies in the region He demonstrates that such factors have contributed heavily to establishing the patterns of state development and interstate relations in the Western Hemisphere throughout its modern history The prevailing geopolitical environment has been conditioned to a large extent by the emergence of the United States as the unquestionably dominant power in the extensive region However that status did not exist at the time it achieved its independence It was brought about through almost incessant conflict with and expansion at the expense of other states nations and peoples over more than a century As a result the concerns and interests of the dominant power became and remain of necessity factors that states beyond the borders of the United States must take into consideration when pursuing their own national interests and policies As Sicker amply demonstrates failure to do so will often produce undesirable consequences for the offending state As is clear however the states of the hemisphere have their own geopolitical interests and concerns independent of and sometimes conflicting with those of the United States As Sicker shows throughout the volume and especially in his analysis of inter American conflicts many of the nations of Latin America have unresolved territorial controversies with their neighbors that date to their origins as independent states Because of this troubled geopolitical legacy there have been numerous conflicts among the states of Latin America some of which the United States has attempted to mediate or arbitrate and some that seem impervious to a permanent negotiated settlement This is a provocative analysis that will be of interest to scholars students researchers and policymakers involved with inter American relations and U S diplomacy **Globalization, Liberalization and Policy Change** S. McDowell,1997-01-21 After the introduction of a new economic policy of 1991 India is increasingly portrayed as a big emerging market for consumer goods and for broadcasting and communications services Policies for telecommunications computer software and television broadcasting in India have also shifted fundamentally The book considers communications policies in light of the role of communications in social and economic development and global patterns of trade and

investment in communications and services **Capital beyond Borders** Kenneth P. Thomas, 2016-07-27 This book challenges the established wisdom regarding the balance of bargaining power between multinational corporations and host governments Most theories beginning with Raymond Vernon's claim that the bargaining power of host states should increase over time This work shows the opposite is true at least for the automobile industry in the industrialized world The reason for this is the growing mobility of production which undercuts host states bargaining positions Capital mobility is thus central to both firm state relations and IPE generally *Social Movements in Development* Staffan Lindberg, Arni Sverrisson, 2016-07-27 Nationalist movements in the South have been superseded by a plethora of different social movements This book examines these new movements and considers emerging paradigms of organization and mobilization which are related to the role movements play in economic and political development The book analyzes a number of cases and their context and discusses the implications for social movement theory The focus is on social movements among underprivileged and middle class groups and the book is global in scope Boundary Disputes in Latin America Jorge I. Domínguez, David R. Mares, 2003 **Diasporic Citizenship** Michel S. Laguerre, 2016-07-27 This book briefly delineates the history of the Haitian diaspora in the United States in the nineteenth century but it primarily concerns itself with the contemporary period and more specifically with the diasporic enclave in New York City It uses a critical transnational perspective to convey the adaptation of the immigrants in American society and the border crossing practices they engage in as they maintain their relations with the homeland It further reproblematises and reconceptualizes the notion of diasporic citizenship so as to take stock of the newer facets of the globalization process A Future for Small States Commonwealth Advisory Group for Updating the 1985 Vulnerability Report, Mary Eugenia Charles, 1997 This report provides an analysis of key issues concerning small states security and development It sets out a series of recommendations to counteract vulnerability arising from such factors as globalization environmental degradation and global warming and international crime *Drugs and Democracy in Latin America* Coletta Youngers, Eileen Rosin, 2005 While the U S has failed to reduce the supply of cocaine and heroin entering its borders it has however succeeded in generating widespread often profoundly damaging consequences on democracy and human rights in Latin America and the Caribbean Feminism and International Relations Sandra Whitworth, 2016-01-18 This book provides a critique of the discipline of international relations from a feminist perspective The critique is developed first theoretically Then the author examines both feminist theories and theories of international relations with a view to developing an approach to world politics which incorporates an analysis of gender and gender relations The critique is secondly developed through the application of the notion of gender to the activities of two international institutions the International Parenthood Federation and the International Labour Organisation **New West Indian guide**, 1999 *Handbook of Latin American Studies, Vol. 61* Lawrence Boudon, 2006-04-01 The one source that sets reference collections on Latin American studies apart from all other geographic areas of the world The Handbook has

provided scholars interested in Latin America with a bibliographical source of a quality unavailable to scholars in most other branches of area studies Latin American Research Review Beginning with volume 41 1979 the University of Texas Press became the publisher of the Handbook of Latin American Studies the most comprehensive annual bibliography in the field Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 140 specialists in various disciplines the Handbook alternates from year to year between social sciences and humanities The Handbook annotates works on Mexico Central America the Caribbean and the Guianas Spanish South America and Brazil as well as materials covering Latin America as a whole Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas The Handbook of Latin American Studies is the oldest continuing reference work in the field Lawrence Boudon of the Library of Congress Hispanic Division has been the editor since 2000 and Katherine D McCann has been assistant editor since 1999 The subject categories for Volume 61 are as follows Anthropology Economics Geography Government and Politics Political Economy International Relations Sociology

The Global Political Economy of Communication Edward A. Comor, 1996-09-18 This collection examines the theoretical analytical and political implications of global developments involving telecommunications and related technologies The book's contributors from fields such as economics political science and communication studies relate research on the political economy of communication with the work of international political economy scholars The book stimulates cross disciplinary debates among readers in these and other areas in order to first critically evaluate recent global developments involving communications and second to encourage the development of a more holistic and inclusive approach to these and related issues

Haiti Renewed Robert I. Rotberg, 2001-06-07 The ecstatic election of President Jean Bertrand Aristide in 1990 his American supported restoration to office in 1994 and the peaceful election in 1995 of President Ren Pr val were harbingers of a radically new and promising era in Haitian political and economic life For the first time in Haiti's 190 year old independent tradition men of and chosen by the majority of Haiti's people had gained power and attained their positions legally and peacefully With a five year presidency Pr val now has the opportunity to reconstruct and remold the Haitian state to raise Haitian living standards and to create a new political culture of democracy and tolerance The future of his country and the success of Haiti's last best chance to break its chains of poverty desperation and deprivation depend on the choices that he and his colleagues make in the months ahead The context of those choices is stark Haiti remains the poorest and least industrialized nation in the Western Hemisphere The Pr val government thus has much to do This book provides an agenda for Pr val and his successors one that examines both Haiti's political culture its historical legacy and what that means for future reconstruction and many of its most critical political economic and social challenges In addition to Rotberg the contributors include Patrick Bellegarde Smith University of Wisconsin Milwaukee Anthony V Cantanese DePauw University Robert Fatton Jr University of Virginia Clive Gray Harvard Institute for International Development Michel S

Laguerre University of California Berkeley Mats Lundahl Stockholm School of Economics Robert Maguire Inter American Foundation Jennifer McCoy Georgia State University William G O Neill former Director of the Legal Department of the OAS UN International Civilian Mission in Haiti Robert A Pastor Carter Center Marc Prou University of Massachusetts Boston Donald E Schultz U S Army War Coll Contemporary Authors Terri M. Rooney,1998-05 Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors Authors in this volume include Janet Dawson Patrice Gaines Isabella Rossellini Markus Wolf **Political Science Abstracts** ,2012-12-06 Political Science Abstracts is an annual supplement to the Political Science Government and Public Policy Series of The Universal Reference System which was first published in 1967 All back issues are still available

Security Problems And Politics In The Post Cold War Caribbean Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Security Problems And Politics In The Post Cold War Caribbean free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Security Problems And Politics In The Post Cold War Caribbean free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Security Problems And Politics In The Post Cold War Caribbean free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Security Problems And Politics In The Post Cold War Caribbean. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Security Problems And Politics In The Post Cold War Caribbean any PDF files. With these platforms, the world of PDF downloads is just a click away.
