Reflections on a Spiritual Journey from Darkness to the Light shares the author's reflections on his true story from constant pain and suicidal thoughts to healing redemption and spirituality. The author's reflections shared through his prose poetry and photography begin with him trapped in a deep depression resulting from a five-year battle with constant pain from an autoimmune disorder. Feeling hopeless and powerless, he hits the darkest night of his soul and decides to end his life. But this book is not about suicide but rather redemption. It begins with an awakening visionary experience that leads to his healing and fills him with a permanent sense of well-being and an appreciation for life and living happily in the light. But in the end, he is confronted and tested with the moral dilemma of the shocking results of a half-century-old murder case. It dramatically reinforces the importance of not backsliding into the dark night of his soul and the belief that without darkness, we will never find or know the true value of the light. This story transcends one man's journey to spiritual awakening and connection to a Higher Power and includes such things as mindfulness, meditation, spirituality, the soul's purpose, and faith messages of Mother Earth, love, truth, peace, blessings, and sorrows, enlightenment, and very much more. The book also serves as an inspirational guide for others seeking their purpose in life and the meaning to existence. With clear language, well-explained concepts, this work is agile, easy to read, and full of wisdom from spiritual and metaphysical thinkers of the past two centuries. Perspectives reflections look at humanity's connection to the consciousness, energy, power, and matter in the universe that each of our souls make up an even larger godlike consciousness or soul that is and always will be the presence of a Higher Power within and outside of each of us, the existence of an eternal source of love, compassion, and redemption, and to never give up hope. Proceeds from the profits of this book will be used to fund a college scholarship program for economically disadvantaged students to shine eternal light on a good man struck down by the darkness of another.

Blind Spot Paul A. Marshall, Lela Gilbert, Roberta Green, 2009. Today, understanding of religion is essential to understanding many major news stories. This book examines how the media frequently miss or misunderstand these stories because they do not take religion seriously and how they misunderstand religion when they do take it seriously. To the extent that journalists do not grasp events' religious dimensions, both global and local, the authors argue they are hindered from and sometimes incapable of describing what is happening. However, on the national level, the press is one of the most secular institutions in American society, not necessarily contemptuous of serious religion but just uncomprehending. The essays in this book examine nine specific news stories that were inadequately or incorrectly reported by major news sources because their religious dimension was ignored, overlooked, or misrepresented. These stories range from the 2004 U.S. presidential elections to Iran, Iraq, and the papal succession. In each case, the author demonstrates how the story might have been more effectively reported and concludes with specific suggestions for journalists. The authors include both scholars and experienced news analysts. Although it will be of particular interest to people of faith, the book offers all readers an interesting and balanced analysis of the news media's uneasy relationship with religion and religious issues.

mores through his faith and comedy Religion and the foibles of religious institutions have served as fodder for scores of comedians over the years What set Colbert apart on his show The Colbert Report was that his critical observations were made more powerful and harder to ignore because he approached religious material not from the predictable stance of the irreverent secular comedian but from his position as one of the faithful He is a Catholic celebrity who can bridge critical outsider and participating insider neither fully reverent nor fully irreverent Providing a digital media ethnography and rhetorical analysis of Stephen Colbert and his character from 2005 to 2014 author Stephanie N Brehm examines the intersection between lived religion and mass media moving from an exploration of how Catholicism shapes Colbert s life and world towards a conversation about how Colbert shapes Catholicism Brehm provides historical context by discovering how Colbert compares to other Catholic figures such as Don Novello George Carlin Louis C K and Jim Gaffigan who have each presented their views of Catholicism to Americans through radio film and television The last chapter provides a current glimpse of Colbert on The Late Show where he continues to be voice for Catholicism on late night now to an even broader audience America s Most Famous Catholic According to Himself also explores how Colbert carved space for Americans who currently define their religious lives through absence ambivalence and alternatives Brehm reflects on the complexity of contemporary American Catholicism as it is lived today in the often ignored form of Catholic multiplicity thinking Catholics cultural Catholics cafeteria Catholics and lukewarm Catholics or what others have called Colbert Catholicism an emphasis on the joy of religion in concert with the suffering By examining the humor in religion Brehm allows us to clearly see the religious elements in the work and life of comedian Stephen Colbert Praise for America s Most Famous Catholic According to Himself Combining the interpretative skills of an academic with a natural appreciation for pop culture Brehm offers a lively look at why the new evangelization may be just as much the responsibility of comics as of clerics James Martin SJ Jesuit priest and author of Jesus A Pilgrimage and The Jesuit Guide to Almost Everything A Spirituality for Real Life Anyone interested in religious comedy s recent history in America will enjoy Stephanie Brehm s book If you want to study how humor social media and entertainment inform and mold our church and public opinion today this book will be a good choice for you Catholic Philly
