Atkinson,2020-09-02 Bits of the glittering truths of Seership have sifted through different minds from time to time the author chose on his words to bring together the scattered fragments and to unite them in a harmonious whole The subject is handled as a practical Science and is stripped of all the mystery which has been purposely thrown around it by the pseudo seers charlatans and rank imposters that abound in every country and have brought discredit to the science These teachings are more valuable to mankind than gold yet they are given freely The veil which has been closed for centuries is drawn aside and complete instructions are given to the sincere student who is ready to become a seer If you are wise you will profit by these teachings As you advance a new world of existence will be opened to you BEYOND FIVE SENSES MARVIN
