Luís de Camões is world famous as the author of the great Renaissance epic The Lusads but his large and equally great body of lyric poetry is still almost completely unknown outside his native Portugal In The Collected Lyric Poems of Luís de Camões the award winning translator of The Lusads gives English readers the first comprehensive collection of Camões's sonnets songs elegies hymns odes eclogues and other poems more than 280 lyrics altogether all rendered in engaging verse Camões 1524-1580 was the first great European artist to cross into the Southern Hemisphere and his poetry bears the marks of nearly two decades spent in north and east Africa the Persian Gulf India and Macau From an elegy set in Morocco to a hymn written at Cape Guardafui on the northern tip of Somalia to the first modern European love poems for a non European woman these lyrics reflect Camões's encounters with radically unfamiliar peoples and places Translator Landeg White has arranged the poems to follow the order of Camões's travels making the book read like a journey The work of one of the first European cosmopolitans these poems demonstrate that Camões would deserve his place among the great poets even if he had never written his epic **The Complete Elegies of Sextus Propertius**

Propertius, 2016-07-07 The Roman poet Propertius is best known as the writer who perfected the Latin love elegy a technical as much as a psychological and cultural feat Propertius has been admired for both his metrical genius and the modernity of his narrative flow Many of the poems here pay tribute to Cynthia Propertius's romantic obsession but the scope of these 107 elegies is broad Propertius's poetry offers a fascinating look into life in the Augustan age addressing social political and historical subjects A contemporary of Virgil and Horace Propertius has influenced scores of poets from Ovid to Housman to Pound His poetry appears here for the first time in a dual language edition with the translations facing the original Latin Rendered into English by a poet who is also one of the nation's pre eminent Propertius experts the volume brings Propertius's difficult mix of vernacular and high literary allusion into contemporary language Cynthia was the first She caught me with her eyes a fool who had never before been touched by desires Love cast down my look of constant pride and he pressed on
