**Shooting the Monkey** Colin Turner, 1999 Best selling business author shares how you can be the master of the fast changing new business world and not its slave *A Journey Through the Kingdom of Oude, in 1849-1850* Sir William Henry Sleeman, 1858 **A Journey Through the Kingdom of Oude, 1849-1850 ...** Sir William Henry Sleeman (K.C.B.), 1858

*Ambiguous Bodies* Michelle Osterfeld Li, 2009-03-10 *Ambiguous Bodies* draws from theories of the grotesque to examine many of the strange and extraordinary creatures and phenomena in the premodern Japanese tales called setsuwa Grotesque representations in general typically direct our attention to unfinished and unrefined things they are marked by an earthy sense of the body and an interest in the physical Because they have many meanings they can both sustain and undermine authority This book aims to make sense of grotesque representations in setsuwa animated detached body parts unusual sexual encounters demons and shape shifting or otherwise wondrous animals and in a broader sense to show what this type of critical focus can reveal about the mentality of Japanese people in the ancient classical and early medieval periods It is the first study to place Japanese tales of this nature which have received little critical attention in English within a sophisticated theoretical framework Li masterfully and rigorously focuses on these fascinating tales in the context of the historical periods in which they were created and compiled *A Journey through the Kingdom of Oude, in 1849-1850* W.H.

Sleeman, 2025-08-22 Reprint of the original first published in 1858 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Cases Argued and Decided in the Supreme Court of Mississippi Mississippi.

Supreme Court, 1927 *A Boy's Adventures in the West Indies* Frederick Albion Ober, 1888 **Yo Mama!** Onwuchekwa Jemie, 2003 Collected primarily in metropolitan New York and Philadelphia during the classic era of black street poetry i e during the late 1960s and early 1970s these raps signifyings toasts boasts jokes and children s rhymes will delight general readers as well as scholars Ranging from the simple rhymes that accompany children s games to verbally inventive insults and the epic exploits of traditional characters like Shine and Stagger Lee these texts sound the deep rivers of culture echoing two continents Onwuchekwa Jemie s introductory essay situates them in a globally pan African context and relates them to more recent forms of oral culture such as rap and spoken word **Conservation and the Use of Wildlife Resources**

Melvin Bolton, 1997-06-30 Not everybody cares about the fate of wild animals or the state of the natural environment I met a lady who said it wouldn t worry her if all the wild animals in the world disappeared overnight She was a city person she said There are also people who would prefer to let animals become extinct than to have them kept in captivity no matter how progressive the zoo There are those who on principle will not eat meat let alone do the killing and there are those who enjoy nothing so much as shooting birds People in the last two camps may oppose each other in claiming to be con servationists Extremists are unlikely to find their opinions being reversed by this book but because of the scope of the subject I believe

there is a good chance that anybody with an interest in wildlife will find in it something new to think about It may not be too much to hope that a few disagreements might also be settled because I suspect there is more common ground than is generally realized among those with opposing views

**Coast & Bush Life in West Africa** Coaster,1924 Quickly Traveling Through the Shura Field Karen Lee,2011-09-20 When the master said this Fang Tianbao was walking out of the detention center burping She s only two months old how fat can she be Master you re such a fool I told you dinner is served at 9 30 why did you come here at 7 Fang Tianbao was holding a large pile of things in his hands Toothpaste a toothbrush a washbasin a face towel and even sausages given by his cellmates He held a cigarette between his lips and nodded to the armed police at the door

**The Coming Nation** ,1909 **Waiting for Wolves in Japan** John Knight,2003 A Japanese conservationist group has launched a campaign for the reintroduction of the wolf in Japan arguing that the wolf would be the savior of upland areas of Japan which are suffering from wildlife pestilence This book examines the reintroduction proposal by drawing on ethnographic fieldwork in one of the candidate areas and shows that conflicts with wildlife are inextricably bound up with social conflict among people and that wildlife pestilence must therefore be understood in terms of its symbolic as well as material dimensions
