Doing a Research Project in Nursing and Midwifery Carroll Siu, Huguette Comerasamy, 2013-02-01 Due to ethical issues surrounding data collection in the field of healthcare students are no longer able to undertake their own empirical research. This book is written for nursing and midwifery students completing a research project based on reviewing published literature and using secondary data. It demystifies the concept of literature review methodology and supports students writing up their dissertation thesis or work based learning project. The book provides step by step guidance on Identifying a research problem. Qualitative and quantitative research design. Literature searching. Ethical considerations. Analysis of secondary data. Writing your dissertation. Through its discussion of non empirical methods the book also prepares students for future empirical research by providing examples of best practice in healthcare research. The book is essential reading for undergraduates and postgraduates who want to succeed in their nursing or midwifery research project.

Canadian Books in Print, 2003 *Nursing Shorts: Stories About Being a Nurse by a Nurse* Vennie Anderson, 2021-10-03 Stories About Nursing by a Nurse is the subtitle of Nursing Shorts and a perfect brief description of this fascinating book. From her first tentative hospital experiences as a volunteer to her final thirteen years of paid employment at a Department of Veterans Affairs Medical Center Anderson brings us along as she remembers relives and writes about her career as a registered nurse. A sixteen year old girl bathes a dead man to prepare him for the funeral home. Student nurses wait apprehensively while police search for a mass murderer. A disabled child is badly beaten and dies with no one held accountable for the beating. A cruel doctor blames his own patient for her stillborn child. A belligerent drunk threatens those who are trying to help him. A desperate depressed veteran locks himself into a bathroom and commits suicide. Some stories may shock and surprise you. Some may make you happy sad or angry. Humor and tragedy exist side by side in these captivating stories. Compassion humor and honesty give the ring of truth and reality to this extraordinary career based memoir. Of herself and fellow nurses Anderson says Nursing isn't what we do it's who we are.
