François de Sales] and the Imitation of Christ, by I. Le Masson ,1879 **An American Tragedy** Theodore Dreiser,1925 A complex and compassionate account of the life and death of a young antihero named Clyde Griffiths The novel begins with Clyde s blighted background recounts his path to success and culminates in his apprehension trial and execution for murder Catechizings for the church and Sunday schools, on our Saviour's work, by J.H. this book the story continues whereby Jesus uses my life situations to reveal His power and wisdom Jesus takes me through many experiences so others can be enlightened and aware of certain circumstances in their lives I am not to keep these things to myself but to let them be known Jesus is anxious for others to come to know Him He walked among humans on earth and is neither a myth nor a liar In the Bible He was revealed several times as God A statement I saw on this book read Steeped in the profound traditions of Catholic mysticism I agree with this statement to a point but to be a child of God one does not have to be steeped in Catholic Mysticism Most of the churches I attend are Catholic they are mystical but mysticism can be found in every church based on Christ The traditions of the Church are not for Catholics only They are for everyone who wants to indulge in them Jesus did not come to place us into churches with particular names but to save everyone He who believes in me and is baptised will be saved Mt 15 16 Another statement I saw about the book read It is thought provoking and passionate I would agree that it is definitely thought provoking because it is not what the normal human being would experience in their everyday life These things are there but people are not realising what is going around them These things are not tangible or visible in the normal sense I believe the passion must be contained in the style of my writing and my determination to pen everything Jesus wanted to relay something to the world and I believe He has done so in these books We are walking in a state of unsafety and no one is telling us anything concerning this Our homes our cars our streets our churches our supermarkets products we buy and even our workplaces are unsafe These are just a some of the unsafe settings Jesus has pointed out to me as having evil and evil workers lurking to make our environments difficult and unsafe The main solution to this problem is for people to turn to God and refuse to live in a society where He is obscured and ignored For more information about the book visit <https://www.jesusperfectcompany.com> **The Imitation of Christ**
