Saumer,2009-09 What is that voice in your mind that is trying to guide you to make the right choice Why have you survived events in your life that should have taken your life My Guardian Angel approaches its reader on many levels On a personal level it is a story of a series of real life events that turned a boy into a man On a spiritual level it is a testament of a person s faith in God s promise in Psalm 91 and how that person has made God real in his life On an entertainment level the stories are simply humanly emotional in that some are funny some are suspenseful some are sad and some are happy We all have stories about our life We share them around the dinner table on the front porch or back deck in the fishing boat around the camp fire or maybe at work Sometimes those moments bring about a story of confession that ends up answering a lifelong family mystery Sometimes one of those stories might reveal something about you that nobody knows     *Where Is All My Relation?* Michael A.
