Blessed Peacemakers Kerry Walters, Robin Jarrell, 2013-02-12 All of us yearn for a peaceable and just world but some roll up their sleeves and set to work to make the dream real *Blessed Peacemakers* celebrates 365 of them one for each day of the year Their stories are richly diverse They share a commitment to peace and justice but the various contexts in which they work make each of their stories uniquely instructive The peacemakers include women men and children from across the globe spanning some twenty five hundred years Many are persons of faith but some are totally secular Some are well known while others will be excitingly new They are human rights and antiwar activists scientists and artists educators and scholars songwriters and poets film directors and authors diplomats and economists environmentalists and mystics prophets and policymakers Some are unlettered but all are wise A few died in the service of

the dream All sacrificed for it The world is a better place for the presence of blessed peacemakers Their inspiring stories embolden readers to join them in nonviolent resistance to injustice and the creative pursuit of peace *The Poetry and the Politics* Gregory James, James Gregory, 2014-10-10 The nineteenth century was a time of movements political social moral reform causes which drew on the energies of men and women across Britain This book studies radical reform at the margins of early Victorian society focusing on decades of particular social political and technological ferment when foreign and British promoters of extravagant technologically assisted utopias could attract many hundreds of supporters of limited means persuaded to escape grim conditions by emigration to South America when pioneers of vegetarianism joined the ranks of the temperance movement and when working class Chartists reviving a struggle for political reform seemed to threaten the State for a brief moment in April 1848 Through the forgotten figure of James Elmslie Duncan shabby genteel poet and self proclaimed Apostle of the Messiahdom *The Poetry and the Politics* considers themes including poetry's place in radical culture the response of pantomime to the Chartist challenge to law and order and associations between madness and revolution Duncan became a promoter of the technological fantasies of John Adolphus Etzler a poet of science who prophesied a future free from drudgery through machinery powered by natural forces Etzler dreamed of crystal palaces Duncan's public freedom was to end dramatically in 1851 just as a real crystal palace opened to an astonished world In addition to Duncan James Gregory also introduces a cast of other poets earnest reformers and agitators such as William Thom the weaver poet of Inverury whose metropolitan feting would end in tragedy John Goodwyn Barmby bearded Pontiffarch of the Communist Church a lunatic Invisible Poet of Cremorne pleasure gardens the hatter from Reading who challenged the feudal restrictions of the Game Laws by tract trespass and stuffed jay birds and foreign exotics such as the German born Conrad Stollmeyer escaping the sinking of an experimental Naval Automaton in Margate to build a fortune as the Asphalt King of Trinidad Combining these figures with the biography of a man whose literary career was eccentric and whose public antics were capitalised upon by critics of Chartist agitation this book is essential reading for anyone interested in radical reform and popular political movements in Victorian Britain **The British National Bibliography** Arthur James Wells, 2001 **The Literary Digest** Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1920 **Unforgiving Years** Victor Serge, 2008-02-19 A New York Review Books Original *Unforgiving Years* is a thrilling and terrifying journey into the disastrous blazing core of the twentieth century Victor Serge's final novel here translated into English for the first time is at once the most ambitious bleakest and most lyrical of this neglected major writer's works The book is arranged into four sections like the panels of an immense mural or the movements of a symphony In the first D a lifelong revolutionary who has broken with the Communist Party and expects retribution at any moment flees through the streets of prewar Paris haunted by the ghosts of his past and his fears for the future Part two finds D's friend and fellow revolutionary Daria caught up in the defense of a besieged Leningrad the horrors

and heroism of which Serge brings to terrifying life The third part is set in Germany On a dangerous assignment behind the lines Daria finds herself in a city destroyed by both Allied bombing and Nazism where the populace now confronts the prospect of total defeat The novel closes in Mexico in a remote and prodigiously beautiful part of the New World where D and Daria are reunited hoping that they may at last have escaped the grim reckonings of their modern era A visionary novel a political novel a novel of adventure passion and ideas of despair and against all odds of hope Unforgiving Years is a rediscovered masterpiece by the author of The Case of Comrade Tulayev
