Pictorial Key To The Tarot:

The Pictorial Key to the Tarot Arthur Edward Waite, 2023-02-01 It seems rather of necessity than predilection in the sense of apologia that I should put on record in the first place a plain statement of my personal position as one who for many years of literary life has been subject to his spiritual and other limitations an exponent of the higher mystic schools It will be thought that I am acting strangely in concerning myself at this day with what appears at first sight and simply a well known method of fortune telling Now the opinions of Mr Smith even in the literary reviews are of no importance unless they happen to agree with our own but in order to sanctify this doctrine we must take care that our opinions and the subjects out of which they arise are concerned only with the highest Yet it is just this which may seem doubtful in the present instance not only to Mr Smith whom I respect within the proper measures of detachment but to some of more real consequence seeing that their dedications are mine To these and to any I would say that after the most illuminated Frater Christian Rosy Cross had beheld the Chemical Marriage in the Secret Palace of Transmutation his story breaks off abruptly with an intimation that he expected next morning to be door keeper After the same manner it happens more often than might seem likely that those who have seen the King of Heaven through the most clearest veils of the sacraments are those who assume thereafter the humblest offices of all about the House of God By such simple devices also are the Adepts and Great Masters in the secret orders distinguished from the cohort of Neophytes as servi servorum mysterii *The Pictorial Key To The Tarot* A.E. The Pictorial Key to the Tarot (Illustrated) . a Waite, 2021-08-05

Tarot Card Book for Beginners. First published in 1911. *The Pictorial Key to the Tarot* is a divinatory tarot guide for beginners by Arthur Edward Waite. An American born British poet and mystic, Waite is famed for co-creating the Rider Waite tarot deck, sometimes referred to as the Rider Waite Smith deck. While there were many tarot decks created and distributed around the world prior to this, the Rider Waite deck was the first to become widely famous. It was also the first to illustrate all 78 cards fully, when most decks only illustrated the 22 Major Arcana cards. Waite was very concerned with the accuracy of the symbols used for the deck and he did much research into the traditions, interpretations, and history behind the cards. Waite extensively researched the significance of each card's symbolism and deeper meaning as part of the creation of the deck and shares these insights in *The Pictorial Key to the Tarot*. In addition to a discussion of the significance of each card and the images that appear on it, Waite also includes instructions on how to conduct a reading. Waite's guide remains as useful as when it was first written a century ago and is an essential addition to the library of anyone who practices the tarot or wishes to learn more about its meaning. This book is also the beginning of it all for many persons looking to learn more about the Tarot.
